Mr. Proctor's new grist mill which has been in process of building since the early part of last summer has justified in completed, having commenced running last Monday. It is a magnificant brick structure, and no expense has been spared in getting up the most improved appliances. Its machinery consists of five turbine wheels. It is capable of turning out five hundred barrels of flour per day. The entire cost figures, at the very lowest, \$20,000. The builder, on whom it reflects much credit, was left. West, of Peterboro'. The mill will prove of inestimable advantage to the village and country. Mr. Proctor's exterprise is worthy of praise.

Another improvement to the village of Besverton will be the building of a large of three inch hose the same flourner, the lowest propried to the beil. Mr. T. Clarke was also heard and gave some interesting reminiscences in regard to the beil.

FREE MARKET. The CLERK read a petition from J.
R. Dundas, S. & O. Bigelow and
many others, against the establishment of a tree market on one day as it would concentrate the business of the town on that day, necessitating the employment of larger staffs which on other days would be idle. The petition prayed that would be idle. The petition prayed that if the market was to be free at all it should be free all the week, and a good many signed it on that understanding. The first petition for a free day had received over thirty additional names. Coun. Deacon moved, seconded by Coun. Sanderson, that as differences of opinion existed as to the expediency of amending the market, no alteration be made in the by-law. Coun. Deacon said the experience of Port Hope and Peterboro' was against a free day.

Special Notices. BEECHER remarks that you often see a man with a little bullet head, having a vigorous stomach to drive his body and brain, accomplish more than the big-heeded man who makes a small quantity of blood, and that poor and thin. To enrhle mind and body to endure protracted mental and physical exertion, there must be perfect digestion and assimilation of food, and the fermation of pure blood to vitalize the organs and tissues. Dr. Wheeler's Compound Elixir of Pheephates and Calisaya perfects nutrition, and furnishes material for bone, muscle and nerve, to supply the waste of vital force going on from over-work, dissipation, bad

This invaluable medicine is unfailing in the cure of all those painful and dangerous diseases to which the female constitution is subject. It moderates all excess and remeves all obstructions, and a speedy cure may be relied on.

To Married Ladies

It is peculiarly suited. It will, in a short time bring on the monthly period with regularity. Each bottle—price 4I, bears the Gc ernment stamp, to prevent counterfeits.

These Pills should not be taken by Females during the First Three Months of Pregnancy, as they re sure to bring on a miscarriage, but at any other ime they are safe.

In all cases of Nervous and Spinal Affections, Pain in the back and Limbs Fatigue on slight exertion, Palpitation of the Heart, Hysterics and Whites, these Pills will effectually cure, when all other means have failed, and although a very unpainful remedy, do not contain iron, calomel, antimony, or anything hurtful to the constitution.

Full directions in the pamphlet around each package, which should be carefully preserved.
