Bell---Hale

The home of Mr. and Mrs. T. H. Hale, Sudbury, was gay with ferns and roses, the event being the marriage of Mr. Hale's sister, Elizabeth Ann, to Mr. Albert Edward Bell of Bethune, Sask., on Tuesday, June 29, at 4 o'clock p.m. The ceremony was performed by Rev. W. McDonald, pastor of St. Andrews church, and the wedding music was rendered by Miss Stubbs. The bride, who was given away by her brother, wore a becoming gown of sand taffeta, and large leghorn hat with pink scarf draping. She wore the groom's gift, a beautiful string of pearls, and carried a sheaf of pink roses. She was attended by her cousin, Miss Margaret Sproule of Collingwood, gowned in pale blue satin, with overdress of embroidered net and picture hat to match. She wore a corsage bouquet of Sweetheart roses. Mr. Fred Hale, brother of the bride, attended the groom.

Following the ceremony, baptism was administered to Helen Isobel, Mr. and Mrs. Hale's daughter, after which a dainty luncheon was served.

Mr. and Mrs. Bell left on the morning train for their western home, the bride travelling in a suit of navy blue tricotine and blue tailored hat.

Burned With Boiling Tar

A distressing accident occurred in Hanover at the new mill of Wm. Knechtel & Son, when Frank Fritz had both hands and arms up to the elbow, and also his face and neck, badly burnt with boiling tar. It appears that a load of tar was being hoisted on the elevator, and Fritz was watching it ascend. When it reached the second floor, the bucket evidently was misplaced and came in contact with the floor upsetting it upon Fritz, who was looking upward. Luckily his eyes were not affected by the boiling tar, but his face, neck and arms, which were bare, were badly burnt. Dr. Taylor dressed the wounds. The young man suffered great pain and was under morphine for some time.

Roy VanDusen of Tara was in Owen Sound on Saturday last, says the Sun Times, and when he was ready to go home about midnight the car refused to start, the battery having run down. An attempt was made to start it by putting it in gear and having it shoved ahead, but this failed. Then it was put in reverse and shoved backwards The result was that the engine started with a rush, there was no one in the car, and before anything could be done the car had backed over the curb, up on the sidewalk and against one of Woolworth's windows. Of course the window did not withstand the shock and crashed into a thousand pieces. The car was slightly damaged. Mr. Vandusen will take care of the expenses of replacing the large plate glass window.
