STEAMER FOUNDERS.

Ninety-Eight Lives Lost—Terrible Sufferings of the Boats' Crews—The Lost.

Parry Sound, Sept. 17.—Captain A. M. McGregor reached here yesterday by tug from Owen Sound, and reported passing the wreckage of a steamer off the Limestone Islands. He picked up and brought with him a trunk, a door, and a pillow-slip, marked steamer "Asia." About 10 o'clock this morning a boat reached here from Point au Barrie, about 35 miles distant, bringing Mr. Dr A. Tinkess, of Manitowaning, and Miss Christy Ann Morrison, from near Owen Sound, supposed to be the only two survivors of the ill-fated steamer.

A SURVIVOR'S STATEMENT.

Mr. Tinkins makes the following statement: I went aboard the Asia at Owen Sound, midnight Wednesday. The steamer was crowded, many passengers lying on the sofas and floor. All went well until about 11 o'clock on Thursday morning, when the storm struck us. Dishes and chairs were flying in every direction. We left the cabin and found difficulty in getting on deck. I got a life preserver and put it on. The boat went into the trough of the sea and would not obey her helm. She rolled heavily for about twenty minutes, when she was struck by a heavy sea and foundered, going down with the engines working about half past eleven. The Asia was making for French River, and had men, horses, and lumbermen's supplies for the shanties there.

THE BOATS LOWERED.

I saw three boats lowered. I was in the first boat, and about eight were with me at first. More got in till the boat was overloaded and turned over. Twice parties were hanging on to my life preserver, which got displaced and I threw it off. I then left the boat and swam to the captain's boat, which was near by, and asked Mr. John McDougall, the purser, to help me in. He said it was but little use, but gave me his hand. When I got in there were eighteen in the captain's boat, and by that time there was a large number in and clinging to the boat I had left. I know nothing of the third boat. Our boat rolled over, and I remember missing poor John McDougall a few minutes after he helped me in. People were hanging on to the spars and other parts of the wreckage.

SUFFERINGS OF SURVIVORS.

Our boat was full of water, and the sea was constantly breaking over us. One of the first to died on the boat was the cabin boy. He was dying and being supported by one of the men, when a wave washed him overboard. The next to go was a boat hand. He was near the gunwale, coughing badly, when he jumped out. I could see him paddling around in the water for nearly a hundred yards. Our numbers were now reduced to seven, five of whom died before reaching the beach. Capt. Savage, who was the last to die, in my arms about midnight on Thursday, Mr. John Little, of Sault Ste. Marie, the mate, McDonald and two others, names unknown. The boat finally stranded near Point au Barrie about daylight on Friday, with Miss Morrison and myself the only two surviving. I put the bodies out on the beach and pried the boat off with an oar, but did not bale it out. Miss Morrison and I went down the beach in the boat to a derrick about one and a half miles distant, and lay on this beach all night. About 8 o'clock Saturday morning an Indian came along and I engaged him to bring us to Parry Sound. He would not bring the bodies

TO THE RESCUE.

The steamer "Northern Belle," of the same line, which reached here this morning has been furnished with ice, etc., and has left for the bodies. Miss Morrison and Mr. Tinkiss are being well cared for here, and Dr. Potts thinks neither will suffer materially from their long exposure. There were very probably about one hundred on board the "Asia."

THE ASIA.

The ill fated steamer "Asia" formerly belonged to the Beatty Line, but was chartered by the Great Northern Transit Company to take the place of the "Manitoulin," which met the same fate as the "Asia" last spring. The Great Northern Transit Company are the successors of the Georgian Bay Company, who owned the "Manitoulin." It was impossible at a late hour last night to ascertain whether the "Asia" carried any Torontonians on Thursday last or not.

LATEST BY TELEGRAPH.

Collingwood, Ont., Sept. 18.—Further particulars as to the loss of the Asia have not, as yet, reached here, and nothing can be expected until the arrival of the steamer Northern Belle, which was despatched from Parry Sound to the scene of the disaster; or until the return of the Mary Ann, sent from here early this morning. The sad news, which has brought bereavement to many a family, was not known here till late hour on Sunday evening.

The steamer, when leaving here on Wednesday evening the 14th, had on board a gang of McDougall's men, some twenty-seven or thirty in the party, with supplies, five teams, &c. on board for French River, as well as a fair complement of passengers. The following are a few of those who are booked here; the names of others it will be difficult to secure, having purchased through tickets, and the steamer's books being lost:

Crew—Capt. J. N. Savage; first mate, Jno. A. McDermaid; second mate, A McNab; wheelsmen, M. Davis and G. McKay; watchman, Jas. Smith; deckhands, Jno. McIlroy, Jas. Nolan, Wm. Stinson, C. Innes; first engineer, T. R. Bruce; second engineer, M. Windover; firemen, J. H. Degroat, Jas. Lamb, Stewart, Stephen Carter; waiters, Isaac Bennett, A. Watt, T. Lawrence; porters, R. Walker, T. Hill; ladies maid, Mrs. Walter; cooks, T. Jackson and J. Jackson; purser, Jno. McDon, all.

Passengers—Twenty-seven or thirty shantymen, names as yet unknown, Wm. Christie (newly married) and wife, Collingwood; Wm. Clinton, Cincinnati, Ohio; A. Bowse, Mr. Shipp, Mr. Duncan and son, Hamilton; J. Martin, Collingwood; a man named Kerr, and family, of Limehouse, Ont.; W. B. Gallagher, Manitowaning; J. H. Tinkis, Manitowaning; Mr. McNabb and Miss Hanbury, Owen Sound. Mr. Sproule, of Cookstown, is supposed to have been on board. Two of the saved are D. C. Tinkis and Miss Christie, who have not yet reached here from Parry Sound.

