The Income Question.

The case of Cartwright vs. Thompson came up for trial at Ottawa last week. This was an action of replevin brought by the Hon. R. J. Cartwright against the City Collector to establish his right to certain goods seized in 1876 by the Collector for taxes upon the income of Mr. Cartwright derived by him from all sources. The main question involved was whether Mr. Cartwright had such a residence in Ottawa as entitled the city to compel him to pay taxes on his income. The contention of the plaintiff was that Mr. Cartwright's residence was in Kingston, and that he was liable to assessment there for his income, and had, in fact, been compelled to pay taxes in that place, that though he occupied a house here, his residence was where his wife and family lived, and that he was merely a temporary occupant of the premises leased by him in this city. The defendant claimed that Mr. Cartwright was such a resident of this city as to be subject to payment of all ordinary taxes; that his having an office in this place and spending the greater part of his time here was sufficient to establish the fact of his residence here. The defendant further contended as a matter of law that Mr. Cartwright was obliged to take the usual course of appeal against his assessment; that he had not taken this course and consequently could not sustain an action of this kind. The jury brought in a verdict that they found that Mr. Cartwright was a resident of the city in 1876 and Mr. Justice Armour accordingly entered a verdict for the defendant. Leave has been granted the plaintiff to have the case tried by a full court at Toronto.

A HINT FOR THE SPRING.—Now that the season for the active labors of the farm and garden has arrived, it is well to recall the fact that an early start will win, all other things being equal. He who was first in the field, and who was on the look-out for new improved varieties of seed, was the first in the market and had something new and better than usual to show, and consequently received the top price. This advantage once gained, runs through the whole season, and as step follows step, so the first being in advance, the last keeps its place, as well as the intermediate ones. So we see our neighbor at work in his drained field, while our plow may be idle on account of sodden soil and water-soaked lands. These lessons are taught year after year, and some learn them, but others do not, and perhaps some never will.

NERVILINE is a positive necessity to those who are subject to nerve pains on exposure to cold; Nerviline at once penetrates through the skin to the source of pain; Nerviline is one of the most certain remedies for neuralgia, affording speedy relief to the sufferer; Nerviline has been used by hundreds in Kingston and vicinity from whom it has received the highest praise. DAY'S EXTRACT OF MALT.

An Efficient Assimilator.

ACKNOWLEDGEMENT FROM A MEMBER OF UNIVERSITY (TORONTO) SENATE.

KINGSTON, April 9th, 1879.

These are to certify that during the past eleven years, I have been at least once a week incapacitated from any kind of work, from very severe headache, arising partly from indigestion and partly from Neuralgia. About five weeks ago I began to use Dr. Day's Extract of Malt, and since that time I have not had a single attack. I consider it a most valuable assimilator, aiding and assisting very actively in digestion. It is no medicine, but a pure unadulterated food, and has done me more good than anything else I have ever tried.

THE GREATEST
WONDER OF MODERN TIMES

HOLLOWAY'S PILLS & OINTMENT

The Pills purify the Blood, correct all disorders of the Liver, Stomach, Kidneys and Bowels, and are invaluable in all Complaints.

The OINTMENT is the only reliable Remedy for Bad Legs, old wounds, sores and Ulcers of however long standing. For Bronchitis, Diptheria, Coughs, Colds, Gout, Rheumatism and all skin diseases it has no equal.

BEWARE of AMERICAN COUNTERFEITS.

I most respectfully take leave to call the attention of the public generally to the fact, that certain houses in New York are sending to many parts of the globe SPURIOUS IMITATIONS of my Pills and Ointment. These frauds bear on their labels some address in New York.

I do not allow my Medicines to be sold in any part of the United States. I have no Agents there. *My* Medicines are only made by me, at 533, Oxford Street, London.

In the books of directions affixed to the spurious make is a caution, warning the public against being deceived by counterfeits. This not be mistaken for this audacious trick, *as they are the counterfeits they pretend to denounce.*

These counterfeits are purchased by unprincipled Vendors at one half the price of my Pills and Ointment, and are sold to you as my genuine Medicines.

I most earnestly appeal to that sense of justice which I feel sure I may venture upon asking from all honourable persons, to assist me, and the public as far as may lie in their power, in denouncing this shameful fraud.

Each Pot and Box of the Genuine Medicines bears the *British Government Stamp*, with the words "HOLLOWAY'S PILLS AND OINTMENT," thereon. On the label is the address, 533, Oxford street, London, where alone they are Manufactured.

☞ Holloway's Pills and Ointment bearing any other address are counterfeits.

The Trade Marks of these Medicines are registered in Ottawa. Hence, any one through out the British possessions, who may keep the American counterfeits for sale, will be prosecuted. Signed,

THOMAS HOLLOWAY.

DR. J. COLLIS' BROWNE'S CHLORODYNE.

THE ORIGINAL AND ONLY GENUINE.

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best known remedy for Coughs, Consumption, Bronchitis and Asthma

CHLORODYNE effectually checks and arrests those too often fatal diseases, Diptheria Fever and Croup, Ague.

CHLORODYNE acts like a charm on Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, &c.

From W Vesalius Pettigrew, M.D., formerly Lecturer at St George's Hospital, London—"I have no hesitation in stating that I have never met with any medicine so efficacious as an Antispasmodic and Sedative. I have used it in Consumption, Asthma, Diarrhœa and other diseases, and am perfectly satisfied with the results."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla to the effect that cholera has been raging fearfully, and that the only remedy of any service was CHLORODYNE."—See *Lancet*, 1st December, 1978.
