SPECIFIC MEDICINE
Cures all Nervous Diseases, such as Tremors, Debility, Prostration, etc., which in many cases are produced by over indulgence in the use of tobacco and alcoholic spirits; but the specific Medicine is more especially recommended as an unfailing cure for Seminal Weakness, Spermatorrhea, Impotency, and all diseases that follow as a sequence of Self Abuse, as loss of Memory, universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other diseases that lead to insanity or Consumption and a premature grave, all of which, as a rule, are first caused by deviating from the path of nature and over indulgence.
The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one.
The Specific Medicine is sold by all Druggists at $1 per package, or six packages for $5, or will be sent by mail on receipt of the money by addressing

WEDNSDAY EVEN'G, NOV. 10, 1875.

OBITUARY OF AN EDITOR.

Ye Editor sat in his rickety chair,
As worried as worried could be;
For ye Devil was grinning before him there,
And "copy" ye Devil said he.

Oh, ye Editor grabbled his big quill pen,
And it spluttered ye ink so free,
And his manuscript looked like a war map when,—
"Take this" to ye Devil spake he.

He scribbled and scratched through ye life long day,
No rest or nor refreshment had he;
For ye Devil kept constantly coming that way,
And howling for more "cop—ee."

And when he boys in ye newsroom heard,
Ye noise of ye fray;
Ye sound of a blow and ye blasphemous word,
He a raising ye Devil said they.

Day after day he scissored and wrote,
A slaying the whole countree;
While ye Devil kept piping his single note,
"A little more cop—ee."

And oft when a man with a grievance came in,
Ye Editor man to see;
He'd turn his back with a word of sin,—
"Go talk to ye Devil," said he.

And ever and eft when a proof of his work,
Ye proprietor wants to see;
"Ye proof shall be shown by my personal clerk
Ye must go to ye Devil sayed he.

And thus he was destined, through all his life,
By this spirit tormented to be;
In hunger and poverty, sorrow and strife,
Always close to ye Devil was he.

Ye Editor died....But ye Devil lived on!
And ye force of life's habits we see;
For ye Editor's breath was no sooner gone,
Than straight to ye Devil went he.

CURRENCY.

—The voting population of Philadelphia numbers 171,000.

—Oniawagrah is said to have been the original name of Niagara.

—It was reported in London that Don Carlos had entered France.

—Over half a million tons of Nova Scotia coal was sold in the nine months ending Oct 1st.

—The Emperor of Germany regards the aspect of affairs on the continient as eminently peaceful.

—The movement is on foot in London to provide a peal of bells and chimes for St. Paul's cathedral.

—The new Catholic church at Grafton will be dedicated, it is expected, on Wednesday the 8th Dec. next.

—Four candidates are out for the Toronto mayoralty—Messrs. Alex. Manning, A. Morrison, Ald. Baxton, and Mayor McIlalf.

—Direct mail communication has been established between the Madrid and in Barcelona, for the very first time in two years.

—It has been determined to discover Columbus and bury him in Italy. His remains are now outside of the national fold.

—At London Assizes a verdict of $1,200 damages was awarded the plaintiff in a breach of promise case. The courtship extended over a period of six years.

—A new settlement just started in Oregon has been called Pay Up. That place will never get along. People don't pay up now.

—E. B. Eddy's saw mill will close this week. There are many men in want of employment; there will be great suffering among the working classes this winter.

—The pressure for office at the Interior Department at Washington continues very heavy, most of the applicants being females.

—A free fight took place at a meeting held by Dr Kenealy in Sunderland on the 11th ult., and several persons sustained slight injuries.

—The trial of the libel suit of H. C. Bowen vs. the Brooklyn *Eagle*, is called for the 15th inst, and Theodore Tilton is to be witness for the defence.

—Formal charges of partiality have been forwarded by Mr. McDonell, teacher to the Education Department against the Rev. Inspector Bothwick of the *Ottawa*.

—Small pox at the rate of ninety cases a week is supplementing the labors of Moody and Sankey in directing the attention of the average Brooklynite to his latter end.

—A London despatch says that Continental complications are exercising a most depressing influence on the money markets at the different European capitals.

—The *Times* publishes a special from Alexandria, which says the Khedive has applied officially to England for two financiers to undertake the Egyptian finances.

