Notice to the Public

After being in the livery business for the past fifteen years, we have lately disposed of same to Messrs John and Bert Fawcett. Mr John Fawcett has been a successful farmer in this township for the past five years, while his brother, Bert, has been in the West for the past thirteen years. While they have taken possession of same, until such time as they get rightly settled and telephone installed, any telephone orders for liveries received at our office will be taken care of for them. We take this opportunity of thanking the public for past business in this line and we know that the livery interests will be well looked after from now on while in the hands of Fawcett Bros. We believe we can now give more time and better service to the public in our garage business.

EUGENIA

The public meeting, which was called last week and was to have been held in the hall, was held at the home of Mrs Large, when a very good number turned out to talk over the advisibility of placing the order for our memorial. The result was that the next day the contract was drawn up and signed by the committee. We expect to have the work complete on or about the 1st of June. Mr Borland, of Collingwood, being the contractor.

There passed away at her home in Eugenia on Monday, February 7th, after a brief illness, Mrs Jas Walker, nee Isabelle Hyslop. Mrs. Walker was one of our most highly respected citizens. A life long member of the Presbyterian church, and although of a quiet disposition she was always ready to do what she could for the work of the church or in any good cause. The funeral, which was conducted by her pastor, Rev Fowler, was largely attended. Interment took place in Markdale cemetery. The sympathy of the whole community goes out to Mr Walker in his sad bereavement.

A number are laid up with cold at present.

Wm. Walker is under the doctor's care at present with an attack of pleurisy. Mrs Walker, too, is in very poor health at present.

A. Hoy is busy getting his house moved over from the 10th and purposes putting it on his lot here, across from the school, which when finished will add considerable toward the improvement af the village.

One evening last week a number of the Eugenia and eighth line friends met at the home of Mr and Mrs Garnet Magee in honor of Pte Josiah Parliament and presented him with an appreciative address and a well filled purse as a token of our esteem and gratitude and great appreciation of his heroism. Pte Parliamdnt was much surprised when asked to take his place under the arch nicely decorated with flags. He made a short reply of thanks, after which the crowd sang "He's a jolly good fellow," and the evening was spent in games and dancing. A dainty lunch was served.

A number from here attended the party at the power house on Wednesday evening last, and all report a good time

Our boys are very enthusiastic these times over hockey, and although they have very little practice put up a very good game.

The Young People's Society is being well attended. They have decided to withdraw their meetings until after the revivals are over.
