## Cameron--Smith

The home of Mr. and Mrs. William Smith was the scene of a very pretty wedding on Wednesday, June 9, when their youngest daughter, Lola May, was united in marriage to Mr. Dannie Cameron, the ceremony being performed by Rev. Mr. Forth in the presence of about sixty friends. To the strains of Lowell's March, played by Miss Margaret Poole, the bride entered the parlor on the arm of her father and took her place under an arch artistically decorated. Little Lola McKeon preceded the bride to the arch, carrying a basket loaded with flowers, looking very pretty in white silk with pink. The bride's dress was of white duchess satin, with over dress of silk crepe de chine beaded in crystal, and veil of silk net caught with lilies of the valley. Her bouquet was a beautiful sheaf of white lilacs with maidenhair fern. During the signing of the register Miss Margaret and Mr. Herbert Poole sang "Oh Perfect Day," after which the bridal party, accompanied by the guests, repaired to the dining room, where all partook of a well served repast. The bride was the recipient of many beautiful gifts. The groom's gift to the pianist was a pendent set with rubies, and to the pretty little flower girl a gold brooch. The happy couple left that evening to spend a short honeymoon at Nottawasaga Beach, after which they will reside on the groom's farm near Maxwell. The bride's going away costume was a suit of navy blue serge with white panama hat.

## DUNDALK

The stumps in the Memorial Park are this week being removed by the use of stumping powder. F. Bentley of Flesherton is doing the work and he is certainly an expert on the job.

Mr. Hugh G. Crosby arrived in town Friday evening and will assist Rural Dean Blackwell. We understand he will have charge of the parishes of Maxwell and Flesherton dnring the summer months.

One of Dr. Martin's cars supplied excitement for eight young lads Sunday afternoon. The car was parked, and when the Dr. required its service about 5 o'clock in the afternoon it had disappeared. About 6 30 o'clock eight young lads, one of whom had undertaken to pilot the crew, clambered out after the car had been returned to its former position. They had visited Corbetton, Melancthon and Riverview on their journey. The car was damaged to some extent by coming in contact with some object during the trip. The youngsters committed a very serious offense in taking charge of the car, and the parents may be thankful that no acciden with fatal results occurred—Herald.

## WALKERTON

Arthur Green, the Culross farmer, who mysteriously disappeared from his home following a family quarrel, and for whose safety such apprehension existed that the Teeswater river was dragged and the neighboring swamps searched, returned on Saturday last to the fold again after an absence of over two weeks. It seems that the missing man wrote his brother-in-law, Mr. Brownscombe of Cargill, from a place called Auburn, and Mr. Brownscombe hastened thither and persuaded him to return home. Thus a mystery that many feared would resolve itself into a tragedy has been cleared, without any gruesome coloring featuring the affair.

George Dreisinger, the Hanover undertaker, who ran into and upset John Gregg's Ford car on the Durham road, two miles east of Walkerton last week, and from whose auto a partly filled bottle of whiskey was unearthed by Inspector White and Constable Ferguson just after the accident, pleaded guilty before Magistrates Tolton and Richardson in the Town Hall here on Friday afternoon to having booze in other than a private dwelling house and was fined $200 and costs, or a total assessment of $216 for the offence.

The oldest inmate that ever succumbed in the Bruce House of Refuge, as well as the oldest resident in the county, passed away on Tuesday last in the person of Mrs. Margaret Divine, who at the time of crossing the bar had reached the extraordinary age of 102 years. While no one now living was present at her birth, yet the correctness of her age has been amply established, with the result that she will go down in history as the oldest person who ever "hit the long trail" from Bruce—Herald and Times.

## PROTON

He'd over last week

There has been considerable sicknes among the children in and around the village. Much sympathy is felt for Mr. and Mrs. Jared Lyons, who were bereft of their sixteen months' old boy on June 4, a victim of pneumonia. A large number attended the funeral on Sunday to Flesherton cemetery. The service was conducted by their clergyman, Rev. Mr. Blackwell.

Little Robert Copeland hovered very close to the border land for several days, a sufferer frem pleuro-pneumonia, but we are glad to report that he has taken a change for the better.

Mrs. John McKee of Dundalk is visiting with her brother, Mr. H. Copeland.

Sacrament was dispensed at the Presbyterian service on Sunday night after an impressive sermon by Rev. Mr. Fowler.

## DURHAM

Fire on Thursday morning destroyed the Ayton creamery. From what we learn, ths fire started about 10 o'clock in the morning while the whole staff was on and spread so rapidly that nothing could be done to check the flames.

While operating machinery in his shingle mill Robert Smith was so unfortunate as to have his hand come in contact with one of the saws, with the result that the thumb and forefinger of his left hand were amputated.

A man named McLean, driver of a truck for Taylor & Pringle, Owen Sound, who upset his truck near Durham, was fined $10 and costs for being drunk.

## Osprey Council

The municipal council of the township of Osprey met at Maxwell on Saturday, June 5, as a Court of Revision. No appeals were received, and with the exception of altering a few names on the roll, owing to buying and selling of property, the roll was sustained for the year 1920 as returned by the assessor.

In the afternoon a regular session of the council was held. All the members were present and the Reeve presided. After reading minutes of last meeting the following orders were issued: Fred Frizzell $13, snow plowing winter roads; J. J. Kaitting $5, collecting arrears of 1919 taxes; Hydro Electric Association $10, annual fee; H. W. Kernahan $10, stamps, stationery, etc.; Municipal World $13.84, stationery supplies to clerk; Municipal World $10.85, stationery and supplies to treasurer; Thomas Beatty $100, salary as assessor.

Kaitting—Arnott—That the members of this council, the Assessor and Clerk be each paid the sum of $3 for attending assessment committee at Feversham on May 29th.

Kaitting—Henderson—That the Road and Bridge Committee be called on to examine the bridge in Div. 3, between lots 20 and 21, on the 20th sideroad.

Arnott—Henderson—That the clerk prepare a bylaw to be considered at the next meeting of Council, to bonus the building of wire fences along the roads in this township.

Ross—Kaitting—That the price of all commuted and unperformed statute labor be placed at $2 per day.

Ross—Kaitting—That the amount paid for men and teams for work on roads be the same as is paid on county road work.

Ross—Arnott—That the commuted statute labor on both sides of Victoria street, west, Feversham, and also that on lot 16, con. 9, be returned to the road list in Road Div. No. 35.

Arnott—Henderson—That the Clerk instruct the County Treasurer to erase from his books arrears of taxes for the year 1915 registered against lot 26, con. 3 S D R, the same having been charged against that property in error.

On motion the council adjourned to meet at Singhampton on Saturday, July 3rd, next.

Arthur Green, a middle aged farmer near Teeswater, started for the rear of his farm on May 20th, attired in his ordinary working clothes, and nothing has been seen or heard of him since then. There is no known reason for his strange absence. Later—The man has since returned home.
