A Bank Account For Your Wife

More and more, are the wives of today running their homes on a business basis—systematically and efficiently.

Many wives have a monthly allowance for household expenses.

This, they deposit in a Savings Account in The Merchants Bank—settle bills by cheque—and thus have an accurate record of bills paid.

Such a business-like method also gives a woman the feeling of happy independence in having a bank account of her own.

Find Out About The Samson

The Samson tractor is stronger than several teams of horses—it never needs a rest

Working expenses on any farm are cut to the minimum by a Samson. It is a common sense method of hauling—costs you little when it works and nothing at all when it is idle.

The Samson has the same reputation for unfailing service as the Chevrolet car. Come in some time soon and let us tell you why the Samson is proving such a good buy for the farmer.
