As to the facts mentioned, your intelligent readers will know ex-actly how to regard Mr. J. M's hair-The by laws in Fencion Falls and the Optario Institute for the Blind, at cluding, I would pray most carnestly Varulam have been carried, in the Brantford, and Dr. Wilson of Univerthat nothing but a kindly spirit may imously and in the sity College, Toronto. Either would possess the minds of all concerned. we very much regret to observe that

tion) I may say concerning the base ball match which we had there, that the volunteers sent in a challenge for us to go out and play them; and although our pitcher, catcher and short stop, who were among the volunteers, agreed to play with us, but did not, we filled their places with boys, and played against our own men, and got beaten. They then agreed to play a return match in town, but they failed to come to time not us. What your correspondent says about our bragging is as false as the rest

other person who might do the same. So our worthy Mayor would rather believe one than seven or eight. I proved as clear as daylight that I was not guilty of what I was charged with, still he had the audacity to fine me fifty cents and then hide the last day of the appeal to avoid getting notice of the same. I find my name among the List of Convictions by the gardeners, Messrs. Ellis, Storey, We have received the West Durham my name among the List of Convictions by the gardeners, Messra. Ellis, Storey, Messra the new organ of the Tory party for assault and using threatening land. guage, which was never even proved by nearly ruined, and each must have lost the Plaintiff's witness, I think it is no from \$100 to \$200, besides the damage part of the Mayor's duty to publish my name for what I was accused of if it was not proven. I always thought that the Mayor of a town was servant to the Sir.—I send you enclosed the circumstrate of heal stones of heal stones and the size of heal stones of heal stones and the size of heal stones are size of heal stones and the size of heal stones are size of heal stones and the size of heal stones are size of heal stones and the size of heal stones are size of he Mayor of a town was servant to the people and put there to do equal justice in all cases; but it is to be hoped that the respectable citizens of our town will be more careful in the future in their selection of Mayor. It requires a man with some intelligence to be Chief Magistrate of a town like Lindsay. Any man so heedless, after taking the oath of office, as to stultify himself is not fit.

Yours, &c., M. STAFFORD. THE THUNDERSTORM occurred Tuesday afternoon, and coming after a morning of unusual brightness caught many unawares. Our correspondents in different parts of the county report the effects of the storm, incidents are elsewhere noted. Considerable damage was done to crops and to buildings. The large barn of Mr. Alex. Smith, on 24 in the 5th of Mariposa, was swept down, and Mr. Smith narrowly escaped. The building was having a stone foundation put down and, though well propped, was consequently ill-prepared to meet the fury of the storm. We believe considerable damage was done in North Emily.

FENELON KALLS. VICTORIA RAILWAY - PROGRESS - NEW the Dominion Government. BUILDINGS.

This week Port Hope has extended the right hand of friendship to Midland City, acknowledged her claim to have n possession the finest harbour on the upper lakes, and predicted a grand fu-Monday, 6th inst., resulting in a vote of some sixty or seventy in favour of the current year. ture, at the same time reminding her that the interests of Port Hope and Midland City are from henceforth identical and bound up together, or as Mr. Hugel aptly said, Port Hope has the key of the eastern lake, Midland City has that of derived from the construction ot the Victoria Railway and upon all occasions will be done promptly. the western lake. As the mail leaves handsomely sustained the project. The neighbouring municipalities of Somerville and Verulam are also to be congratulated upon the passage of their by-laws in aid of the Road. As regard township of Fenelon giving any aid in this respect no one here entertains the slightest idea of the kind. We may who came to ascertain the prespects of traffic for the extension of the Midland Railway to this place. The company proceeded to a hastily erected platform and Mr. Hugel addressed a considerable assembly which had hurried together now expect the early ratification of the several by-laws and the commencement of work along the line. A good deal of credit is due our public men for their industry and enterprise in managing to welcome the strangers. Mr. Hugel introduced the Mayor and his friends this scheme which at no distant day is very likely to bring abundant reward introduced the Mayor and his friends saying they had come for the express purpose of seeing the future terminus of that line which had as it were sprung from the brain of Port Hope and made it what it is, and to judge for themselves the nature and capacity of our magnificent harbour. The Mayor then asked permission of Mr. Cook, M.P., and proprietor of the saw mill, to put a few questions regarding the quantity of Maclennan—the former to meet his railway friends, the latter his constituents. We heartly welcome them. ents. We heartly welcome them.
Our village is still progressing. The large hotel belonging to Mr. Wm.
Margach, of your town, is rapidly approaching completion under the very careful, efficient and successful superintendence of Mr. A. McBurney, also of Lindsay. The house is a credit to any town—being three stories high and con-

nestions regarding the quantity of the Bay could turn out annually. The answer was, one hundred and ten thousand million feet! and nearly all that immense quantity would pass along the Midland Railway when it is completed to Midland City. town—being three stories high and con-taining about 40 rooms of average size. The house is well arranged and upon the whole well adopted for the comfort

SUNDAY SCHOOL ANNIVERSARY-MATRIMONIAL On Monday, 9th of June, the B. C.

labbath School anniversary was held

here and a right good ple was. About one o'clock a procession of the children was formed, which marched through the village to the church, numbering 250 besides teachers and officers. Very soon after the children entered the church every available seat was occupied. The children were examined in scripture by the pastor, Rev. A. Clark; and the audience were well pleased with the manner in which the mestions were put and answered. Very good and appropriate addresses were de-livered by Revs. Nichols, Kinsey, Fulcher and Kinley. About 4 o'clock p.m. tea was announced and about six or seven hundred, including children, took tea. The amount realized \$128, net profits not known yet.

This, the First of July is the quietest day we have had here for a long time, as nearly all the youth and some of the

married, and flags were flying and all was gaiety in one part of the village. The Press.
