ROADS. -The Victoria road is in fair in short there are stretches of from a half to two miles that are not safe to half to two miles that are not safe to travel, and except it gets a thorough repairing the money expended in opening it out is literally thrown away. It was badly built at first and would require a large appropriation to make it it for travel.

A BEAR KILLS A COW.—A few days ago a man by the name of Little, who lives about six miles west of this place, went out about sundown for the purpose of bringing home his cattle from the wood where they had been feedling, but his consternation can be inserted in the consternation can be more easily imagined than described.

FAREWELL SERMON.—The Rev. R. McCullough, Methodist Minister, purpose of bringing home his cattle preached his farewell sermon in the Prestyterian Church in this village on feeding, but his consternation can be Crossell that he has the ordered partity filling the ordered partition of the last the hold and putting out the engine from lendery known as professions. There were a number of men on the lower deck and three ladies in the lower deck and three ladies in the lower deck and three ladies in the caling it is not never to the cabin at the time. Mr. Roglish rushed to the cabin at the time of the cabin at the time. Mr. Roglish rushed to the cabin door and found the ladies seem of the country for six mining in about two feet and a half of the cabin from the ladies of the cabin door and found the ladies of the country for six mining in about two feet and a half of water, the force of the water having term of the cabin floor. He had them removed to the upper deck, where the subject of the professions are the superintendent of the Woodville mission for the last tacked one of his cows and was in the Woodville mission, for the last tacked one of his cows and was in the Woodville mission, for the last tacked one of his cows and was in the Woodville mission, for the last tacked one of his cows and was in the Woodville mission for the last tacked one of his cows and was in the Woodville mission for the last tacked one of his cows and was in the Woodville mission, for the last tacked one of his cows and was in the Woodville mission for the last tacked one of his cows and was in the Woodville mission for the last tacked one of his cows and was in the Woodville mission for the last tacked one of his cows and was in the Woodville mission for the last tacked one of his cows and was in the Woodville mission for the last tacked one of his cows and was in the Woodville mission for the last tacked one of his cows and was in the Woodville mission for the last tacked one of his cows and was in the Woodville mission for the last tacked one of his cows and was in the Woodville mission for the last tacked one of his cows and was in the Woodville mission for the last tacked one of his cows and was in the Woodville mission for the last tacked removed to the upper deck, where the short and the experiments which the support of pleasure and removed to the upper deck, where the short and the experiments were "tripping the summer months.
