Pattison--Ufland

Miss Sue Ufland of St. Vincent, daughter of Mr. and Mrs. Jos. Ufland, was married on Tuesday, June 22, to Mr. Jay Pattison of Ceylon, by the Rev. Mr. Barbour of the Presbyterian church, in the presence of the immediate relatives. The bride was beautifully gowned in white satin with real lace trimming, and she carried a bouquet of American Beauty roses. After the wedding breakfast Mr. and Mrs. Pattison motored to Flesherton where they entrained for Niagara Falls and Buffalo. They will reside in Toronto.

Changes In Game Act

Some important changes have been made by the Provincial Government in the Game and Fisheries Act, which became effective on June 1st. The hunting season for moose, deer or caribou, north and west of the French and Mattawa Rivers is from 25th October to 30th November, both days inclusive. This is longer than the law previously allowed for deer.

Partridge may be shot between the 5th and 20th of November only, and no person shall take, kill or have in his possession more than five birds in any one day, and no more than ten for the season.

No muskrat shall be shot or speared at any time, nor shall any muskrat or beaver house, or beavar dam be cut, speared, broken or destroyed at any time. No trap must be set closer than five feet from a muskrat or beaver house.

Another important change, affecting chiefly those who hunt with dogs, is that no person shall hunt, kill, take or molest any deer or moose while in the water.

Judgment Against Township

Tom Sandlos, a Hanover grocer, who struck a defective culvert with his car, and was injured when his auto turned turtle into the ditch on the 30th sideline, Brant, at Frank Fisher's farm, while motoring to a dance at Chesley on the night of Oct. 23rd, was awarded $500 damages and costs against the township in an action argued before Judge Klein in Walkerton on Monday and Tuesday last. It seems that the big 5 ton truck of John Diestein, the Elmwood sawmiller, had passed that way a short time before with a load of logs, and as this machine has a habit of destroying roads and damaging culverts, it is believed that it crushed in the big cement tile in the culvert, and left an opening into which the front wheel of Sandlos' Ford runabout later dropped when he brushed along, bound for the dance. The wheel was knocked off the flivver and every spoke rent from the rim. After travelling about 10 or 12 feet further the auto lurched over into the ditch and pinned Sandlos under the wreck. He sustained a broken rib and an injury to his knee from which floating cartilage ensued. He was also badly bruised and shaken up, and might have perished on the spot had not his seat mate, Mr. Hahn, who was thrown clear of the wreck, come to his assistance and lifted the vehicle off him. He was confined to his bed for a considerable time after the mishap, and claims he isn't over the effects of the disaster yet. Sandlos sued for $5000 damages for injuries to himself and car, and a brisk legal combat about Brant's liability in the matter was waged between Lawyer Klein for the plaintiff and D. Robertson, K. C, for the township. The Judge, however, held that the township was bound to keep the road in a reasonably safe state for public travel, and as it apparently hadn't done so in this case, he gave a verdict of $500 and costs against the municipality.—Bruce Herald and Times.
