You won't get to Berlin in an Armchair!

IF Canada and the United Nations had depended upon "Armchair Soldiers" to fight this war, the Nazis and Japs would have grabbed this country long ago.

There is no "Royal Road" to Berlin. It's fighting all the way and Canada's Army needs every man it can get. That's why, today, *you* should volunteer for overseas service. You'll need months of intensive training to make you fighting-fit.

Don't be a stay-at-home and let the other fellow do it. Get into a man's uniform with the G.S. badge of honour on your sleeve. If we're going to win this war, we'll have to do more than just read about it in the papers.
