The confidence with property in a find a finder was a short, and the short was a short wa honour of Turkish soldiers and British sailors, threaded his way through the bazars, covered overhead with vines bazars, covered overhead with vines bound and canvas, and reached the Greek thouse where he will probably if he his and canvas, and reached the Greek thouse where he will probably if he his and canvas, and reached the Greek thouse where he will probably if he his and canvas, and reached the Greek thouse where he will probably if he house where he will probably if he his and canvas, and reached the Greek thouse where he will probably if he house where he will probably if he his and canvas, and reached the Greek thouse where he will probably if he house he will probably if he house he where he will probably if he house he will probably if he house he where he will probably if he house where he will probably if he house he will probably if he house he will probably if he house he will be an arrow which if it comes in contact with any house he house he he had an arrow escape from the world of God.

The difficulty he house he he will he he will have he will he he he had and saw quite to the Word of God.

Which he sells at the lowest living profits. A call respectfully solicited. Remember the pit of the laster road has to the disputed crossing near Wood of the sead and saw quite to the Word of God.

Smith had a narrow escape from the head and saw quite t

This will be followed by their with drawal from San Stefano and the vicinity of Gallipoli, the Turks occupying the various positions as fast as they are exacuted.

—The Queen, it is said, rarely accepts presents from her subjects in the United Kingdom, but she has just made an exception to this rule. A gentleman begged Her Majesty to accept some subject of a good fall trade are excellent. Although the spring wheat cropped Her Majesty to accept some begged Her Majesty to accept

-American silver dollars should not be taken in Canada except for use on the acre. Barley has improved a little, the other side. Their actual value asso much silver is but 90 cents, their cure array sown on good mixed soils, the rent value nere could only be reckoned at 80 cents, and they are extensively counterfeited, so that any person taking them is liable to serious risk.

The Toronto Telegram says it is understood in Canadian circles in England that Col. C. S. Gzowski is to be knight-
