SATURDAY NIGHT.

Fortune dreads the brave, and is only terrible to the coward.

Greatness may build the tomb, but it is goodness that makes the epitaph.

The flower which we do not pluck is the only one which never loses its beauty or its fragrance.

Make yourself an honest man, and then you may be sure that there is one rascal less in the world.

It is from our hearts, and not from an outward source, that we draw the lines which color the web of our existence.

If you wish to preserve harmony in your family the great secret lies in being sometimes blind to the things you do not care to hear.

Good breeding is a guard upon the tongue; the misfortune is that we put it on and off with our fine clothes and visiting faces, and it is not wear it where it is most wanted—at home.

Help and give willingly when you have anything, and think not the more of yourself, and if you have nothing keep the cup of cold water always at hand, and think not less of yourself.

If you have talents industry will improve them; if you have moderate abilities, industry will supply the deficiencies. Nothing is denied to well directed labor; nothing is ever obtained without it.

We bury our youth, our health, and our strength, and we only come to grief when we try to resuscitate the dead, and forget the chain of years that has been forged between them and us.

As the tree is fertilized by its own broken branches and falling leaves, and grows out of its own decay, so men and nations are bettered and improved by trial, and refined out of broken hopes and blighted expectations.

Chemists tell us that a single grain of the substance called iodine will impart a color to 7,000 times its weight of water. It is so in higher things—one companion, one book, one habit may affect the whole life and character.

The history of the world teaches us no lesson with more impressive solemnity than this: that the only suffrage of a great intellect is a pure heart; then evil no sooner takes possession of the heart than folly commences the conquest of the mind.

Enjoy the present, whatever it may be, and not be solicitous of the future; for if you take your foot from the present standing and thrust it forward to tomorrow's events, you are in a restless condition; it is like refusing to quench your thirst by fearing you will want to drink next day.

Accustom yourself to think vigorously. Mental capital, like pecuniary, to be worth anything, must be well invested—must be rightly adjusted and applied, and to this end careful, deep, and intense thought is necessary if great results are looked for. There is no such thing as standing still in this world. Change is the eternal law of nature.

These things are often unknown to the world; for there is much pain that is quite noiseless, and vibrations that make human agonies as mere whispers in the roar of hurrying existence. There are glances of hatred that stab and raise no cry of murder; robberies that leave man and woman for ever beggared of peace and joy, yet kept sacred, by the sufferer.

The most agreeable companion is a simple, frank man, without any high pretensions to an oppressive greatness; one who loves life, and understands the use of it; obliging alike at all hours; above all, of a golden temper, and steadfast as an anchor. For such an one we gladly exchange the greatest genius, the most brilliant wit, the profoundest thinker.

A Gentle Hint.

In our style of climate, with its sudden changes of temperature—rain, wind and sunshine often intermingled in a single day,—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting directly from this cause. A bottle of Boschee's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. For curing consumption, hemorrhages, pneumonia, severe coughs, croup, or any disease of the throat or lungs, its success is simply wonderful, as your druggist will tell you. German Syrup is now sold in every town and village on this continent. Samples bottles for trial, 10c.; regular size, 75c.

THE National Pills are a new and successful combination of vegetable extracts for the cure of bilious diseases, head-ache, costiveness, indigestion and bad breath. They act on the liver, giving it tone and vigor. They are the great blood purifier. They are the most perfect and thorough purgative ever discovered. They are mild in their action, not producing any griping pains, or do not leave the bowels costive after their use. They produce a general and harmonious action throughout the whole system, giving tone and energy to the digestive organs. This safety, mildness and efficacy should recommend them to all desiring a reliable family pill.

NERVILINE is a positive necessity to those who are subject to nerve pains on exposure to cold; Nerviline at once penetrates through the skin to the source of pain; Nerviline is one of the most certain remedies for neuralgia, affording speedy relief to the sufferer; Nerviline has been used by hundreds in Kingston and vicinity from whom it has received the highest praise. Nerviline can only be procured from N. C. Polson & Co., druggists. Try Nerviline, the new family remedy for pain.

However quickly a patient may recover and approach towards robust health, by the use of Fellows' Hypophosphites he must abolish the habits of life which induced the disease; the effect of the greatest triumph in medicine can only be transitory, while man persists in the gratification of vicious or pernicious habits.

