DURHAM

Durham will have a new industry in operation inside of six weeks if the citizens say so by their vote on a bylaw to be submitted in the interval. All they ask is that the town guarantee their bonds to the extent of $20,000, for which they show ample security of more than double the amount, and this will be materially increased with the installation of additional machinery for a new line of output for which they are negotiating. The new concern will make wire and brassware necessaries, and expand as rapidly as they can by branching off into many other lines. This company is the only one of its kind in the Dominion, and during the war made and supplied all the buttons and uniform emblems for the Canadian soldiers going overseas. They already make dozens of different small articles, for which there is a great demand. There seems to be no limit to the output of such an industry, and they have already sufficient orders on hand to keep the present factory employed for a number of months. The planing factory now operated by Zenas Clark will be purchased for the use of the new concern and new machinery will be installed shortly.

The work of taking down the big steel stack at the cement works is nearly finished and this week will possibly see the work completed. So far it has come down without a hitch, and will be shipped to Arnprior, where it has been purchased by a lumber company. Ceylon Lady Nominated For West York Election

Miss C. A. McPhail, daughter of our expert auctioneer, Mr. Dugald McPhail, of Ceylon, was recently nominated in North York as U. F. O. candidate to contest the riding against W. L. McKenzie King, but withdrew in favor of R. W. E. Burnaby. The Globe correspondent at Newmarket has the following to say of the incident :

"A delicate point in etiquette very nearly arose hers Saturday as a result of the U. F. O. nomination for Federal candidate in North York election. The question might have ceen, Would Hon. McKenzie King, Liberal chief, give his seat—or the seat he has his eye upon—to a lady if she desired it, or would he forget the lessons in good manners learned at his mother's knee, when she taught him how to behave "like a little gentleman," and enter into a competition for it.

Now this delicate question might have arisen had Miss C. A. McPhail, who teaches young ideas how to shoot in the little one roomed school at Sharon, not resigned in favor of Mr. R. W.E. Burnaby. But just how near Hon. Mr. King came to having his good maners tested could only be estimated by those present who witnessed the enthusiastic reception given Miss McPhail Saturday. At all events, if politicians and statesmen of high calibre are not graduated from the little schoolhouse at Sharon, folks hereabouts opine, it won't be the fault of Miss McPhail.

PROTON

Held Over Last Week

The many friends of Mr G. Wideman of Hanover were very sorry to hear of his death, the result of a fall on the sidewalk. Only a month ago Mr. and Mrs. Wideman moved from this village to Hanover. A number from here attended the funeral and much sympathy is felt for the bereaved wife and family.

The many friends of Mrs. Duncan McNicoll (nee Millie Lyons) met at her father's home where she is visiting, and presented her with a miscellaneous shower. The many beautiful gifts show the high esteem in which Mrs. McNicoll is held by her old friends and neighbors. A splendid lunch was served and an enjoyable evening spent.

Meadowvale, the home of Mr. and Mrs. R. G. Acheson, was the scene of an interesting event on Wednesday, April 7, when their eldest daughter, Edna Regina, was united in marriage to Mr. Elmo F. C. Stevens, son of Mr. and Mrs. Albert Stevens, Victoria Corners. Rev. Thomas Laidlaw performed the ceremony, assisted by Rev. Mr. Eagle, in the presence of about 65 guests. The pretty young bride, who wore a gown of white chiffon taffeta and georgette crepe and carried a bouquet of bridal roses entered the parlor leaning on the arm of her father to the strains of the wedding march played by her sister, Miss Ada, and took her place beside the waiting bridegroom under an arch of pink and and white ribbons and white bells. Little Beth Talbot made a pretty flower girl carrying a basket of pink sweet peas and the wedding ring. During the signing of the register Mr. and Mrs. Eagle sang "Love's Old Sweet Song." After congratulations the bridal party and guests sat down to a wedding breakfast. The bride and groom were the recipients of many useful and costly gifts. The groom's gift to the bride was a pair of amethyst eardrops, to the organist a gold bar pin and to the flower girl a locket. Mr. aad Mrs. Stevens left on the evening train for Toronto amid showers of rice and confetti, the bride travelling in a suit of sand gabardine with hat to match.

We all join in wishing them a happy and prosperous journey through life.
