FARM SERVICE FORCE ONTARIO WE LEND A HAND

"LEND A HAND" ON THE FARMS

Every citizen of Ontario must face the unpleasant fact that Canada's stockpile of grains, dairy products and vegetables . . . of which we had a great surplus four years ago . . . is almost exhausted.

For four years, Canada has been a "storehouse of food" for her Allies. She must continue to fulfil heavy obligations to them. But the surpluses in the storehouse are gone. They must be replenished. Otherwise, Canadians on the Fighting Fronts . . . and at home . . . are likely to be faced with the prospect of short food rations.

THIS YEAR the crops on Ontario Farms give promise of the heaviest yields of grain, hay, vegetables and fruit in years.

BUT THEY MUST BE HARVESTED AND SAVED . . . AND THIS IN SPITE OF THE MOST ACUTE SHORTAGE OF FARM WORKERS IN OUR HISTORY.

EVERYONE MUST HELP!

JOIN The Farm Commando Brigades, the Holiday Brigades, Business Men's Groups, Service Club Groups, Neighbourhood Groups, or one of many other organizations, that are preparing to help. For three years such organizations have supplied thousands of volunteers to Save Food for Victory. *This Year Many Thousands More Volunteers Are Needed.*
