High Toned Prison.

A short time ago an English solicitor named Ward intimated to a person interested in the construction of a bridge across the Thames that Griswell, a client of his, would control the Parliamentary Committee for the sum of £2,000. Both parties were summoned to appear before the bar of the House of Commons. Griswell sent word from Boulogne that he was too unwell to travel, but Ward appeared and was condemned to imprisonment in the Clock Tower during the pleasure of Parliament. He occupies a dining room, a sitting room, and three bedrooms; can receive friends as often as he likes, provided one come at a time. He can have all the delicacies of the Parliament table if he pays for them. The only thing that disturbs his serenity is the toling of Big Ben. G. M. Mitchell and two others were imprisoned here in 1865 for forgery, and Poppleton was confined in 1866 for an election offence. This custom of imprisoning for contempt is falling into disuse and disfavour.

DYSPEPSIA.—A celebrated medical writer says that one of the unerring indications of dyspepsia is the peculiar sensitiveness of those afflicted with it, to a discussion on that subject. If you intimate to people troubled with sick headaches, sour stomachs, heartburn, waterbrash, foul breath and bad taste in the mouth, that they are all the effects of dyspepsia, they indignantly deny the accusation as to their individual cases, and assure you in the most solemn manner that their stomachs are capable of digesting every kind of food, and nothing they eat disagrees with them. They are willing to admit that they frequently get bilious, and their livers become torpid and out of order, but the idea of their digestive organs being impaired or deranged is perfectly preposterous. Dyspepsia and biliousness are synonymous terms, and both are caused by overeating or by improper and irregular eating. The safest remedy in such cases is DR. HERRICK'S SUGAR COATED PILLS, which remove the obstruction and allow nature to effect the cure.

NO MORE DARK DAYS.—There has been continual rejoicing among the afflicted since the first introduction of Arnica and Oil Liniment. Not only is it a sovereign balsam for the superficial hurts and external diseases of Horses, Cows, Oxen, Sheep, and household quadrupeds, but also for Stiff Joints, Cramps, Muscular Contractions, Frost Bites, Whitlows, Burns, Scalds, and other painful conditions of the flesh, tendons and integuments, to which human beings are liable. A few applications, if taken in season, will save you days of suffering and pain, as well as the delay caused by neglect. Remember, it has no equal as a Horse Liniment. Price—25 and 50 cents per bottle.

LAUGH AND GROW FAT.—It's all very well to talk about growing fat, but to absolutely fatten up at your own option is quite another thing. But it can be done, though. Scott's Emulsion of Pure Cod Liver Oil with the Hypophosphites of Lime and Soda will surely add fat to the muscles and strength to the system. Besides, if the lungs or any of the bronchial tubes should, perchance be affected, it will thoroughly root out those seeds of consumption. It is the most invaluable medicine extant, and no household should be without it. It is also perfectly palatable.

When we consider that Fellows' Compound Syrup of Hypophosphites supplies the deficiency to unhealthy blood, restores the nervous element, and produces healthy action to the various organs and forces of the body necessary to sound mind, we wonder at the imbecility everywhere apparent.

☞ NASAL CATARRH, (no matter of how long standing,) a cold in the Head or Throat, Difficult Breathing, Dizziness, Headache, Deafness, Watery Acrid and Purulent Discharges from the Head and Throat, Stopping, Clogging, Fullness, Ringing or Roaring Noises in the Head, Constant Dropping into the Throat, disagreeable Hemming, Hawking and Spitting, Offensive Breath, and Nasal Twang. Restores the sense of Smell. Strengthens the Eyes and Voice, Cleansing and Regulating the Organs of the whole Head and Throat. It gives Immediate Relief, and a few bottles will cure the worst cases. All we ask is a fair trial to convince the most skeptical.

DR. EVONY.—*Dear Sir.* I am to day truly thankful that you have brought to my notice your very simple and efficacious "Diamond Catarrh Remedy." For many years I have suffered from the Catarrh—the disease being brought on by a too persistent effort in singing. I had laid myself "on the shelf," having received no benefit from the various nauseous remedies which I had tried. A few trials of your remedy relieved my head at once, and now after a three months' trial I am able to sing with a clearness and ease that delighted and astonished me. I wish you great success and shall not fail to recommend it wherever I see a need of its use. Respectfully yours,

PROF. W. H. TAYLOR,
Willoughby Ave., Brooklyn. Sept. 13, 1877

The Great Shoshonees Remedy.

