The Taco Range

A Range of pleasing and handsome appearance. The plain smooth castings are very easy indeed to keep clean. Large perfect baking oven, smooth silvery nickel, large fuel saving fire box, clean dust proof warming closet, dual pipe damper, ash pan door with slide, reservoir trunk enclosed in cast iron casing.

The "Taco" will appeal to the most discriminating buyer as a leader in its class.

Don't content yourself with the knowledge of a "Taco" superiority you gain in reading about it but make it a point to see the value in this range with your own eyes.

Deceased, who was born in County Cavan, Ireland, came to Canada when a young man and after residing a short time in Cartwright township, where he married Miss Lydia McNally, and together they came to Artemesia, settling on the east back line, where they hewed out of unbroken forest a comfortable home, and in spite of the privations and hardships incident to pioneer life, many happy years were spent. On this old homestead eight of a family were born—five sons and three daughters, namely: George of Bradford, William of Stayner, Andrew at Saskatoon, John J on the homestead, Mrs Sanderson of Flesherton, Mrs J H Campaign (deceased), Mrs F H Thompson of Portlaw and Robert, who died when a youth. FEVERSHAM

The annual meeting of the Osprey Farmers' Milling Company, Limited, was held in the Orange Hall, Feversham, on Tuesday, Jan 18, 1921. Considering that there was a dividend of five dollars per share to be paid at this meeting, there was a very small attendance of shareholders present. This company is in good financial circumstances and has so far proved a grand success. The old officers were all reelected, namely,—Directors, G W Ross, F D Spofford and George Thomson; Auditors, A J Conron and R S McGir; Sec Treasurer, W G Alister.

The annual meeting of the Osprey Municipal Telephone system was held in the Orange Hall, Feversham, on Wed., Jan 19. Although there was no dividend to be paid at this meeting, still there was a full hall. Hugh Fenwick acted as chairman and Thomas W. Conron as Secretary of the meeting. The auditors' report showed a deficit. The system has been giving a cheap service, therefore for a year or so they will have to step higher. The old board of commissioners declined reelection The nominations for a new Board were numerous, but all withdrew except four, which necessitated a vote being taken. The chairman appointed John Tyson and A J Conron as scrutineers and the ballots being counted they declared Samuel Mullin, Garnett Magee and Herbert Neil the new Board of Commissioners. We wish them every success, and if they do their work as well as the old Board who resigned, there should be no fault to find. The auditors for the year 1921 are A J Conron and R S McGirr.

The annual meeting of the District L O L of Osprey was held in the lodge room of No 1085, Feversham, Tuesday, Jan 11. Although the day was fine the attendance was not up to the usual. Some of the lodges in the district were not represented. The W Bro S T Wilton was in the chair and after the usual business was disposed of the W M requested the P D M, Bro W L Taylor, to conduct the election and installation of officers, which resulted as follows: District Master, Bro Joseph Allison; Deputy District Master, Bro Bazel Neff; Chaplain, Bro Rev W J Holmes; Rec Sec, Bro A J Conron; Fin Sec, Bro Wm McKinnon; Treasurer, Bro W L Taylor; Dir of Cer, Bro J McKenzie; Lecturers, Bros. John Elliott and Thos Conron.

PRICEVILLE

The Priceville U F O Club has ordered a car of flour and feed for the use of its members.

The annual meeting of the Agricultural Society was held on Jan. 18. The auditors' report showed a balance on hand of $367.07, but with liabilities of about $60. The new Board intend reorganizing certain departments and making the fair more attractive for both exhibitors and spectators. The usual rule has been to hold the fair the first Thursday and Friday in October. The Board for 1921 is as follows: President, John Burnett; 1st Vice, L McArthur; 2nd Vice, Don Campbell; Directors, Robert Knox, M McIntyre, W Ramage, H R McLean, W Burnett, C A McLean, W R Meads, T Nichol and Rev C S Jones.

On account of the funeral of the late James Ferris of Salem congregation, the service in the Methodist church here was withdrawn here Sunday week.

Another delay in the electric lighting of our town will be caused by leaving the transformers out in the damp weather all fall and winter, and now they are objected to unless they are sent to headquarters and tested.
