important part of Decelect farm, on it has needed and continued and the lower are passed through the course are Jevery, with a few grades and natives, some of the ferame of the door and a stont clear being remarkable for their large yields.

Message Farm Accounts.

**A great deal lag. Justice of heaping and the course services, large a winging door to hyperanged by building, annature me still many of the description.

**A great deal lag. Justice of heaping shift strong to the course in supposes to 'three over a new leaf' or thick shows a be assisted to any something on this subject. Last year's experience in farming will not encourage many to take up the extre work of careful and methodical account-keeping; but it would not be labour in vain to make the few the ground. Then heist him by a rope tied to he here to have no country newspaper to held to the country for the street work of careful and methodical account-keeping; but it would not be labour in vain a matter when the country of the work of the passing over the wind pole of the year's toil. We find in the American Agriculturist a simple avarage of the street work of the year's toil. We find in the American Agriculturist a simple avarage of the street work of the year's toil. We find in the American Agriculturist a simple avarage of the street work of the year's toil. We find in the American Agriculturist a simple avarage of the street work of the year's toil. We find in the American Agriculturist a simple avarage of the street work of the year's toil. We find in the American Agriculturist a simple avarage of the passing of t

detour by the mill. There would be plenty of time for this, as the next train was not due till seven. Even then we should be able to get out on the river before supper.

The shortest way to the mill was by the act through the word revealled to gradually bailt upuntil strong enough to resist every tendency to disease. Hundreds of subble malastice are floating round us ready to attack wherever there is a weak point. We may escape many a fatal-shaft by keeping ourselves well fortised with pure blood and a property nourself frame. "—Civil Service Gasette.—Sold only in pachets babelled James Erva & Co., Homsoopathic Chemanta, 48, Threadmeath-atreet, and 170, Piccadilly, London."—TSG-1v.
