—The outbreak of trichinosis in Saxony is assuming alarming proportions. The mortality among those affected has reached the high average of 20 per cent. It is said the disease will become epidemic if it continues to develop for the full period of one month as it has increased ouring the past twelve days. It is probable that the popular clamour against American pork will be revived, and that renewed efforts will be made to obtain a prohibition of its introduction.

-An account of the battle of Hue sa; s that the panamites were cooped up in a burning village, and the only road of escape from the flames lay under the guns of the fort, which was filled with sailors armed with repeating rifles. When the Anhamites made the charge they were moved down made the charge they were moved down by a regular stream of bullets. Many of them tried to escape by swiming the lagoon, but all were killed. The sailors were mad-dened by the heat and excitement, and slaughtered all the survivors and wounded they could flud.

-A striking thing in southern politics was last week's municipal election in Nash-Tenn. The city has a ring of the ville, Tenn. The city has a ring of the good old sort, reformers organized against it and elected their ticket throughout. The reformers included whites and blacks.democrats and republicans, and all classes were represented on the ticket. Party lines and the color line fairly disappeared before the desire for good government. Such a thing was never before dreamed of in Nashville, and indeed the same is nearly true for the whole south.

true for the whole south. -That was a graphic scene up in Aberdeen the other day when Princese Beatrice opened in the name of the queen a park given to the city by a Miss Duthee. About her were crowded 1,500 school children, the girls wearing blue badges and around them titled persons, dignitaries and citizens to the extent of 18,000. It was raining like mad when the princess took from the lord provost a spade with which to plant a memorial tree. A rope-guard broke and the crowd hemmed her in, but she planted the tree in fine style, and every loyal Scotchman said, God save the queen and the royal family.

- Gen. Pryor says he is satisfied that O'Donnell killed Carey in self-defence. It can be proved beyond question that O'Donnell went to Africa with no design of killing Carey. According to Pryor's theory, Carey, finding himself discovered, provoked a quarrel in order to anticipate the blow he expected O'Donnell as an Irishman would strike. Manslaught-Gen Pryor said, O'Donnell will have a fair consultation and suggestion. I shall re will occur in the middle of November, and last two or three days.

W. H. GROSS, Dentist, Nearly 23 Years' Experience. ENGLISH BLACK RUABER PLATES. Mr. Gross is using for his best dental plates GOLD, PLATINA. AND BLACK RUBBER three of the most reliable materials now in use for the purpose. Mr. Gross uses the purest English Black Rubber, and never during his experience of nearly twenty-three years, has he been so uniformly successful with any material. been so uniformly successful with any material. Black Rubber is non-irritant and non-conducting, and cannot therefore produce congestion or any other disease of the mucuous membrane of the mouth. Thousands of people who have been not only annoyed, but actually tortured by the attempted use of red rubber and other poisonous plates are to day wearing BLACK RUBBER PLATES with pleasure never before known in their experience with artificial teeth. An attempt is being made by a certain nonplused dentist to force upon his patrons a humbug called a "gold alloy plate." Do not be deceived by it. It is nothing new, but an old thing revived, and does not contain an atom of Gold. Mr. Gross has a sample of the genuine article from which goldalloy plates are made, and any one can see it by calling at his office. He will make plates of what is called Gold. Alloy or of Red Rubber for persons who want such plates, after their poisonous nature has been fully exafter their poisonous nature has been fully explained. If you are about getting artificial teeth, and want something that is good, and teeth, and want something that is good, and that will stand the test, get them made on Gold, Platina or Black Rubber, and you will have no cause for regrets. In some respects the Black Rubber is superior to either of the metals named, and can be furnished at about one-fourth their price. A full upper and under set of teeth from \$9 to \$65. Mr. Gress is using Liquefied Nitrous Oxide Gos, the purest, safest, and most reliable form of gas in use. The natural teeth preserved by filling, and fillings and most reliable form of gas in use. The natural teeth preserved by filling, and fillings guaranteed for five years. Mr. Gross will take pleasure in explaining everything to persons who call for information. Rooms over J.
