Paris, Jan. 9.

The budget of the minister of finance has been made public. It shows the floating debt to have been reduced 4,000,000 francs during the past year. The estimates for the official year of 1870, promise to exceed 36,000 francs in receipts over expenditures.

Lisbon, Jan. 11.

The Duke of Saldanha has been summoned to Lisbon to form a ministry.

London, Jan. 12.

For some reason Reses Rangabe, the Grecian Ambassador at Paris, who, it was supposed, would represent Greece in the conference, has been refused participation in its sessions. He has protested and appealed to the Grecian Government for instructions. The conference will await the action of Greece in this matter.

Madrid, Jan. 12.

Four thousand soldiers have volunteered their services to assist in suppressing the insurrection in Cuba.

Paris, Jan. 12.

The Sublime Porte has despatched Sadie Pasha to this city, to raise a loan for war purpose.

A report is in circulation that the principal members of the insurrectionary government of Candia have fallen into the hands of the Turks.

NOVA SCOTIA.

Mr. Howe and the Situation.

Halifax, Jan. 11.

The rumor that Mr. Howe was to go to Portland with Mr. McLellan, member for Colchester, to meet Mr. Rose on his way to England, turns out quite true. Leading Antis regard his acceptance of office as certain. Some affirm it is intended to make him president of the Privy Council. His chances of return for Hants are discussed. He would be supported by the Unionists, who think that the number of personal adherents would make up for more than the majority by which his opponent lost last election. The Antis scout the idea of any financial terms with the Dominion Government without the concurrence of the Local Government.

LATER.

Halifax, Jan. 12th.

Mr. Howe will leave in the Carlotta for Portland to-night, to meet Mr. Rose. He is confident of securing large financial concessions. Mr. McLellan will proceed to Portland, via New Brunswick, to ass at Mr. Howe in the negotiation with Mr. Rose.

[A telegram from Ottawa says Mr. Rose has left the capital.]

BREAKFAST.—A SUCCESSFUL EXPERIMENT.—The Civil Service Gazette has the following:—"There are very few simple articles of food which can boast of so many valuable and important dietary properties as cocoa. While acting on the nerves as a gentle stimulant, it provides the body with some of the purest elements of nutrition, and at the same time corrects and invigorates the action of the digestive organs. These beneficial effects depend in a great measure upon the manner of its preparation, but of late years close attention has been given to the growth and treatment of cocoa, that there is no difficulty in securing it with every useful quality fully developed. The singular success which Mr. Epps attained by his homœopathic preparation of cocoa has never been surpassed by any experimentalists. Far and wide the reputation of Epp's Cocoa has spread by the simple force of its own extraordinary merits. Medical men of all shades of opinion have agreed in recommending it as the safest and most beneficial article of diet for persons of weak constitutions. This superiority of a particular mode of preparation over all others is a remarkable proof of the great results to be obtained from little causes. By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtile Maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame. 1naw23

NEWS OF THE DAY.

THURSDAY MORNING, JAN'Y 14, 1869.

MASONIC.—On Tuesday last, in the flourishing Village of Gananoque, a new Masonic Lodge, called "The Leeds Lodge," was duly instituted, and the Officers installed. W. M. G. M. Wilkinson, accompanied by Rt. W. Brother Fowler and W. Brother Hendry, left Kingston for the purpose of installation, and Bro. Wilkinson performed the interesting ceremony, Bro. Wm. Beers being the First Master.

KINGSTON GENERAL HOSPITAL.—The Steward of the Kingston General Hospital thankfully acknowledges the receipt of the following donations:—

From Principal Snodgrass, 1 case of books; J. Nimmo, Camden, 1 carcase, 63lbs of mutton; J. & W. Elliott, 1 ditto; S. H. Bloodheim, a quantity of fish; J. J. Linton, 1 pair of tressels, and a number of packages of linen from the ladies. Messrs. McKelvey & Birch, 1 patent air heater.

