OVERSEAS BADGE OF HONOUR
GS
WEAR IT ON YOUR ARM

The Army needs more men like him—men who can take it—men with the courage to fight, so that their home, their loved ones—everything they cherish—may be free.

For this War is not over yet—we still have a lot of fighting to do. And our boys who are fighting over there will need the help of every red-blooded Canadian who is fit to fight, and *willing* to fight.

It will take months of thorough training to make you fighting-fit. That's why Canada's Army needs you *NOW*—and needs you for overseas service.