The Great Shoshonees Remedy is an Indian vegetable compound composed of the juices of a variety of remarkable medicinal plants and herbs, the various properties of these different ingredients, when combined or so constituted as to act simultaneously upon the Blood, Lungs, Liver, Kidneys, digestive Organs, Nervous System, &c., restoring their functions to healthy action, and being purely vegetable, is as harmless as nature's own beverage. This medicine is a decided benefit in all, and a permanent cure in a large majority of diseases of the blood, such as Scrofula, Erysipelas, Salt Rheum, Canker Pimples, &c. In prescribing this medicine we do not claim that it always performs cures; but this we do say, that it purifies and enriches the blood, permanently curing a large majority of diseases arising from its impurities. It stands far ahead and unequalled among the hundreds of competing medicines at the day. It has stood the test of ten years, and is to day more popular than ever. As a summer restorative it stands unrivalled; it enables the system to bear up against the constant drain to which it is subjected by a high temperature. Persons who are subject to bilious Colic, Dysentery, indigestion, &c., should take the Shoshonees Remedy. Price of the Remedy in pint bottles $1; Pills, 25cts. a box. Sold by all medicine dealers.

A CARD.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a receipt that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self addressed envelope to the REV. JOSEPH T. INMAN, Station D, New York City.

PRESCRIPTION FREE

For the speedy Cure of Seminal Weakness Loss of Manhood, and all disorders brought on by indiscretion or excess. Any Druggist has the ingredients. Address
DAVIDSON & CO., 78 Nassau Pl., New York

Mitchell's Belladonna Improved India Rubber Porous Plaster.—There has never been a time when the healing of so many different diseases has been caused by outward application as the present. It is an undisputed fact that over half of the entire population of the globe resort to the use of ordinary plasters. They are very soft and pliable, still very adhesive; and a sure cure for Weak Backs, Pains in the Side and Breast; and are invaluable to those who have a Cold of long standing, and often prevent Consumption. Some even tell us they believe they were entirely cured by the use of them of a long seated consumption. Prepared by GEORGE R. MITCHELL, Lowell, Mass., and sold by all Druggists.

PETRIE'S EYE SALVE—As Infallible Remedy for all diseases of the Eye (acute or chronic), granulation of the lids, ulceration of the lachrymal glands, film and weakness of the vision from any cause. The *American Eye Salve* is presented to the public with the assurance of its efficiency as a curative of most diseases of the eye, acute or chronic inflammation, whether induced by scrofulous origin or otherwise, weakness or defect of vision, diminished tone of the optic nerve, or a diseased state of the tissues constituting that organ. It is used successfully for Piles. Its soothing effect is immediate and a permanent cure acquired by a few applications. Northrop & Lyman, Toronto, Agents for Canada. Sold by druggists.

THE GREATEST
WONDER OF MODERN TIMES.

HOLLOWAY'S PILLS & OINTMENT

The Pills purify the Blood, correct all disorders of the Liver, Stomach, Kidneys and Bowels, and are invaluable in all Complaints.
The OINTMENT is the only reliable Remedy for Bad Legs, old Wounds, sores and Ulcers of however long standing. For Bronchitis, Diptheria, Coughs, Colds, Gout, Rheumatism and all Skin diseases it has no equal.

BEWARE of AMERICAN COUNTERFEITS.

I most respectfully take leave to call the attention of the public generally to the fact, that certain houses in New York are sending to many parts of the globe SPURIOUS IMITATIONS of my Pills and Ointment. These frauds bear on their labels some address in New York.

I do not allow my Medicines to be sold in any part of the United States. I have no Agents there. My Medicines are only made by me, at 533, Oxford Street, London.

In the books of directions affixed to the spurious make is a caution, warning the public against being deceived by counterfeits. Do not be misled by this audacious trick, *as they are the counterfeits they pretend to denounce.*

These counterfeits are purchased by unprincipled Vendors at one half the price of my Pills and Ointment, and are sold to you as my genuine Medicines.

I most earnestly appeal to that sense of justice, which I feel sure I may venture upon asking from all honourable persons, to assist me, and the public as far as may lie in their power, in denouncing this shameful fraud.

Each Pot and Box of the Genuine Medicines bears the *British Government Stamp*, with the words "HOLLOWAY'S PILLS AND OINTMENT," thereon. On the label is the address, 533, Oxford street, London, where alone they are Manufactured.

☞ Holloway's Pills and Ointment bearing any other address are counterfeits.

The Trade Marks of these Medicines are registered in Ottawa. Hence, any one throughout the British possessions, who may keep the American counterfeits for sale, will be prosecuted. Signed,

THOMAS HOLLOWAY.
533, Oxford Street, London,
Jan. 1, 1879.