SURE, safe and effectual, that old remedy, Downs' Elixir, for the cure of coughs and colds.

MR. C. W. Macully, Pavilion Mountain, B.C., writes: "Dr. Thomas' Electric Oil is the best medicine I ever used for Rheumatism. Nearly every winter I am laid up with Rheumatism, and I have tried nearly every kind of medicine without getting any benefit, until I used Dr. Thomas' Electric Oil. It has worked wonders for me, and I want another supply for my friends."

OF all the ills that flesh is heir to kidney disease is the most distressing. To sufferers, we can only say, take Dr. Van Buren's Kidney Cure at once, and thus obtain a relief you cannot find elsewhere. All druggists have it.

BEAUTIFUL hair is one of the most striking and pleasing of characteristics and can easily be obtained by the use of the Cingalese Hair Renewer. Sold at 50 cents by all druggists.

LATE MANIFESTATION.

A Sensation in Athlone—The Knock Experiences Outdone—Dead, Dumb and Lame Made Whole.

A sensation in connection with certain appearances in the Roman Catholic Church has been created in Athlone which almost rivals that which took place some three years ago, consequent upon apparitions at the Church of Knock. It appears that between dusk and night fall on Sunday, after the religious services for the day had concluded, several persons, principally females, remained in the edifice, and while engaged at their devotions a number of them state they were the observers of the following wonder: A bright shining light, almost dazzling in its effect, shone on the roof, immediately above the statute of the Blessed Virgin, which occupies a position on the right hand side of the altar. Through this gleam of light there ascended a shower of stars which surrounded the Virgin's head. The statute then assumed an animated appearance—the eyes rolled from side to side, the lips moved as if in the act of speaking, the arms were raised and the hands clasped, as if in the attitude of blessing the people present. These appearances were observed by different persons at the same time, and who occupied positions distant from each other in the Church. A great many others who were present say that they did not observe the manifestation described. In a brief period, the intelligence of the marble statute becoming a living body, spread with remarkable rapidity, and crowds of people quickly made their way to the Franciscan Chapel. In about a quarter of an hour from the spreading of the news, the church and its approaches were thronged with excited people of both sexes. Yesterday the figure was again unveiled, and the building was densely packed during the entire day. Many of the people state that yesterday they observed the same manifestations described as having taken place on Sunday evening. In the Franciscan Church on Sunday evening, Monday night and Tuesday, the chapel was densely crowded. Hundreds of deaf, dumb and lame individuals have taken up their quarters near the place in expectation of being made whole. It is stated that a monk connected with the convent saw the appearances already described on the 15th August, but considered it judicious to keep the matter a secret until Sunday night.

Rheumatism and Stiffness.

SIR—I have great pleasure in giving testimony to the efficacy of your Electric Belts, Bands and Insoles, having been afflicted with Rheumatism for thirty years. When I purchased the Belts, etc., last summer, I could scarcely walk, but now I am well, although in my seventy-sixth year.

THOMAS JAMIESON, J. P.

Sold by W. J. Wilson, at the Pharmacy, Heath & Gunn's old stand.

PROCLAIMED far and wide that Dr. Van Buren's Kidney Cure not only immediately relieves all kidney disease, but what is more important to the unfortunate sufferer, will ultimately cure him effectually.

The safest, best and cheapest medicine in the world is Dr Carson's Stomach and Constipation Bitters. Sold in large bottles at 50 cents by all druggists. H Wade, agent.

THE Rock on which many a constitution goes to pieces is Dyspepsia. The loss of vigor which this disease involves, the maladies which accompany it, or which are aggravated by it, the mental despondency which it entails, are terribly exhaustive of vital stamina. Its true specific is Northrop & Lyman's Vegetable Discovery and Dyspepsia Cure, which likewise overcomes bilious maladies, female ailments, and those coupled with impurity of the blood.

THE statesman, financier, railway king, speculator, stock gambler or business man, when the "delirium of greatness" fastens itself upon him, is in great danger of falling from over-stimulation and over-working of the brain, and, sooner or later, the wear and tear must show itself in impairment of power of the great organ which controls the frame work of the body. The remarkable restoring power of WHEELER'S PHOSPHATES AND GALVANIA has saved many notable cases suffering from atony of the brain.

The prescription of a skilfull physician and composed of vegetable drugs of great remedial power, Dr. Carson's Stomach and Constipation Bitters purify the blood, give tone and vigor to the system, cures dyspepsia and indigestion when all other medicines fail. Have you tried it? Sold by druggists, 50 cents a bottle. H. Wade agent.

JOSEPH RUSAN, Percy, writes: "I was induced to try Dr. Thomas' Electric Oil for a lameness which troubled me for three or four years, and I found it the best article I ever used. It has been a great blessing, to me."

A Good Send-off

The St. Vincent, Minnesota, *Herald* says that another pleasant party there has been a rousing exponder of the good will felt among the railroad boys, one toward another. A jovial company of about a hundred assembled at the Canada Hotel, to do honor to J. Q. Gordon, head clerk in the Canadian Pacific office there, late of Kingston, who has accepted a more lucrative one in the Canadian Custom Department at Emerson. E. N. Edmunds presided. After the health of the guest had been drank Mr. Gooding spoke in a very complimentary terms of Mr. Gordon's clerical abilities, of his pleasing genial and unselfish demeanour. He then presented him with an elggant gold watch and chain as a token of regard and esteem of his many friends.

The *Herald* adds: "Mr. Gordon was one of the pioneer railroaders of St. Vincent—one of the "old brigade" who, without disrespect to the present employees, were as jovial and good hearted a lot as ever associated together. They always 'got there' with their work. In new fields and pastures green may he always get there.
