Relieve Neuritis... Neuralgia Pain

FAST!

Aspirin Eases Pain Almost Immediately

Why Aspirin works so fast

Instantly! Yes, the moment you drop an Aspirin Tablet in a glass of water it begins to disintegrate. And that same quick action takes place in your stomach. Thus, you get relief almost instantly.

Aspirin has proved itself through generations to be quick, effective, above all, *dependable*. That's why Canadians have come to rely on this famous analgesic for relief from pain due to headache, neuralgia or neuritis.

So protect yourself from needless misery. Just get a box of genuine Aspirin at your druggist's today and follow simple directions.

OTTAWA REPORTS

That Ships Leaving Canada Are Supplied With Enough Food For Round Trip

An important and ittle publicized role played by Canadian farmers in providing ships' supplies is disclosed by D. R Townsend, Prices Board administrator of ships' stores, in a statement of 1944 operations.

Almost 5,000,000 pounds of beef and veal; 4,000,000 pounds of flour; 1,750,000 pounds of mutton and lamb, and a similar quantity of pork as well as of miscellaneous meats, plus 1,500,000 pounds of bacon and ham were supplied for ships' stores last year. Huge quantities of tinned and dried fruits and vegetables, eggs, butter, condensed milk, poultry, cheese, tomato juice and cereals were also among foods that had their origin on Canadian farms, and were indispensable to those who man the merchant ships and convoy escorts on the high seas.

Every ship that leaves a Canadian port, whether troop transport or liner, cargo boat or deep-sea fishing vessel, is supplied not only with enough food for its voyage outward bound, but for the return trip as well, Mr. Townsend points out. Supplies are provided on a strict per man per day basis, and if a ship returns to Canada before the expiry date of its last storing period an accounting of stores is required by the administration.

In 1944, British Coastal Command Aircraft sank 120,000 tons of enemy shipping, 8 destroyers and 40 other vessels.

Question: Will Monty Obey His Mother?

Field Marshal Sir Bernard Montgomery, always an obedient son, has been told to wind up the European war by March 23.

Lady Montgomery, mother of "Monty," has predicted that the war will be over by that date, the Evening Standard said last week, adding:

"And she says she has written to the Field Marshal to make sure her forecast is fulfilled."

Canadians 'Allow' Huns To Surrender

A German soldier surrendered to a party of Canadian troops.

"Some of my comrades would like to give up," he said.

The German went back to his lines and came back with 15 men.

"Not enough," the Canadians told him.

The German went back again and brought back an additional 30 men. The Canadians this time told him "O.K."

QUALITY OF FIRST IMPORTance. You wouldn't buy a home a farm, a car, or a suit of clothes or anything else where quality counts—strictly on a price basis! You'd look for quality first—and price second. With chicks it is even more important—because you are buying potential future profits. A chick costing say 16c may develop into a $.00 bird and turn out 200 to 250 eggs the first year. Or it may never develop or never pay its board bill. The difference is mainly in the breeding quality back of the chick. Tweddle's 20 years in the business of hatching good chicks assures you of the kind of chicks that live, and grow and pay. This year buy fewer chicks but better chicks. It pays. Send for the new 1945 Tweddle catalogue to-day. Tweddle Chick Hatcheries Limited, Fergus, Ontario.

How You Can Get Quick Relief From Sore, Painful Piles

Most people seem to think the only way to get relief from their sore, painful piles is by local treatment. Local treatment may give temporary relief from the itching but you can easily see why such treatment wil not correct the cause of your piles.

No lasting freedom from pile can be had unless the cause of the trouble is corrected. Piles are due to intestinal causes so the best way to get lasting relief is to treat them internally with a medicine like Hem-Roid.

Hem-Roid is a formula that has been used for over 40 years by thousands of pile sufferers. It is a small, highly concentrated tablet, easy and pleasant to use. This cleverly compounded tablet formula directs its medical action to relief of the congestion that is the real cause of your piles. Hem-Roid promotes free, easy and comfortable bowel movements, quickly relieves itching irritation and soreness and stimulates better blood circulation in the lower bowel. With good blood circulation in the lower bowel, the painful pile tumors soon heal over leaving the sensitive rectal membranes clean and healthy.

We invite you to try Hem-Roid and let it prove itself. You can make your test, in the privacy of your own home. NO COST if you are not convinced that this is an amazingly easy and surprisingly effective method of treating your sore, painful piles.

Posed by a Professional Model

Get a package of Hem-Roid today from any drug store and use it as directed for JUST FIVE DAYS. At the end of that time if you are not absolutely sure Hem-Roid is the nicest, cleanest and most effective pile treatment you ever tried, return the unused portion of the package to your druggist and he will promptly refund your money.

NOTE: This generous offer is backed by a reliable firm doing business in Canada for a good many years. Hem-Roid must help your pile condition quickly, easily and pleasantly or this simple, easy test costs you nothing. Try it today.
