A Bank Account For Your Wife

More and more, are the wives of today running their homes on a business basis—systematically and efficiently.

Many wives have a monthly allowance for household expenses.

This, they deposit in a Savings Account in The Merchants Bank—settle bills by cheque—and thus have an accurate record of bills paid.

Such a business-like method also gives a woman the feeling of happy independence in having a bank account of her own.

In Memoriam

In loving memory of our dear son and brother, Fred Smith, who died in Switzerland July 22, 1918.

Sweet is the memory dear to our heart;
Our love and his memory never will part.
Through the years, be they many or few,
They'll be years of remembrance, dear Fred, of you.

Auto Accident At Ravenna

Special to The Advance

Ravenna, July 24—Mr. James McGowan was run over by an auto in a rather unusual manner on Thursday of this week. He was in the car with his brother, Melville, who was driving it. Melville stopped and James got out and went behind the car. Melville did not know James was behind the car and backed it up right over his body. His back, spine and neck were so badly hurt that it was thought at first that he could not recover, but now he is somewhat improved and better hopes are entertained, although he is not out of danger. The injured man has spent several years in the West and had just returned home on a visit a few days previous.

Good Lacrosse Game

One of the best games of lacrosse ever witnessed in these parts was played in Markdale on Thursday last when Durham and Markdale met in the final game for the district championship and which resulted in a win for Durham by the score of 7 to 6, giving them the district.

A large crowd of spectators were present to witness the game and they certainly got their money's worth. Durham scored the first goal and Markdale the second. The two teams scored in turn until the end of the third period, when the score stood 5—5. Markdale scored the first goal in the final period and Durham came back and scored two, when the joy of the Durham supporters knew no bounds.

The game was inclined to be a little rough in places and several of the players bore evidence of sticks being used for a wrong purpose, but altogether it was good lacrosse and we believe the best team won. A very regrettable feature of the game was an accident which befel W. Burnside of the Markdale team. In some manner he fell across his stick when checking a player and broke his leg just below the knee. The loss of "Nick" was a handicap to the Markdale team. Durham will likely play Harriston in the next round.

Deputy Reeve Arrested

A well known county councillor of Grey, Mr. Hugh McLean, deputy reeve of Collingwood township, was placed under arrest. He is charged with defrauding several insurance companies. The arrest created a big sensation, especially around the village of Ravenna, where McLean lives.

It is alleged that three fires have occurred recently on McLean's farm, on each occasion the damage amounting to considerable It is understood that an investigation followed and the circumstances led to the arrest of the young man.

McLean is a young farmer and his farm is at Ravenna, about six miles from Thornbury. This was his first year as member of the county council.

At the magistrate's trial held in Meaford on Friday last McLean was comitted for trial on several charges, two of arson, two of obtaining money from insurance companies under false pretences and one of offering a bribe to one of his neighbors to put a man named Legate out of business.

McLean's house was destroyed by fire on October 2, 1917, between 7 and 8 o'clock in the morning, and the smoke was first said to have been seen about five minutes after McLean had left the premises in an automobile.

William Legate testified that McLean told him he set fire to his auto by pouring gasoline over the cushions and making a short circuit.

A Criminal Motorist

The Owen Sound Sun Times says: A very serious accident occurred on Sunday night about 10 30 o'clock, when Stanley Michael, son of Edgar Michael of the 10th line of Sydenham, was severely shaken up and his horse was killed. Mr. Michael was going home, driving east on 6th street. He saw a car come down the hill from the Lime Kiln Rock and turn west on 6th street. He pulled well out onto the grass, although at that point the street was very wide. The car came on at a fast rate on the wrong side of the road, and struck the front of the buggy with such force that the horse was jerked around and when found was lying facing the west. The breast collar and whippletree were broken and the arteries about the lungs of the horse were so badly ruptured that the animal died in a few minutes. Mr. Michael was thrown from the rig to the road and had his clothes badly torn and was badly bruised and shaken up. The front of the buggy is a complete wreck. The driver of the car did not stop but kept right on.

There is little doubt that the driver of the car will be apprehended, and when he is there is still less doubt that he will be given the limit of the law.

A double drowning accident occurred at Mount Forest recently. The victims were Dorothy Maxwell, aged four years, and Reta Cook, aged fifteen years. While crossing a foot bridge over the river, Dyrothy Maxwell fell in, and Reta Cook hastened to the rescue, but the current proved too strong and overpowered her. A third little girl went in after them, but the water being so deep and swift, she was of no assistance, and scrambled back to shore.
