Hancock's Inspirator

IS THE MOST ECONOMICAL APPLIANCE KNOWN for feeding boilers or pumping purposes on account of the great range of duties and the small expenditure of steam required for working it. It is intended to take the place of Pumps and Injectors and may be used in lieu thereof to great advantage. It differs materially both in its

Construction & Working Qualities

from the class of boiler feeders known as injectors inasmuch as it has one set of tubes for lifting and another set of tubes for forcing water—a combination entirely new, reliable and efficient. They are simple to operate, always ready for use and altogether a very reliable feed for boilers.

AYER'S HAIR VIGOR,

—FOR—

Restoring Gray Hair to its Natural Vitality and Color.

Advancing years, sickness, care, disappointment and hereditary predisposition all turn the hair gray and either of them incline it to shed prematurely.

Ayer's Hair Vigor, by long and extensive use, has proven that it stops the falling of the hair immediately; often renews the growth, and always surely restores its color when faded or gray. It stimulates the nutritive organs to healthy activity, and preserves both the hair and its beauty. Thus brashy, weak or sickly hair becomes glossy, pliable and strengthened; lost hair regrows with lively expression; falling hair is checked and established; thin hair thickens; and faded or gray hairs resume their original color. Its operation is sure and harmless. It cures dandruff, heals all humors, and keeps the scalp cool, clean and soft—under which conditions, diseases of the scalp are impossible.

As a dressing for ladies' hair, the Vigor is praised for its grateful and agreeable perfume, and valued for the soft lustre and richness of tone it imparts.

DRIFTING DOWN THE STREAM.

The sinking sun, within the west,
Shone with a parting gleam;
An old boat, filled with merry boys,
Was drifting down a stream.

Their eyes were bright, their hearts were light;
No earthly care had they,
While drifting down, with faces brown,
And laughter, loud and gay.

Beneath an overhanging tree
That grew upon the shore,
An old man sat; a look of pain
His furrowed features wore.

"Alas!" he sighed, "this life of ours
Is fleeting as a dream;
How like these thoughtless boys we all
Are drifting down the stream.

"My form is bent, my hair is gray,
My limbs are racked with pain,
My years have idly slipped away,
To come no more again.

"I might have been a worthy man;
Another in my place
Would have devised some useful plan
To benefit his race.

"But I have let those chances pass
That make men good and great;
Old age comes creeping on, alas!
Behold my low estate!

"For he who benefits his race,
Nor drags his comrades down,
Will hold in heaven the highest place
And wear the brightest crown!"

A WANTON MURDERER.

Desperate and Savage Effort near Otta wa to Murder a Comrade—Brutality of the Attack.

(*Ottawa Herald.*)

On Saturday last, owing to the continuous rain, the labourers on the Canada and Atlantic Railway, 400 men, were unable to work, not a few of them indulging during the forenoon in drink. Among these were George Gibson and Thomas Callighan. At noon as the men were at dinner, an altercation arose between the two, during which Callighan threw a tea cup at Gibson, cutting him severely on the ear and causing a profuse flow of blood. The intervention of their fellow laborers prevented any further hostilities, and Gibson retired to a back kitchen where, were, besides one or two others, the female cook and a French Canadian named Joseph Bouillion. Gibson was engaged in blacking his boots when Callighan entered the room, and although warned by Gibson to keep away, as he did not want to row further with him, he

MADE A RUSH

for the latter when Bouillon stepped between them. Gibson thereupon drew a long keen dirk with a four inch blade and reaching over Bouillon's head drove the weapon into Callighan's shoulder with such force that the latter fell heavily to the floor. At the sight of the murderous weapon, Bouillon fled to the next room and the ferocious conduct of Gibson, shows a vindictiveness and brutality seldom surpassed. Throwing himself on the body of his fallen enemy, Gibson inflicted in quick succession three or four dreadful gashes on Callighan's head and face, when Henry Pooley rushing from the adjoining room snatched the now broken blade from Gibson's uplifted hand. Detectives McVeitty and Montgomery arrived during the night,

AND ARRESTED GIBSON,

who made no resistance. Callighan, who had long been in the country, was lately employed as waiter in the Russel House, and is strongly addicted to drink. The prisoner is a man of some 60 years of age and over 6 feet in height. He is well known to the city police, though never before in connection with an offence other than drunkenness and disorderly conduct. Sometime ago he lost an eye by the premature explosion of a blast, and he alleges it was apprehension for the safety of his remaining optic that induced his inhuman treatment of a fellow being.

The patient is delirious and constant watching is needed, although hopes are entertained for his ultimate recovery.

Attempted Train Wrecking.

Last Monday night the switch of the ballast pit near Tyendinaga station was sampered with, the danger side of the semaphore turned round and the red tide of the target of the switch reversed. When the express train from the west approached the switch the engineer saw the danger signals and stopped the train. It was then found that a desperate attempt had been made to open the switch of the ballast pit, which, however, proved unsuccessful. The parties then arranged the danger signal as above and made off. Officer Spence, of Toronto, was soon on their track, and Friday landed in the Belleville jail John Buck, John Brant and Joseph Meucan, three Indians. They were arrested on the previous day and locked up in Napanee jail, but transferred to Belleville. These three men also robbed a store in Deseronto on Sunday night, and some of the booty was found on them when arrested. The Indians have all pleaded guilty and are now awaiting sentence.

AYER'S Ague Cure is a powerful tonic bitter, composed wholly of vegetable substances. Its action is peculiar, prompt and powerful, breaking up the chill, curing the fever and expelling the poison from the system, yet leaving no harmful or unpleasant effect upon the patient. Sufferers from chills and fever who have used quinine as a remedy will appreciate this.

MEDICINES taken into the stomach concentrated form, such as pills and powders, are most injurious. The great substitute for these nauseous little calomel pills is Dr. Carson's Stomach and Constipation Bitters. They cleanse the bowels, stimulate the liver and kidneys, and cure all stomach disorders, such as dyspepsia and indigestion. In large bottles at 50 cents. H. Wade, Agent.

Young and middle-aged men, suffering from nervous debility and kindred affections, as loss of memory and hypochondria, should enclose three stamps for Part VII of World's Dispensary Dime Series of pamphlets. Address WORLD'S DISPENSARY MEDICAL ASSOCIATION, Buffalo, N. Y.

C. Britton, Linsey, Ont., writes:—I have much pleasure in recommending Baxter's Mandrake Bitters in all cases of jaundice, biliousness, sick headache and liver complaint, for they have given universal satisfaction, and I have sold more of them the past season than any other one patent medicine.

Death of Mr. Andrews.

The Goderich *Signal* speaks as follows regarding Mr. George Andrews, father of Mr. G. W. Andrews, of this city, who died on Monday June 26th, at the ripe age of 82:

He came to Canada from Plymouth, Devon, England, in 1841, and settled in Kingston, where for some years he carried on a very extensive business as victualler to the troops in Upper and Lower Canada. He afterwards carried on a large butchering business in Kingston, whence he removed to Rochester, N.Y., in 1866, to reside with one of his sons. About four years ago he and his aged partner came to Goderich, where a number of his family had already located, and had since that time been a resident of this town. Mr. Andrews was a man of exemplary conduct and a consistent Christian. In early life he was converted to a knowledge of the Saviour, and for the past 65 years had been actively engaged in religious work as a local preacher. He leaves a widow in her 80th year, five sons and three daughters to mourn his loss. A funeral service was held in the North Street Methodist Church on Wednesday afternoon last, when Rev. Dr. Williams preached the sermon on the occasion, in which special mention was made of the kindly and Christian qualities of the deceased.
