EUGENIA

Held Over Last Week

The concert held in the Orange Hall on April 30 under the auspices of the Women's Institute was a success in every way. A good program was given and was a great credit to our local talent. We really had no idea there were so many maiden ladies in our burg, but still the wedding bells keep ringing, so while there is life there is hope. Cheer up, ladies. Every number on the program was a good one, and with Mr. McVicar of London with his witty jokes the evening passed along pleasantly. After the program the quilt, which has been contested for by four of our ladies, fell to Mrs. Badgerow, who is one of our best workers. The quilt brought $28. There was also some boxes of candy and a dozen or more bottles of horse radish donated by Mrs. Badgerow which brought $15.50. The total proceeds for the evening amounted to $146, and a part of the proceeds of the quilt were taken in at our last social.

Mothers' Day services were well attended in our churches here. Rev. Mr. Fowler has taken his charge here in the Presbyterian church and gave a fine address. We extend a hearty welcome to Mr. and Mrs. Fowler and family. The music was well rendered by the choir at the morning service. Our union choir is quite a help in the churches, and we hope to see the interest kept up.

Service in the Methodist church in the evening was well attended, Mr. Eagle giving a much appreciated address, and the music was also appropriate. The men's chorus was splendid and a great treat. The song service adds to the service and does everyone good.

Mr. Ezer Large of Leamington visited his brother, J. E., for a few days the past week.

Card Graham and Russell McMullen made a business trip to the city last week

Ida Haney's many friends were pleased to see her out for a walk last week for the first time after 10 months' illnes.

Our stores will close two nights a week for the summer—Tuesday and Friday at 6 o'clock.

PRICEVILLE

Some people say that there is no growth in the ground yet, but we noticed a new field of oats last Saturday that sloped facing the sun and looked quite green above the ground.

Two hydro engineers were in town on Monday and Tuesday of last week surveying out the several lines where light will be used. Stakes were driven marking where poles and guys will be erected. The gravel, or county road through our town is very crooked, hence many guys will be required and will add much to the expense account.

The fall fair directors are organizing to hold a great drawing contest with teams on show day, with several good sized prizes offered, and there will likely be a lively time that day.

Frook and Stothart have purchased a very fine percheron stallion and will put him on the road in a few days.

Mrs. George Patterson of the 5th line, 2½ miles north of the village, who has been very ill for some time, passed away Saturday evening of last week. The funeral takes place Tuesday afternoon, May 18, to the new Priceville cemetery. We may be able to give more particulars next week.

Frank Irwin of the Durham Chronicle was in town on Thursday of last week.

Court of Revision

The Municipal Council of the Township of Osprey will meet in the Orange Hall at Maxwell on Saturday, June 5th, at 10 a. m., as a Court of Revision on the Assessment Roll of 1920.

Very interesting mothers' Day service was conducted last Sunday by the pastor Rev. Eagle. Special music was provided by the choir, and many beautiful flowars were in evidence.

So far we have heard nothing of Fathers' Day. Many of us have had fathers that have passed beyond the shadows. They left us that treasured legacy, the record of their virtuous lives, unsullied by any stain of dishonor. Would it not be fitting to their memory, which we revere, to occasionally at least, set apart a day in their honor, as we rightly do in commemoration of the cherished name of mother.

The west half of the roof of Mr. John Warling's house was destroyed by fire, which started from the stovepipe on Friday of last week, and but for the timely assistance of the school children and neighbors the building most likely would have been destroyed. As soon as the fire was extinguished the men made a bee and put on a new roof.

The retiring Sec., Mrs. Wilson, was presented with a small token of money in acknowledgment of faithful and efficient service during the past six years. Luncheon was served at the close.

DURHAM

In an effort to curb fires in the municipality and otherwise better protect the town, Listowel town council has decided to advertise in the Toronto papers for a night watchman. An outside man is preferred.

The Owen Sound Advertiser is calling for a suitable name for the new city to be, and already has announced several names that have been put forth—the Valley City, Harbor City, Georgian Bay City, Liverpool of the North, etc. With a record of one boat a week during the season of navigation, this latter title seems like a joke. Why not, then, call it the Joke City? Other names that might suggest themselves are: the Pass-the-Buck City, the Dodge-the-Issue City, or again one might name it the Boundless Seashore City, which in time could be shortened down to the B. S. City.—Chronicle.

DUNDALK

Thursday afternoon has been adopted as a half holiday by the business men of Dundalk for May, June, July and August.

Some of the drovers had an altercation at the C P. R. stock pens on Tuesday, shipping day, over the ownership of a bunch of hogs. Blood flowed freely and the affair was a disgrace to the community. Foul language, which has become a habit about the stock pens on shipping days, is another offence which is not going to be tolerated by the authorities.

The Herald wishes to congratulate Miss Jennie Wright, daughter of Mr. and Mrs. D. T. Wright of this place, who passed her final examination at McMaster University, Toronto, gaining the degree of B A. The graduating exercises and the conferring of degrees took place on Tuesday evening at McMaster—Herald.
