THOSE B-29'S MUST BE SOME AIRPLANE

The giant B-29 has 255 electric motors.

More than 790' watts of electric power are required to operate its radios—enough to run 105 home cabinet sets.

And, when all the lights are in operation, 2100 watts are needed—enough to light a house using 35 60-watt bulbs simultaneously.

The four engines of the B-29 generate 8800 horsepower, which could provide enough electricity to supply a small city.

All things come to him who waits, provided he knows what he is waiting for.

A Kentucky judge met an old negro mammy of his acquaintance. "Good morning, mammy," said he. "Where are you going?" "Laws, Jedge," said she, "I'se been wah I'se goin'."

Mother — "Now before you get serious with him, be sure he is always kind."

Daughter — "Oh, I'm sure he is; he told me to put his shirt on a horse that was scratched!"

How nice it would be if the Golden Rule were lived up to in Politics (let us hope). Next Monday, June 11 is another important day and we hope those who hold the reigns will govern wisely.

HAVE YOU REGISTERED YOUR CHILDREN FOR

FAMILY ALLOWANCES?

1,200,000 FAMILIES have already registered for Family Allowances. Approximately 100,000 families who are entitled to register and who will benefit, *have not yet registered.*

Family Allowances cheques will be mailed in July.

If you want to receive your first cheque, *register now.* If you delay your registration any longer, it may not be possible to deal with your application in time to send you the first cheque.

If you have children under 16 and if your income is under $3,000 a year, you will benefit from Family Allowances. If you have not registered, and intend to do so, please act at once! Family Allowances Registration forms have been mailed to every family. They can be obtained at the nearest post office or by writing to the Regional Director of Family Allowances in the capital of your province.

FAMILY ALLOWANCES AND INCOME TAX

When the Family Allowances Act was passed, Parliament approved the principle that there should be no duplication of benefits by way of Family Allowances and Income Tax credits for the same child.

Family Allowances cheques will be paid in full every month. But for the last six months of 1945 an adjustment will be made to avoid duplication of benefits. The table below shows the *effect* of this adjustment and will enable taxpayers to determine the extent to which they will benefit from Family Allowances.

TABLE SHOWING EFFECT OF ADJUSTMENT FOR 1945

AMOUNT OF TAXABLE INCOME		Percent by which taxpayers will benefit from Family Allowances in addition to present income tax credits, for 1945.
	Not over $1200	100%
Over $1200 but not over	1400	90%
" 1400 " " "	1600	80%
" 1600 " " "	1800	70%

" 2000 " " "	2200	50%
" 2200 " " "	2400	40%
" 2400 " " "	2600	30%
" 2600 " " "	2800	20%
" 2800 " " "	3000	10%
" 3000		0%

of the actual Family Allowances received in the year 1945.

NOTE:—This table applies to married persons and others having the status of married persons for income tax purposes. For the relatively small number of single persons supporting children and not having married status for income tax purposes, and for members of the Armed Forces, special tables can be obtained from the Regional Director of Family Allowances in each provincial capital.

***The* BENEFITS:** The Family Allowances Act was passed to help equalize opportunities for all children. The monthly allowances will assist in providing medical, dental and nursing services, better food, better clothing and shelter.

Family Allowances are additional to dependents' allowances for servicemen's families and military pensions.

Furthermore, Family Allowances are NOT taxable. You do *not* add these monthly payments to your total income when computing your income tax.

In the column at left is an explanation of the relationship between Family Allowances and Income Tax deductions for children. From the table given you can determine quickly the extent to which you will benefit.

REGISTER NOW!

If you intend to apply for Family Allowances but have not already done so, please act at once—in the interests of your children. Remember, the first cheques will be mailed in July, but only to to those who have registered and are eligible to receive Family Allowances.

SCALE OF MONTHLY ALLOWANCES FOR THE FIRST FOUR CHILDREN

For each child
Under 6 . . . . . $5.00
From 6 to 9 (inclusive) . 6.00
From 10 to 12 (inclusive) . 7.00
From 13 to 15 (inclusive) . 8.00

Where there are more than four children under 16 in the family, the monthly allowance for each child after the fourth will be reduced in accordance with the provisions of the Family Allowances Act.
