RHEUMATISM!

Latimore, Ont., Sept. 20, 1881.

Dear Sir:—I write to inform you that your RHEUMATIC CURE has made some most remarkable cures, which seemed to baffle the efforts of some of the best and most experienced physicians in our country. Were it necessary I could give the names of many individuals who have been cured by taking this medicine. In my own case it has certainly worked wonders in curing me of the Rheumatism, after having been troubled with it for years. I am not one to recommend anything to the favorable consideration of the afflicted until I have first experienced the benefit of it myself. Having done this I can unhesitatingly declare that for Rheumatism there is no remedy that can afford such speedy relief as your preparation for Rheumatism. Yours, &c.,

Ayer's Hair Vigor.

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

Advancing years bring sickness, care, disappointment, and hereditary predisposition all turn the hair gray, and either of them incline it to shed prematurely.

AYER'S HAIR VIGOR by long and extensive use, has proven that it stops the falling of the hair immediately; often renews the growth; and always surely restores its color when faded or gray. It stimulates the nutritive organs to healthy activity, and preserves both the hair and its beauty. Thin, brashy, weak or sickly hair becomes glossy, pliable and strengthened; lost hair regrowing with lively expression; falling hair is checked and stabilized; thin hair thickens, and faded or gray hair resumes their original color. Its operation is sure and harmless. It cures dandruff, heals all humors, and keeps the scalp cool, clean and soft—under which conditions, diseases of the scalp are impossible.

As a dressing for ladies' hair, the Vigor is praised for its grateful and agreeable perfume, and valued for the soft lustre and richness it lends to the hair.

CRIMINALITY OF SEDUCTION

A Heartless Case at Picton Humiliating Result of Improper Intimacy. A Jury's Award.

There is a discussion going on at Picton at the present time as to the expediency of making seduction a criminal offence. We give all the facts of one of these cases, tried there before Chief Justice Haggarty. Mary Miller, who is now twenty years of age, formerly lived with a family in Deseronto, in 1879, and became acquainted with Robert Nailer. They became very intimate. He played the role of a lover generally, going so far as to assume the poetical and indite tender lines. On the first Sunday in May the defendant proposed marriage to Miss Miller, who accepted, and it was thereafter current gossip in the vicinity that they were engaged. The plaintiff's child was born in May of this year.

Hampton Miller, father of the girl, said: In May, 1880, my wife and daughter told me about the latter's engagement with Robert Nailer. He made frequent visits to our place. On the 2nd October I learned that my daughter was with child, and I went at once to see the defendant. I said to him, "I understand you are the seducer of my daughter." He says, "Yes, I am sorry for it." He said he intended to marry her. I wanted him to do so right away. He said he would let me know in the evening, as he wanted to talk to his mother. Two weeks after I saw him again, and he said he would marry the girl.

James Jones testified that defendant said to him that he was the father of the child, that he had promised to marry her, and that he would have done so but for his mother.

Defendant's counsel tried to make capital for the jury out of what might be called a confession on the part of Miss Miller. This confession, however, not only did not have the desired effect on the jury, but on the contrary, it convinced them of the girl's sincere attachment to her lover. It was to the effect that she told him of a former indiscretion into which she had been forced.

Re-examined:

Q.—How did you come to tell him that? A.—I said I loved him with all my heart, and that I would not deceive him. "That makes no difference," said he. "I think the more of you for telling me."

The jury found a verdict for plaintiff, damages $150.

President Arthurs is one of the co-proprietors of the Metapedia fisheries. It is said that his name is inscribed on the electoral lists of Bonaventure county.

The exempted property in the city is valued by the Assessment Commissioners at $10,196,650. Of this amount $8,973,-300 is stated to be Government property.

The war with Afghanistan cost India about $95,000,000 and brought her not one dollar's worth of actual profit. To meet this drain the British Government relies upon the taxes and the exportation of opium. Last year, 1880-81, this drug yielded about $40,000,000.

Worthy of Praise.

As a rule we do not recommend Patent Medicines, but when we know of one that really is a public benefactor, and does positively cure, then we consider it our duty to impart that information to all. Electric Bitters are truly a most valuable medicine, and will surely cure Biliousness, Fever and Ague, Stomach, Liver and Kidney Complaints, even when all other remedies fail. It checks perpetual decay of the teeth, completely removing tartar from their surfaces, interstices and cavities, whitening them, rendering the gums healthy and coralline and the breath as balmy as the odor of flowers. The most miserable beings in the world are those suffering from dyspepsia and liver complaint. More than seventy-five per cent of the people of the United States are afflicted with these two diseases, such as sour stomach, sick headache, habitual costiveness, palpitation of the heart, heartburn, waterbrash, gnawing and burning pains at the pit of the stomach, yellow skin, coated tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, &c. Cost of Garfield's Sickness.

The cost of President Garfield's sickness and funeral has been footed up. The estimated cost of the sickness of 85 days' duration is $100,000, or $1,250 a day. Over $50,000 of this will go to the doctors. Of this amount Dr. Bliss wants $25,000, Drs. Agnew and Hamilton $12,000 each, Dr. Rayburn $8,000, and Mrs. Dr. Edson $1,000. Drs. Woodward and Barnes will get nothing, unless Congress chooses to recognize their services as being not strictly in the line of their duty as army officers. The State of Ohio pays all expenses of transportation of body, escort, etc., after passing State line, estimated at $24,000. The expenses at Cleveland were $288,-650, and the total outlay will be over $347,650, of which the United States will pay $100,000, leaving $247,650 for Ohio, Cleveland and private individuals.

Prince Edward Assizes.

The Picton Fall Assizes opened on Tuesday before Chief Justice Haggarty, the Crown being represented by B. M. Britton, Q.C., of Kingston. The civil docket only contained two cases, one of ejectment, and one of seduction. The Sheriff's calendar was a blank, accompanied by the usual white gloves.

Biggar et al. v. Wilson et al., an ejectment suit, was easily disposed of, a verdict by consent being entered for the plaintiffs.

Miller v. Naylor, a seduction action, was fully proved. Both parties reside at Deseronto. A verdict was returned for the plaintiff, damages $250.

Charlatans and Quacks.

Have long plied their vocation on the suffering pedals of the people. The knife has pared to the quick; caustic applications have tormented the victim of corns until the conviction shaped itself, there's no cure. PUTNAM'S PAINLESS CORN EXTRACTOR proves on what a slender basis public opinion often rests. If you suffer from corns get the Extractor and you will be satisfied. Sold by all Druggists in Kingston and by N.C. Polson & Co., Agents for Ontario.

Puttner's Emulsion.

The medicinal properties of Cod Liver Oil have long been recognised as superior to any of the agents employed in the cure or arrest in the incipient stages of affections of the throat, lungs, etc. Modern science has taught that this valuable substance may be advantageously combined with phosphorus, iron, lime, soda and other medicinal articles in such a way as to make each and all more thoroughly effective than if employed alone. Dr. Puttner had made the matter of combining these elements a study, and has evolved from his studious experiments the combination which he denominates "Puttner's Emulsion of Cod Liver Oil." In another column will be found his advertisement, accompanied by certificates as to its merits which cannot be doubted. A careful perusal of these is invited. A trial of the Emulsion can be made through J. G. King Kingston, or other druggist.