—Among those who are assisting Moody and Sankey in the Brooklyn revival we see the name of Mr. Needham, the Evangelist. But it is only when Sankey feels Moody and Moody doesn't feel Sankeymonious that they Needham.

—Large arrivals have checked any upward tendency in the British corn market. The *Mark Lane Express* says that it is reported that the Russian wheat and forage crop will be short, but the report is not confirmed. The same paper says that if this be the case and the American delivery light, prices must eventually rise.

—There was considerable excitement at Chicago, Tuesday, fifty sailors being on a strike. Sailors who shipped at $2 25 and $2 50 per day, were driven ashore and ten vessels, among which was the Hoboken, of Oswego, were prevented from going to sea. The strikers demanded $3 per day.

No use of any longer taking the large, repursive, griping, drastic and nauseous pills, composed of crude and bulky ingredients and put up in cheap wood or pasteboard boxes, when we can, by a careful application of chemical science, extract all the cathartic and other medicinal properties from the most valuable roots and herbs, and concentrate them into a minute Granule, scarcely larger than a mustard seed, that can be readily swallowed by those of the most sensitive stomachs and fastidious tastes. Each of Dr. Pierce's Pleasant Purgative Pellets represents, in a most concentrated form, as much cathartic power as is embodied in any of the large pills found for sale in the drug stores. From their wonderful cathartic power, in proportion to their size, people who have not tried them are apt to suppose that they are harsh or drastic in effect, but such is not at all the case, the different active medicinal principles of which they are composed being so harmonized, one by the others, as to produce a most searching and thorough, yet gently and kindly operating cathartic. The Pellets are sold by dealers in medicines.

A Household Remedy.—No family should be without some efficacious remedy for the cure of affections so universally prevalent as coughs, colds, sore throats, whooping cough and croup—some remedy, too, which can be relied on as safe, sure and certain. Dr. Wistar's Balsam of Wild Cherry combines the desideratum.

Hemorrhoids (or Piles) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 198 Notre Dame Street, Montreal.

Burnett's Cocoaine allays irritation, removes all tendency to dandruff and invigorates the action of the capillaries in the highest degree. The Cocoaine has earned a deserved reputation for promoting the growth and preserving the beauty of the human hair. Ladies dressing their hair elaborately for the evening will find that it imparts a healthy natural gloss to the hair and will cause it to retain its shape for hours.

☞ Thousands of people are now carelessly allowing themselves to drift through the preliminary symptoms of consumption under the fatal delusion that they are troubled with nothing but a slight cold. How necessary is it, then, that a cold should be cared for from its incipiency and every exertion used to get rid of it. "Bryan's Pulmonic Waters" will stop the hacking cough in a few minutes, and by their influence on the bronchial and pulmonary organs all fears of dangerous results will soon be dissipated—but they must be taken in time. Sold by all druggists and country dealers. Price 25c per box.

How Old and Infirm are Supported by Fellow's Compound Syrup of Hypophosphites—During the vigor of youth the expenditure of the power of the mind (which is the real seat of man's strength) is balanced by activity of the nutritive functions, without the aid of science. But time, the everlasting dissipator of reason as of events, sets a limit to his power, and it is at this epoch that science may render to man the desired assistance, and restore the drain upon his wasted energies. Each effort of the mind, every act of the body, will extract a volume of nervous element in proportion to the magnitude of the thought or action, and since the Hypophosphites combination really will supply the vice versa to the body, it must support the human mechanism successfully after the vigor of youth is past.

A Really Good Article.—We would call the attention of all interested to an article of undoubted merit, and which we would advise all in want of to give a trial. We refer to "Darley's Condition Powders and Arabian Heave Remedy" now being extensively used by many of the largest horse dealers in the country; these men have discovered that improves the condition of the horse by purifying the blood, and removes from the lungs and liver all that prevents their healthy action; its effect is seen apparent in the improved appearance of the animal, which is one great reason why horse dealers use it, as they are thus enabled to get better prices and at the same time give their customers sound and healthy horses. Remember the name and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—These are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q. writes, "I have been afflicted with rheumatism for the last ten years and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all." —J. H. Earl, Hotel Keeper, West Shefford, P.Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried on my horses in cases of cuts, wounds, etc., and think it is equally as good for horse as for man." —A. Maybee, merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and are pronounced by the public, one of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence." —Joseph Rusan, Township Percy, writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit." —A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine." ☞ Sold by all medicine dealers. Price 50 cents.
