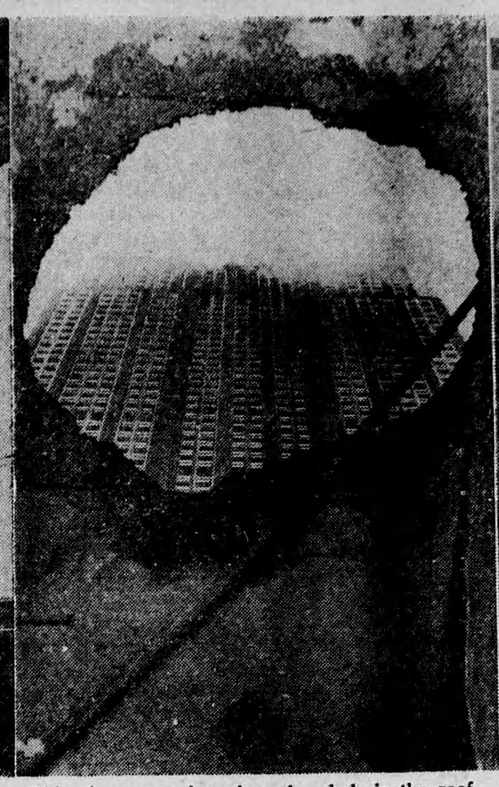
LIKE A SUPER ROBOMB, THE B-25 CRASHED INTO THE WORLD'S TALLEST BUILDING

Gaping holes in the north side of the world's tallest building at the 79th floor are examined here by a New York fireman. That girder above him was twisted by force of the crash.



This view was taken through a hole in the roof of a penthouse on 3rd St., into which part of the wrecked plane came blazing down.

Wreckage of the B-25 Mitchell bomber is being guarded by a military policeman here after the crash. The plane's crew of five and eight others died in the tragic accident.

WHAT DEFEAT WILL MEAN TO JAPAN

Picto-map above illustrates highlights of probable peace terms Allies will impose upon Japan in case of unconditional surrender. Aimed at stripping the enemy of conquered territory and wiping out his capacity for future war, they include reduction of army and destruction of Jap fleet and air force; elimination of heavy industry with war production potentials; surrender of all conquered territory (indicated by black areas on map), including Manchuria, Korea and Formosa, not already recaptured; dismantling of shipbuilding facilities and strict control over imports.

HOW TO RELIEVE
PILE TORTURE
QUICKLY AND EASILY

If you are troubled with itching piles or rectal soreness, do not delay treatment and run the risk of letting this condition become chronic. Any itching or soreness or painful passage of stool is nature's warning and proper treatment should be secured at once.

For this purpose get a package of Hem-Roid from any druggist and use as directed. This formula which is used internally is a small, easy to take tablet, will quickly relieve the itching and soreness and aid in healing the sore tender spots. Hem-Roid is pleasant to use, is highly recommended and it seems the height of folly for any one to risk a painful and chronic pile condition when such a fine remedy may be had at such a small cost.

If you try Hem-Roid and are not entirely pleased with the results, your druggist will gladly return your money.

BE CONFIDENT. Serve Maxwell House Coffee when friends drop in. Available from your grocer in an All Purpose Grind suitable for any type of coffee maker.
