DURHAM

$1000 for a teacher in a rural school is something new in S. Grey, and Mulock section, centre Bentinck, leads the way. Their teacher, Mr. Rudolph, has been re-engaged for that sum for the fall term.

Mr. Stewart McGillivray, Dornoch, had occasion to call at Mr. Alex Campbell's, upper town, on Saturday night and drew his horse and buggy to the side of the road under the trees, and got young Roy Campbell to hold it, while he went into the house. Just then along came a reckless driver in a rubber tired buggy who must have been drunk or crazy and collided with the standing buggy, breaking an axle, injuring the top and doing other damage, and had not even the grace to apologize but drove off top speed. The street was broad, no congestion of traffic and were the culprit known he would be liable to severe legal punishment.

In motoring to Toronto Monday in Mr. W. E Clark's car, Mr. S. D. Croft, G. T. R. agent, was injured in a mishap. Mr. Clark was driving and with him were Dr. Pickering, Dr. D. B. Jamieson and Mr. Croft, also a man who was getting "a lift" for a short distance. The steering gear broke, and the car out of control, turned over in the ditch. The top being up saved all from death or serious injury. Fortunately Drs. Pickering and Jamieson escaped with only slight bruises. Mr. Clark may have suffered a broken rib or two, but Mr. Croft had his left arm broken, three cords in foot cut, and quite a gash above the ankle.

After a long period of idleness owing to the decay or breakdown of the old flume, Mr. John McGowan has had for some weeks past, a force of men building a new and modern one and before the summer is over it will be in operation.—Review.

The new officer, a Mr. Carson, has a splendid record. He receives a salary of $1,300 and travelling expenses. Card of Thanks

Mrs. R. H. Henderson and family desire to express their thanks for the kindness and sympathy shown them by their many friends during the illness and death of their late husband and father at Feversham.

Recent statistics published in Germany on that country's war losses state that 1,350,000 men were killed. There are today 520,000 war widows, according to the statistics; 1,130,000 war orphans, and 500,000 maimed or consumptives supported mostly by charity. And the devilish ambition of one man was responsible for all this agony to his own people.

Will be all right tomorrow." The man laughed at the idea of so quick a recovery but found Mr. Gawley at work next morning with his both hands as though no accident had happened. So much for the man with steel bones in his arms.—Meaford Express.

EUGENIA

Eugenia's big picnic on the 25th turned out to be a great success. The day being an ideal one for picnicking people motored from all parts of the county to enjoy the sights in and around Eugenia, and incidentally to take in the big day. The conveniences of the park are a great drawing card to those fond of an outing. Everything went off fine. The foot races in the afternoon were enjoyed by young and old and the baseball, which was pulled off about 5 o'clock, was one of the best games ever played on the grounds here. The road team and Kimberley boys are both teams of good, clean sports, and a closely contested game resulted in a score 10 to 13 in favor of the road team, who bore all their own expenses and, like men, handed back the prize money, $15, to the committee for the good cause in which the picnic was given. The committee wish to thank the boys of both teams for the way they helped in making the day a success. All enjoyed the speaking in the afternoon, and we hope to have Col. Carmichael and Dr. Leeson with us at the unveiling of our monument, which will take place sometime in the early fall. It was a great disappointment to all that Hon. Mr. Drury was unable to be with us, but we hope to have him with us also on the above occasion. The picnic was carried out splendidly. The W. I. supplied tea at the kitchen, dishes, etc., for the convenience of visitors.

The concert in the evening in the was the crowning success of the day. Mr. McVicar of London filled the chair with his usual ability. We listened with great pleasure to the splendid address of Mr. Cooper of the Department of Agriculture, Markdale, and our Co. Warden Morrison of Osprey. Talent from Shelburne, Markdale and local talent put up a program worth driving miles to hear, and was greatly enjoyed by all. The proceeds of the day amounted to $283 69.