Amount of contents of the Hospital Boxes: from the Royal Mail Line of steamers, $21,67; Messrs. Fraser & George, $4,50; J. Creighton, $12,05; British American Hotel, $2,89; J. Carruthers & Co., $6,23; Dr. Yates, $10,00; Royal Canadian Bank, $2,40; Kingston Post Office, $0,81; Kingston Custom House, $1,97; Bank B. N. America, $5,65; Burnett House, $0,17; Merchants Bank, $0,50; Trust & Loan Co., $2,00; Hospital Buildings, $1,24.

THE DINNER TO THE MAYOR.—'Good wits jump.' The British Whig was a little too late in drawing the attention of the City Council to a Dinner to be given to the retiring Mayor, John Breden, Esq., for it had already been taken in hand. 'Bis dat qui cito dat,' and so the Dinner is to come off This Evening at the British American Hotel.

THE PRINCESS OF WALES OWN.—The 14th Battallion Volunteer Rifles had its first muster since its re-organization under the new militia law, at the Drill Shed on Monday evening, when the two wings were inspected by Majors Callaghan and Kerr. Lt.-Colonel Paton explained the provisions of the new Militia Act, at the same time complimenting the Battalion on the present strength, which exceeds its numbers at any time since the Fenian Raid, or the route to Cornwall. The Battalion now retains its fine band and its original number of companies. The distribution and position of the officers is somewhat changed, consequent of a few retirements, and some new appointments to fill the vacancies. The infusion of new material into the ranks has placed nearly all the companies in a raw state, but thro' the new vigor which the officers have already manifested, the Battalion will soon be put in an efficient state. The roll now contains over 350 names, and the number is daily increasing.

PERUVIAN SYRUP.

A PROTECTED SOLUTION OF THE PROTOXIDE OF IRON supplies the blood with its LIFE ELEMENT, IRON giving strength, vigor and new life to the whole system.

If the thousands who are suffering from Dyspepsia, Debility, Female Weaknesses, &c., would but test the virtues of the Peruvian Syrup, the effect would not only astonish themselves but would please all their friends for instead of feeling cross, 'all gone' and miserable, they would be cheerful, vigorous and active.

A DISTINGUISHED JURIST WRITES TO A FRIEND AS FOLLOWS:

I have tried the Peruvian Syrup, and the result fully sustains your prediction. It has made a new man of me, infused into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five years.

Thousands have been changed by the use of this remedy from weak, sickly, suffering creatures, to strong, healthy and happy men and women; and invalids cannot reasonably hesitate to give its trial.

The genuine has 'Peruvian Syrup' blown in the glass.

LOOK TO CONSEQUENCES.—Remember that Dyspepsia is not only a terrible disease in itself, but the direct cause of a whole host of maladies. No human being is so susceptible to all unhealthy influences as the confirmed dyspeptic. Why, is the name of reason, does any one continue to risk the consequences of Indigestion, when a course of Radway's Regulating Pills will effect a perfect cure in any case, however aggravated.

Price 25 cents per box, coated with sweet gum, free from taste. Sold by all Druggists.

Arsenic has been known for many years to have the power of imparting a wax-like complexion and a roundness to the features, and is said still to be used in some countries for that purpose; its employment, however, is attended with considerable danger, because of the fatal effects of its discontinuance after its use becomes a habit, and the shortening of life if continued. The plumpness and disposition to take on flesh imparted by FELLOWS' COMPOUND SYRUP, is due solely to its strengthening influence on the Nervous system. It creates a healthy action on all the organs of the body necessary to existence, assisting nature in building up and developing to the fullest extent, the human frame, and enabling the body to perform its functions with vigor. It is safe and reliable, and its use may be discontinued at any time without prejudice to the health or any unpleasant effect.

Sold by Apothecaries. Price $1,50 per bottle, or 6 for $7,50.

Polonius.—To thine own self be true;
And it must follow, as the night the day,
Thou canst not then be false to any man.
Hamlet, Act 1, Scene 3.

P uffs are the known device of quacks and cheats,
R apacious, striving by unscrup'lous feats
O f forgid boasting, deftly to deceive
V ictims unwary who their tales believe.
I scorn their sits, and vaunt no spurious ware—
S oundness in quality's my constant care.
I n each transaction 'tis my anxious aim
O f MORRISON to keep the upright name.
N o custom's sought where value's not returned.
S uch is my scheme. Adulteration's spurned!
