GET THE BEST.

To Owners of Horses and Cattle!

Gentlemen,—The thriving condition of your animals is no doubt very desirable to you. From many years' experience in preparing Horse and Cattle medicines, we can recommend an article put up by us, to the Farmer, as the very best medicine to keep his stock in condition; to the Lumberman, for giving strength and appetite to his animals, enabling them to pull more than they otherwise might; and to all who desire to keep their horses and cattle in tip-top condition. Those giving it a trial will be convinced that it is far superior to the packages of stuff commonly sold as Condition Powders.
