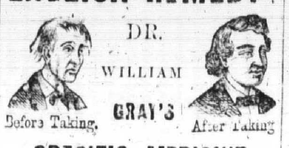
THE GREAT
ENGLISH REMEDY!


DR. WILLIAM GRAY'S
Before Taking. After Taking.
SPECIFIC MEDICINE
Cures all Nervous Diseases such as Tremors, Debility, Palpitation, etc., which in many cases are produced by over indulgence in the use of tobacco and alcoholic spirits; but the specific Medicine is more especially recommended as an unfailing cure for Seminal Weakness, Spermatorrhœa, Impotency, and all diseases that follow as a sequence of Self Abuse, as loss of Memory, universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other diseases that lead to insanity or Consumption and a premature grave, all of which, as a rule, are first caused by deviating from the path of nature and over indulgence.
The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one.
The Specific Medicine is sold by all Druggists at $1 per package, or six packages for $5, or will be sent by mail on receipt of the money by addressing

FRIDAY EVEN'G, NOV. 5, 1875.

LITTLE BY LITTLE.

"Little by little," the torrent said,
As it swept along its narrow bed,
Chiding its wrath and pride.
"Little by little," and "day by day,"
And with every wave it bore away
A grain of sand from the bank which lay
Like granite walls on either side.

It came again, and the rushing tide
Covered the valley far and wide,
For the mighty banks were gone.
A grain at a time they were swept away;
And where the fields and meadows lay
Under the waves, for the work was done!

"Little by little," the Tempter said,
As a dark and cunning snare he spread
For the young, unwary feet;
"Little by little," and "day by day,"
I'll tempt the careless soul astray,
Into the broad and flowery way,
Until the ruin is made complete.

"Little by little," sure and slow
We reach from our future of bliss and woe
As the present passes away bright,
Up to the region of endless light
Or gliding downward into the night,
"Little by little," and "day by day."

CURRENCY.

—A Toronto firm is shipping flour to Cuba.

—The election for Toronto West takes place on Saturday.

—Lord Dufferin will reside in Quebec a part of next summer.

—Venus is now morning star, and will be until January.

—Rev. Father Murphy has succeeded the late Mr. G. E. Clerk as editor of the Montreal *True Witness*.

—The butchers of Montreal are about to establish a daily paper with a capital of $50,000.

—The Chinese Government proposes to appoint Chinese consuls at all the most important ports of the world.

—The property owners of Brockville vote on the Water Works By-law next Thursday.

—A North-West African expedition leaves England next month for the purpose of surveying the African coast.

—Polls are selling on the West Toronto election—Robinson $50, Turner $40, and even that Robinson's majority will not exceed 100 votes.

—The "John Harris" while going into the harbor at Ogdensburg, ran on a shoal and broke one of the buckets off her wheel.

—Temperance men in Ottawa are considering the advisability of testing the sense of the ratepayers on the Dunkin Act in that city.

—The "Toronto Witness Printing and Publishing Company" is the name of a new concern for which an act of incorporation will shortly be asked.

—A special from Virginia city says: The mining situation is encouraging; the water is reduced and rebuilding is going on briskly.

—The Premier of Newfoundland has denied that that colony was taking steps to enter into Confederation; at least, the New York papers profess to have been so advised.

—Minister Schenck of the United States has written a letter to the *Times* exposing the systematic sale in England of fictitious American University degrees.

—The Corporation of Port Hope will apply to the Ontario Legislature for an act authorizing them to raise a sum of money sufficient for the redemption of all present outstanding debentures.

—A Montreal citizen named Nichols is suing the Academy of Music Company in the sum of $5,000 for damages to the extent of $5,000 for injuries sustained to his horse by the construction of the Opera House.

—A revengeful wife in Cincinnati who had been beaten by her husband, while both were on a drunken bout, induced him to go to bed, when she chloroformed him and sawed his leg off above the ankle. He is not expected to live.

