Taking Stock

IT is just as important to take an inventory of one's self as it is of one's business.

Ask yourself this question "If during the next five years I save the same amount I already have put by, how much will I be worth in 1925?"

Then let our Savings Department aid you in accomplishing the task.

Dr. and Mrs. Coleridge motored from their home in Windsor to Flesherton, leaving there Saturday and arriving here Sunday. They will spend a week with the latter's parents, Mr. and Mrs. D. McTavish.

The enemies of the Canada hare are many, but its most vicious enemies appear to be the tape worm and wood tick. The former destroys many old animals and the latter the young. Probably if it were not for these things our rabbits would prove as great a pest as are those of Australia. A strange incident came to our notice recently. While walking in the woods a half grown rabbit jumped from under a cedar tree and ran about eight feet, when it fell over on its side. After stepping up to it there were two small gasps and it was dead. On examination its head was found to be completely covered with wood ticks, large and small, which had sucked its life blood away until it was so weak that a small excitement completed its undoing. On other occasions we have found the full grown tapeworm in the intestines, also the tapeworm crysalis in the flesh in many instances. These form watery globules and lumps among the muscular glands. Such animals should certainly never be eaten by man or other animal.

All addresses accompanying presentations sent to us for publication should be accompanied by a dollar bill.

A number of outside visitors were present at a special meeting in the Methodist church on Friday evening. The service was of an evangelistic nature. Mr. Sharp, who held evangelistic services here last winter, was present and addressed the meeting. Two duets —one by male voices and one by female —and a cornet solo were given. Salem, Priceville and Markdale were represented.

Mr. Calvin Boyce, son of Mr. John Boyce of Osprey, returned from France on the Saturday evening train, having got his dicharge in Toronto a week ago. He had been overseas just five years, going over in July of 1915. He was with the infantry and was wounded three times. He had two brothers killed in the war, one of them at his side. Since the armistice he has been driving a car for the Graves Commission

After undergoing repairs covernig a period of nearly two weeks, the heavy road machinery brought up from Proton has been got into position and will begin full operations this week. The road has all been graded between Flesherton and Ceylon and is waiting for the stone facing. Culverts are being put in east of the village towards Rock Mills under the supervision of Mr. D. Weber of Kimberley. Mr. Purvis still hopes to get a big slice of the road to Rock Mills completed before fall.

The Durham Review nominates Miss Agnes McPhail, daughter of Auctioneer Dougald McPhail of Ceylon, as the U. F. O. candidate for the Dominion house in the coming election. It says: "This lady spoke at Yeovilie on Wednesday at the U. F. O. picnic, and so impressed her audience that she is being spoken of as the Dominion candidate for South Grey. It will be remembered that she refused the North York nomination. South Grey is her native county. 'Rah for Miss McPhail!"

Chatsworth unveiled a monument to its fallen soldiers on Thursday last. The monument is erected in the new Memorial Park directly opposite the public school grounds. It is a solid granite shaft, rough finish except on the face, where is placed the simple inscription, "To our brave boys—1914-1918." At the corner is draped a flag with a sword lying across its base, and on the base are the names of those who fell. The monument was erected by voluntary subscription and together with park and improvements cost about $5000. The surrounding municipalities assisted.

Mr. Duncan Muir, who lived between this village and the station, died very suddenly on Saturday. He had been out raking hay in the forenoon and came to the house at noon. While washing his hands he was taken with what appeared to be a faint spell. Mrs. Muir ran to door and called for help from the road gang. Some of them responded but when they got there Mr. Muir had ceased to breathe. Deceased was 66 years of age and leaves a widow but no family. The remains were interred in Priceville cemetery on Monday afternoon. The sympathy of the community goes out to the widow.

A steady rain all Sunday night and most of Monday forenoon augured very poorly for the Orange demonstration at Eugenia. However, about noon the clouds cleared away, old Sol came out hot, and quite a large crowd gathered at this picturesque spot to celebrate once more the Battle of the Boyne. There were five lodges present from this district. Markdale band and the bagpipes supplied music, and speeches were delivered by several clericel gentlemen. A baseball match between Eugenia and Kimberley attracted a large crowd after the speaking The score was 16 to 15 in favor of Kimberley. Altogether, the celebration was very satisfactory, notwithstanding the morning downpour. The auto was entirely responsible for the size of the crowd, most of the visitors coming in cars.

Word was received on Monday by Mr. Robert Waller that his soninlaw, Mr. Albert McFadden of Burketon, had passed away on Sunday afternoon. Mr. McFadden had been in poor health for some time, but his death was unlooked for until that day. He, in company with his wife and family, visited Mr. and Mrs. Waller a week ago. The deceased leaves a wife and five small children, who have the sympathy of all in this community.

Flesherton Boy Climbs

A new company has been formed and located at Oshawa to build what is known as the Samson Tractor for farmers, also trucks and farm implements. Mr. C. E. McTavish, a native of Flesherton, has been appointed sales manager. The concern is an offshoot of the Chevrolet Motor Co., of which Mr. McTavish has for the past year been parts and service manager. McTavish & Son of Flesherton will be agents for this district, and will probably be able to make sales next month. From what The Advance has seen of illustrations and descriptive matter we believe the Samson to be the coming tractor for the farm.

The present season promises to go on record for the large number of exceptionally large fish that are being taken from the Georgian Bay near Meaford. While Dr. Eberhart and Mr. Walter Moore were out trolling on Friday afternoon the doctor hooked a salmon trout weighing 24 pounds and measuring 37 inches in length. The task of pulling the big fish into the boat proved almost as difficult as an operation in surgery.—Mirror.

James Spicer of the 10th of Egremont while shingling his barn fell from the roof to the scaffold, breaking through it and falling to the ground on his head. He was seriously injured, but is recovering.