WAX FLOWER WORK.—We have made further additions to our stock of requisites for wax flower work, making it the most complete in Central Canada. Sheet wax in white, green, yellow, carmin, and varigated; extra fine cake wax for modelling, gilt leaf and modelling moulds, stamens, fine colors, wires, moss, etc.—N. C. Polson & Co., druggists, first door above Opera House.

☞ The efficacy of Bryan's Pulmonic Wafers in curing Coughs, Colds, and all Bronchial Affections, and cheering the afflicted, has passed into a proverb. In the United States, where these marvellous Wafers are known, they beat down all opposition and eclipse all rivals; the demand for them has steadily increased for the last twenty years, until now the sales average over one hundred thousand boxes a year. Eminent members of the medical profession without number admit that they know of no preparation producing such beneficial results as these Wafers. When taken in season they effect a permanent cure. Sold by all druggists and country dealers at 25 cents per box.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a receipt that will cure you, FREE OF CHARGE. BENSON'S CAPCINE POROUS PLASTER.
A Wonderful Remedy.

There is no comparison between it and the common slow acting porous plaster. It is in every way superior to all other external remedies including liniments and the so-called electrical appliances. It contains new medicinal elements which in combination with rubber, possess the most extraordinary pain subduing, strengthening and curative properties. Any Physician in your own locality will confirm the above statement. For Lame Back, Rheumatism, Female Weakness, Stubborn and Neglected Colds and Coughs, diseased Kidneys, Whooping Cough, affections of the heart, and all ills for which porous plasters are used, it is simply the best known remedy. Ask for Benson's Capcine Porous Plaster and take no other. Sold by all Druggists. Price 25c., 5 for $1. Sent on receipt of price, by Seabury & Johnson, 21 Platt Street, New York.

ELECTRICITY.

Thomas' Excelsior Electric Oil.

Worth Ten Times its Weight in Gold—Pain cannot stay where it is used!

It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured Bronchitis. Fifty cents worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents worth has cured crick in the back, and the same quantity lame back of eight years standing. It cures swelled neck, tumors, rheumatism, neuralgia, contraction of the muscles, stiff joints, spinal difficulties and pain and soreness in any part, no matter where it may be, nor from what cause it may arise, it always does you good. Twenty five cents worth has cured bad cases of chronic and bloody dysentery. One tea spoonful cures colic in fifteen minutes. It will cure any case of piles that it is possible to cure. Six or eight applications is warranted to cure any case of excoriated nipples or inflamed breast. For bruises, if applied often and bound up, there is not the slightest discoloration to the skin. It stops the pain of a burn as soon as applied. Cures frosted feet, boils, warts and corns and wounds of every description on man or beast.

BEWARE OF IMITATIONS.—Ask for Dr. Thomas Eclectric Oil. See that the signature of S. N. Thomas is on the wrapper, and the names of Northrop & Lyman are blown in the bottle, and TAKE NO OTHER. Sold by all medicine dealers. Price 25c. NORTHROP & LYMAN, Toronto, Ont., proprietors for the Dominion.

Professor Dupuis' opinion of the above named medicine, as a CHEMICAL COMPOUND, is as follows:

"I have carefully examined the composition of a Tonic Compound known as the STANLEY ETHIOPIC ELIXIR, and have found its ingredients to be wholly vegetable, and of reputed medicinal value. It contains no incompatibles, no mineral or other poisons, and it might be taken in even abnormal doses without producing serious consequences. I believe it to be thoroughly safe and reliable, as far as it is a Chemical Compound." (Signed) N. F. DUPUIS, Professor of Chemistry, Queen's College, Kingston, Ont.

DAY'S EXTRACT OF MALT.
An Efficient Assimilator.
ACKNOWLEDGEMENT FROM A MEMBER OF UNIVERSITY (TORONTO) SENATE.
KINGSTON, April 9th, 1879.
These are to certify that during the past eleven years, I have been at least once a week incapacitated from any kind of work, from very severe headache, arising partly from indigestion and partly from Neuralgia. About five weeks ago I began to use Dr. Day's Extract of Malt, and since that time I have not had a single attack. I consider it a most valuable assimilator, aiding and assisting very actively in digestion. It is no medicine, but a pure unadulterated food, and has done me more good than anything else I have ever tried.
