The small gasoline truck is becoming very popular as a means of transport. Mr. Julian of Feversham has been shipping a lot of potatoes recently and can make three and four trips out here each day. He carries a lot of merchandise both ways.

Mrs. P. Quigg will hold a cash auction sale of household furniture, and house and lot at her residence, Toronto St., Flesherton, at 2.00 o'clock, on Saturday, May 8th, 1920. On the property is a good 5 roomed rough cast house, stable, hen house and about ¼ acre of land. Terms for house and lot will be arranged. D. McPhail, auctioneer.

Rev. Mr. Belfrey has treated himself to a new Chevrelet car, as also has P. Somers, W. Fawcett, South Line, and Geo. Warling, Vandeleur. Geo. White, Toronto Line, has invested in a Ford. It seems difficult this year to secure enough cars to supply the demand.

At the morning service on Sunday, April 11, at Humbercrescent Methodist church, Toronto, Mrs. F. W. Nicholson, formerly of the Flesherton W. M. S., was presented with a Life Membership certificate and pin by the pastor, Rev. Mr. Rideout, on behalf of the membership of the church. Mrs. Alex. Henry, formerly of this district, is president of the Auxiliary.

Mr. Bentley, the "dynamite king," has been shaking things up around the town during the past week, and his explosions have been getting onto the nerves of some people. The barber shop has especially suffered. Lou and George will become nervous wrecks if this thing keeps up much longer. A high school lad nearly had a chunk taken out of his ear while getting his hair trimmed, as a particularly loud explosion sent the air vibrating. We have also heard of some windows being broken. But then big boulders are being demolished on the farms around and a larger area made ready for cultivation, so we suppose it is worth all the jumps we are subjected to.

Meet me in Flesherton June 3rd.

White Blossom Sweet Clover $20 per bushel at Karstedt's.

The Flesherton Baseball Club will hold a monster celebration here on June 3rd. Keep that date open and be here. Watch for particulars.

May Day wasn't a particularly desirable sort of May Day for those who wished to fish or plant onions. It was cold and there were snow flurries in the air. Ugh !

Rev. F, G. Fowler, the new pastor of the Presbyterian church here, has arrived and the induction service takes place today (Thursday) at 2 o'clock p.m., with Rev. C. S. Jones as interim moderator. The new pastor will occupy his pulpit on Sunday next.

Mr. Joseph Fenwick of the east back line died on Wednesday morning of last week at the age of 70 years. The deceased gentleman was a resident of Artemesia for many years and was highly esteemed as a citizen. He married late in life and leaves a widow and three small children, who are the recipients of much sympathy. The funeral took place to Flesherton cemetery on Friday afternoon last.

At a meeting held here on Thursday night of last week it was decided to hold a monster all day celebration in Flesherton on June 3rd, A committee was appointed to arrange a program of sports for the whole day and they will report at a public meeting in the Munshaw House at 8 o'clock, on Thursday evening. Every citizen of the village is urged to be present at this meeting.

The late Arthur Johnston, whose demise we announced last week, was born in Caledon township in the year 1847, and came to Artemesia township in the year 1873. In that year he was married to Isabella Sinclair of Sarnia, who survives him. The children are, Mrs. Hare of Markdale, Mrs. Fred Boland of Vandeleur, Lundy and Will on the homestead A brother, John, lives at Alton. and sisters are Mrs, Nesbitt of Credit Forks, Mrs. I. Sinclair of Flesherton, and Mrs. Martin of Wainwright, Alta.

The county commissioners are starting this week on the good roads work for the summer. Mr. Purvis, who had charge of the work down near Dundalk last summer, will have a gang working in this vicinity, and the proposal at present is to start at Rock Mills and work west towards town, but a petition has been circulated asking the committee to first do the piece of road between Flesherton and Ceylon, and this petition, which was largely signed, has been placed before the committee and we hope it will bear fruit. This piece of road is probably more travelled, and is in worse condition than any piece of trunk road in the county. It was in a terrible condition all spring and impassable for trunk traffic. Traffic from all directions converges here and passes over this road to the station, and if not gone on with now will probably remain a bane to travel for a couple of years more. We hope the committee will see its way clear to start the work on the piece of road mentioned.

The directors of East Grey Agric'l. Society has decided to take up the field crop competition with oats and turnips All those interested kindly make their entries at once with the secretary, who will be pleased to supply the rules and regulations—W. A. Hawken, Secretary, Flesherton.

The Country School

From the Toronto Star Weekly

"Our school house was erected," writes a rural correspondent of the Flesherton Advance, "for the purpose of giving the children of the section an education. Now it is used for public meetings after 4 o'clock."

One rather infers that the correspondent who wrote this does not quite approve of what is going on ; he fancies, perhaps, that there is a violation of the statutes, or even the constitution, in these after school meetings.

It has taken us as a people altogether too long a time to learn that the schoolhouse has many idle hours, and that its doors should not be krpt locked while the community suffers for the lack of a place in which to hold meetings. In many rural sections the schoolhouse is becoming a community centre—for the holding of public meetings, committee meetings and concerts. Instead of a room with four walls serving as a shelter in which children do sums by day, the rural school will soon be a different structure, with cooking and clubhouse accommodation where in the evenings old and young may assemble and enjoy something in the way of social existence. This will be possible, especially in districts that are closely settled.
