No V-E Day Until Total Nazi Defeat

Gen. Eisenhower was quoted in a shortwave broadcast last week as saying 'There will be no V-E day until Germany is completely occupied, including all pockets of resistance, and the German army is completely destroyed."

Canada now ranks second among the gold-producing countries of the world.

NO FUEL PROBLEM HERE

Housewife of Cheltenham, England solves transportation problem with goat-drawn cart. Instead of the coveted petroleum, his vehicle burns old rags and tin cans. The well-behaved goats present no difficulty in traffic.

Two Will Call At Your Door

Soon there will be a knock at the door of the Canadian home. On the threshold will stand the Victory Loan salesman, confidently expecting an invitation to come in. It will be the eighth time that he has knocked at the door, and his confidence will not be badly founded. For more than three million Canadians have long since learned that he is indeed a friend and brings with him something of real value for the householder.

But let us not forget that there are two callers at the door when the salesman knocks. Behind him, in spirit, is the Canadian boy in uniform who is backing up the salesman in his effort to increase the size of individual Victory Bond purchases—not so much because of his concern for the future material benefits to the purchaser, but because those purchases help to guarantee the continued flow of arms and ammunition to the battle-fronts.

The Canadian who decides to buy a hundred-dollar Bond after listening to the Victory Loan salesman may change his mind if he looks over the shoulder of the salesman into the eyes of that sailor, soldier or airman who counts on folks at home to back up his efforts overseas. Such a look may prompt a two-hundred-dollar purchase.

Truman's Prayer

At the conclusion of his message to Congress, President Truman said:

At this moment, I have in my heart a prayer. As I assume my heavy duties, I humbly pray to Almighty God, in the words of Solomon:

"Give therefore thy servant an understanding heart to judge thy people, that I may discern between good and bad: for who is able to judge this, thy so great a people?"

I ask only to be a good and faithful servant of my Lord and my people.

Much land between Ecuador and the Gulf of Panama is still unexplored.
