Flesherton fall fair and horse races Sept. 24th.

Mrs. George McTavish is visiting friends at Oshawa this week.

The Women's Institute has arranged for a monster fowl supper on Oct. 22.

Ladies, call and see my fall millinery display—Mrs. W. L. Wright.

Harry Bennett and company have been secured for the fair concert on Sept. 24th.

Mr. and Mrs. Will Moore are holidaying this week down on the Niagara peninsula and across the New York border. F. Mathewson is running the bus line.

Mr. and Mrs. Fraser and family of Galt and Mrs. Cripps and daughter of Collingwood visited the past week with Mr. Jas. Genee.

Mr. James Oliver, South Line, brought us a stalk of sweet clover which measured 10 feet 2 inches from ground to top of stalk. He is underbrushing about seven acres like this this week.

When Premier Drury brought in his pension bill last session he explained, in order to quiet opposition, that it would be paid by the civil servants themselves on the assessment plan. The sequel was announced last week when the whole civil service was granted big salary raises, in some instances amounting to $1000! The Pension Bill comprises a black chapter in an otherwise good record, and the public know it now.

The heavy electric storms of Saturday night and Sunday morning worked havoc in some places. A small barn belonging to Mr. Fred Jamieson 8th line, was struck and burned Sunday morning. The building contained about ten tons of hay and a new binder. A cyclone passed over Mr. Bert Magee's bush and mowed a swath about three rods wide and forty rods long, flattening everything growing right to the ground. This included large trees, one of which was five feet in diameter. Fortunately no buildings were in the path of this "critter," or they would have been utterly destroyed. It is rarely a cyclone hits this country, but such visitations are none too rare.

Railway rates went up on Monday to the tune of 20 per cent. on passenger traffic and 40 per cent. on freight. The poor C. P. R. needed it to keep its stockholders in a state of bubbling contentment and happiness. It looks as though the Railway Commission were trying to force the country into building radials for the benefit of cities and large towns. Well, the bigger the towns become the more costly it will be to live in them, and manufactured articles will continue to climb in price to meet the cost of living. Then in time, if these conditions continue, there will be no one producing, all will move to the cities where big wages are paid, and all the farms will be deserted. Then what will there be to eat? Fancy such a condition. And we are fast drifting in that direction. It is time a check was put on the growth of metropolitan life instead of watering and fertilizing it, as the tendency of our governments is today.

Good purses are being offered for the horse races at Flesherton fair, Sept. 24.

Mrs S. Sample of town was taken to Owen Sound hospital last week where she was successfully operated on for appendicitis.

Born—In St. Andrew's Hospital, Midland, on Sept. 5th, 1920, to Mr. and Mrs. W. R. Colquette, Port McNicoll, a daughter.

The Eugenia Memorial Committee have called a meeting of citizens in the pavilion on Friday evening of this week to give a report on finances and make arrangements for a fowl supper. All Eugenia citizens are requested to attend.

Daubney—Gascoyne—At the Methodist parsonage, Flesherton, by Rev. C. A. Belfry, on Sept. 10, Henry Daubney, to Miss Mary Gascoyne, both of Flesherton and lately of England.

Mr. and Mrs. W. T. Ellis, Kimberley, announce the engagement of their eldest daughter, Lulu May Elfleda, to Mr. Robert Chard of Flesherton, marriage to take place September 22.

Special by Wm. Rennie Seed Store for Flesherton Fall Fair—For the best collection of vegetables grown from Rennie's Seeds, 1st $3 worth of seeds, 2nd $2 worth of seeds, 3rd $1 worth of seeds from Rennie's 1921 catalogue.

One day recently two rash young women, both about 80 years of age, drove over from Dromore to visit friends in town. One was Mrs. Henry Tucker of Dromore and the other Mrs. Joseph LeGard of Toronto. These giddy young things are both quite expert drivers—considering their youthfulness.

What is the difference between a Canadian match and a Pennsylvania coal miner? Well, about 90 per cent. of the coal miners want to strike all the time, while the match—about 30 per cent. of them have a diametrically opposite view of the eternal fitness of things and absolutely refuse to strike under any provocation. Some difference, eh?

Mr. Cox and Mr. Cable, well known in Flesherton, have formed a company to drill for oil or gas, or anything they can get, near Craigleith. The only thing they got while drilling here was suckers, but it is alleged that they did not go down far enough to get anything else. The new company will be called the Blue Mountain Gas-Oil Co.

Shelburne is again getting excited over the coal question. It is said that a company will drill several holes around the town in search of a coal seam. It would be funny if they struck Mr. Finch's "lake of oil" in their drilling operations. The shores of that elusive lake are still below the horizon, and everybody has yet an equal chance of discovering the bonanza.

It used to be said that heavy penalties in liquor cases would defeat their object—that public sentiment would lie with the defendant and convictions could not be made. This old bugaboo has been smashed along with the traffic, and now about 90 per cent. of the people say "serve him right" when the offender gets landed and soaked a thousand. Public sentiment has evidently changed very materially in the matter of fines.

Mrs. Elizabeth Thompson, wife o Mr. Samuel Thompson, died at her home in Orangeville on Saturday last at the age of 69 years. The remains were brought to Flesherton by motor hearse on Sunday and interred in the cemetery here. The deceased lady was a daughter of Wm. Rutledge, a pioneer of this district. There are two sisters and one brother still living—Mrs. George Lawrence of Kimberley; Mrs. Noble Lawrence of Saskatchewan and Wm. Rutledge of Algoma.

The Annual Camp Meeting of the Gospel Workers (D. V.) will be held at Clarksburg from Friday, September 17th, to Sunday, September 26th, 1920. Four services will be held each day at 9.00 and 10.30 a. m. and 2.30 and 7.30 p. m. A good staff of preachers and evangelists will be present and assist in the services. All are invited to attend and enjoy the meetings. For further particulars apply to Rev. F. D. Goff, Drawer 5, Clarksburg.

The accident which befel one of our oldest citizens, Mr. R. J. Sproule, last week, was much more serious than at first was thought. Mr. Sproule was leading a horse when the accident occured. The animal became frightened and jerked Mr. Sproule off his feet. He fell backward heavily on the sidewalk and was picked up and carried to his rooms. Wednesday morning he was taken to Owen Sound hospital where an X ray examination revealed a fracture in the hip bone. Owing to the sufferer's age, he being well on to four score, the injury is considered quite serious, and will confine him to his bed for a long time. A great deal of sympathy is expressed for the old gentleman in his affliction.

Plums for sale—different varieties—will sell cheap. E A. Graham, Clarksburg.

$1400 in liquor fines was collected in one day in the Owen Sound Police Court.

Friday, September 24th, the last day of East Grey Fall Fair, will be observed as "Tag Day" for the needy and dependent children of this county. This is the only day in the year when you are asked for a subscription to aid the children so we hope the response will be hearty and generous. "It is wiser and less expensive to save children than to punish criminals."

Rev. Mr. Eagle of Holland Centre returned on Friday last from a three weeks' visit at the Sault. Mr. and Mrs. Eagle left Flesherton by motor on a Monday foreneon and arrived at the Sault on Wednesday following, a distance covered of 520 miles, by way of North Bay, Sudbury, Blind River, Thessalon, etc. The trip up must have been without incident or delay to make the time they did. More time was taken on the return trip, as the roads were in bad condition owing to rains.
