A GREAT MISTAKE.—The generally entertained notion that if the stomach or any internal organ is oppressed, pain will be felt in the organ itself, is altogether fallacious. Many of the worst dyspeptics never feel any uneasiness about their stomachs. Pain is invariably felt in the weakest and most sensitive organ, and many an aching head, palpitating heart and oppressed brain are the result of a small slice of cake, or a few lumps of sugar, or a piece of pie or some other indigested or indigestible stuff that is fermenting in a stomach too much callousedby abuse to give direct evidence of the poisons it wishes to reject. Thus writes one of our most distinguished physicians who has made stomachic troubles his specialty for more than thirty years. And he is right. The proper thing to do is to use DR. HERRICK'S SUGAR COATED PILLS and infuse new life into the stomach, while expelling the debris lodging there. The most delicate stomach will retain them and they never fail to do their work. Try them.

NERVILINE is a positive necessity to those who are subject to nerve pains on exposure to cold; Nerviline at once penetrates through the skin to the source of pain; Nerviline is one of the most certain remedies for neuralgia, affording speedy relief to the sufferer; Nerviline has been used by hundreds in Kingston and vicinity from whom it has received the highest praise. Nerviline can only be procured from N.C. Polson & Co., druggists. Try Nerviline, the new family remedy for pain.

WAX FLOWER WORK.—We have made further additions to our stock of requisites for wax flower work, making it the most complete in Central Canada. Sheet wax in white, green, yellow, carmin, and variegated; extra fine cake wax for modelling, gilt leaf and modelling moulds, stamens, fine colors, wire, moss, etc.—N. C. Polson & Co., druggists, first door above Opera House.

EVERY WOMAN HER OWN DYER.—If you want to produce brilliant and durable colors use Mrs. Freeman's new domestic dyes. Samples of colors to be seen at King's Drug Store, Market Square, where the dyes are for sale. Milburn, Bentley & Pearson Proprietors, Toronto

ELECTRICITY! THOMAS' ECLECTRIC OIL! WONDER THAT THINGS RE WRONGT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents worth has cured crick in the back, and the same quantity lame back of eight years' standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most sceptical: J. Collard, of Sparta, Ont. writes, "Send me 6 dozen Dr. Thomas' Eclectric Oil, have sold all I had from you, and want more now, its cures are truly wonderful." Wm McGuire, of Franklin, writes, "I have sold all the agent left, it acts like a charm—it was slow at first, but takes splendidly now." H. Cole, of Iona, writes, "Please forward 8 dozen Thomas' Eclectric Oil. I am nearly out, nothing equals it. It is highly recommended by those who have used it." J. Bopford, Thamesville, writes, "Send at once a further supply of Eclectric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction." J. Thompson, Woodford, writes, "Send me some more Eclectric Oil. I have sold entirely out Nothing takes like it." Miller & Reid, Ulverton, P. Q., writes, "The Eclectric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay."

BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Eclectric Oil. See that the signature of S. N. Thomas is on the wrapper, and the names of Northrop & Lyman are blown in the bottle, and Take no other. Sold by all medicine dealers. Price 25 cts. NORTHROP & LYMAN, Toronto, Ont., Proprietors for the Dominion.

"I have carefully examined the composition of a Tonic Compound known as the STANLEY ETHIOPIC ELIXIR, and have found its ingredients to be wholly vegetable, and of reputed medicinal value. It contains no incompatibles, no mineral or other poisons, and it might be taken in even abnormal doses without producing serious consequences. I believe it to be thoroughly safe and reliable, as far as it is a Chemical Compound." (Signed) N. F. DUPUIS, Professor of Chemistry, Queen's College, Kingston, Ont.