—The Minister of Justice has been applied to by the authorities of the Bank of British North America for permission to take the prisoner Dixon, who passed the forged letter of credit at Renfrew, and is now in Pembroke Gaol, to New York, so that he may identify his accomplice, at present in the hands of the authorities there.

Dr. R. V. Pierce, of the World's Dispensary, Buffalo, N. Y., whose Family Medicines have won golden opinions and achieved world-wide reputation, after patient study and much experimenting, succeeded in perfecting a Compound Extract of Smart-Weed, or Water Pepper, that is destined to become as celebrated as his other medicines. It owes its efficacy not entirely to the Smart Weed, which, however, is a sovereign remedial agent, but largely to a happy combination of that herb with Jamaica Ginger and other vegetable agents. The combination is such as to make it a very pleasant remedy to take. Taken internally, it cures Diarrhœa, Dysentery (or Bloody Flux), Summer Complaint, Cramps, Cholera Morbus, Colic, Cramps and Pain in the Stomach, Spasms, Colds, Fever and Inflammatory Attacks. It is sold by all druggists and dealers in medicines.

Poverty is bad, but the worst kind of poverty is poverty of the blood; this makes a man poor indeed, for it takes away his strength, courage and energy, but enriches the blood with its vital element, iron, by taking the Peruvian Syrup (a protoxide of iron) and you will feel rich and as good as anybody. Try it.

Hemorrhoids or Piles are permanently cured by Marshall's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded free on receipt of price by Dr. E. Mathieu, 198 Notre Dame Street, Montreal.

To Housekeepers.—The attention of heads of families is respectfully invited to the superior quality of Burnett's Flavoring Extracts. They are entirely free from the poisonous oils and acids which enter into the composition of many of the cheap preparations now in the markets. They are highly concentrated, have all the freshness and delicacy of the fruits from which they are prepared, and are less expensive than pastes, soups, etc., may be greatly improved by Burnett's Extract of Celery.

A Really Good Article.—We would call the attention of all interested to an article of undoubted merit and which we would advise all in want of it to give a trial. We refer to "Darley's Condition Powders and Arabian Heave Remedy" now being extensively used by many of the largest horse dealers in the country; these men have discovered that improves the condition of the horse by purifying the blood, and removes from the lungs and liver all that prevents their healthy action; its effect is soon apparent in the improved appearance of the animal, which is one great reason why horse dealers use it, as they are thus enabled to get better prices and at the same time give their customers sound and healthy horses. Remember the name and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

☞ Thousands of people are now carelessly allowing themselves to drift into the consumptive symptoms of consumption under the fatal delusion that they are troubled with nothing but a slight cold. How necessary it is, then, that a cold should be cured for fear of incipiency and every exertion used to prevent it. "Bryan's Pulmonic Wafers" will at once stop the hacking cough in a few minutes, and by their influence on the bronchial and pulmonary organs all fears of dangerous results will soon be dissipated—but they must be taken in time. Sold by all druggists and country dealers. Price 25c per box.

Consumption, bronchitis, general debility.—Caution.—Hypophosphites.—Fellows' Compound Syrup of Hypophosphites.—As this preparation is entirely different in its combination and effects from all other remedies called Hypophosphites, the public are cautioned that the genuine has the name of Fellows & Co. blown on the bottle. The signature of the inventor, James I. Fellows, is written across each label, and the price is $1.50 per bottle. Fellows' Compound Syrup of Hypophosphites is prescribed by the first physicians in every city and town where introduced, and is the only orthodox preparation.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas's Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre P.Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all." —J. H. Earl, Hotel Keeper, West Shefford, P.Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. None should be without it. I have tried it on my horses in cases of cuts, wounds, etc., and think it is equally as good for horse as for man." —A. Maybee, merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and are pronounced by the public one of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence." —Joseph Rinson, Township Percy, writes, "I was persuaded to try Thomas Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit." —A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used it was cured. It is a most remarkable medicine."
☞ Sold by all medicine dealers. Price 50 cents.
