damages to pay. Something must be done again, but, I suppose, another one of the same kind will be built again. not broken up yet. Some people even have bravery enough to cross it now, but it is a very dangerous experiment. We expect in a few days that it will all be broken up. Then we can as usual taken and beat and bea Among the advantages gained by members of the Bureau are the following:
"You will receive, though the monthly FALL WHEAT.—The fail wheat looks well. It is an ill wind that blows no good, and if the winterwas a severe one the depth of snow kept the sheat warm.

MAPLE SUCARING.—This is a very processory were reasonable to collect your light not be able to collect your just demands. You will be enabled through the Bureau, to follow and find the debtor when he has been lost sight of, and thus secure and settle the claim."

Worth ten times its point warm to the debtor when he has been lost sight of, and thus secure and settle the claim." wheat which will no doubt satisfy us much better.

Roads.—The roads are very good, in fact the roads were never so good so early in the season notwithstanding the immense quantity of snow that was given us.

All Quier.—We have nothing romantic to relate—no bear, melon, or any other wild animal story.

[The foregoing was crowded out last week.] The solicitors and agents of the Bu-reau throughout the country, are men
