Rappe, Weber & Co.,
LARGE MANUFACTURERS OF

PIANOS,
Corner of King & Princess Streets,
KINGSTON, ONTARIO.

RAPPE, WEBER & Co. announce to the Public that they are now in possession of facilities for manufacturing Pianos unsurpassed, if equalled, by any in the Dominion

The members of the Firm are Practical Piano Makers, and are anxious to establish their success in manufacturing enterprise by careful workmanship rather than by mere speculation. They are able skilfully to superintend every department, and are prepared to guarantee every instrument they sell.

For strength of manufacture and materials, beauty of finish, and durability and excellence of tone, they challenge the Dominion to produce superior instruments; and while they claim for their work every excellence that can be expected from skilful and enterprising workmen they beg to announce that their resources are sufficiently ample to enable them to compete in prices with any speculator in Pianos.

The Subscribers keep no Travelling Agent All orders addressed to the Subscribers, or sent through any respectable Music Dealer will receive attention. Orders through mail will be attended to as if selected in person.

RAPPE, WEBER & CO.
Kingston, May 20, 1868. 121

A CARD.

RAPPE, WEBER, & Co., deem it unnecessary in their announcement above to notice the advertisement of their competitor, Mr. F C. Cline. They beg to inform the public that it was not the privilege of Mr. Cline to retain all of the late J. C. Fox's workmen.

The Advertisers were selected by the late Mr. Fox from the best establishments in New York, (Steinway's, Stoddard's, Weber, Gabler etc.)

After Mr. Fox's death, and before Mr. Cline's purchase of a part of Mr. Fox's stock, Rappe Weber & Co., had determined to go into business on their own account. As at present constituted, their establishment consists of four Proprietors, every one of whom have been foremen, and their workmen who have been foremen; so that so far as the "culling of workmen" (a novelty in language) is concerned, Rappe, Weber & Co., have the honor to announce that they made *their* selection before it was permitted to Mr. Cline to make *his*. If Mr. Cline was a practical Piano maker, it might be competent to him to remark upon the skill of other workmen; but as he is not, it may be well to remind him that the shoemaker should stick to his last.

The Advertisers do not press upon the public the merits of any Travelling Agent, and any person holding himself out as such may be treated as utterly unauthorized. Our Pianos are candidates for popular favor, and we have no doubt they will win it.

Professor of Chemistry in the University of PADUA, ITALY.

THIS celebrated Preparation—for which a Certificate of Merit was awarded to the distinguished original preparer at the National Exposition at Turino, Italy, by whose favor Mr. GIANELLI obtained the Recipe and was also awarded a Diploma at the Provincial Exhibition of Canada held at Montreal in September, 1865—is, without exception, the most Genuine, Salubrious and Agreeable TONIC ever introduced to public notice either in Europe or America.
For seventeen years it has, in Italy, been a universal favourite among the elite of Society, being generally served in the Drawing Room immediately before Dinner, in preference to Vermouth
The ingredients of its composition have been imparted to the leading Physicians of Montreal, and have received their unqualified approval on every account.
The Proprietor has no idea of parading or puffing it before the public, but merely asks a sound and unprejudiced trial.

The Perfection of Prepared Cocoa.
Maravilla Cocoa.
Sole Proprietors, - - TAYLOR BROTHERS,
LONDON.

THE COCOA (or CACAO) of MARAVILLA is the true THEOBROMA OF LINNÆUS. Cocoa is indigenous to south America, of which Maravilla is a favoured portion. TAYLOR BROTHERS having secured the exclusive supply of this unrivalled Cocoa have by the skilful application of their double principle and elaborate machinery, produced what is so undeniably the perfection of prepared Cocoa, that it has not only received the preference of homœopaths and cocoa-drinkers generally, but many who had hitherto not found any preparation to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."
[See following Extract from the Globe of May 4, 1868.]

"Various importers and manufacturers have attempted to attain a reputation for their prepared Cocoas, but we doubt whether any thorough success had been achieved until Messrs. Taylor Brothers discovered the extraordinary qualities of 'Maravilla' Cocoa. Adapting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which surpasses every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Homœopaths and Invalids we could not recommend a more agreeable or valuable beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and soluble Chocolate.
