Dr. Henry has decided to remove from Flesherton and will take up practice in Toronto. Since coming to Flesherton the Dr. has worked up a good practice here and has won the confidence of the people. His sole reason for leaving, he says, is family considerations. He has advertised his practice here and we trust he will secure a worthy successor. The Dr. expects to leave here about the first of April.

The F. M. P. Debating Society held a debate in the Presbyterian church here on Tuesday evening of last week when Markdale and Flesherton Guilds were the contesting parties. The debate was on "Church Union" and the affirmative was taken by Mrs. Morrison and Miss Leslie of Markdale. The negative was taken by Miss Edna Ferris and Mr. Frank Stewart for Flesherton. Both parties produced strong and convincing arguments and it was only after considerable thought by the judges that the decision was given in favor of Markdale. Much favorable comment was passed on the splendid defence put up by the two young debaters from Flesherton. While awaiting the judges decision the large crowd were favored with an excellent program, consisting of recitations, solos, duets and quintettes. The ladies served an excellent lunch at the close. The collection amounted to over $20. The next debate will be held in Priceville on March 9 h, when Flesherton and Priceville will be the debating parties.

Thomas Grainger, a well known citizen of this section, passed away at his home in Markdale last week at the age of 86 years. For many years he lived in Artemesia and for a time in Flesherton, later removing to Markdale. He is survived by his wife, but no family.

A credit auction sale of farm stock and implements will be held on lot 19, con. 8, Osprey, on Friday, March 4, 1921, the property of John Conn. See bills. W. Kaitting, auctioneer.

The married and single men clashed (clashed is correct) on the rink here again on Thursday night of last week. The score was 4 to 3 in favor of the unmoustached bunch. This makes a game for each and one tie. Of course the tie will have to be played off, which event takes pace this Thursday night. Those who played were :—Maried, Dow, McTavish, Piper, Henry, Orr and LeGard ; Single. Jennett, Thurston, Buchanan, McTavish, Cargo and E Muir with C Muir as sub.

Rev. L. W. Thom, a former pastor of the Presbyterian church here, passed away at his home in Barrie on Thursday last after an extended illness. The rev. gentleman removed from Flesherton about twelve years ago, after a successful pastorate of eight years. He was very highly respected as a pastor and citizen. Whilehere he married Miss Belle Christoe who survives him. The remains were brought to Flesherton by the noon train Saturday and after a short service in the Presbyterian church, were interred in the cemetery here. Mr. Pearson and son Clayton, of Toronto, attended the funeral.

The County Council met in Owen Sound on Thursday of last week and made appropriations of $55,000 for suburban roads. The business took only about an hour to transact and the session will cost the County about $400, allowing to a little lapse of memory on the part of somebody. The refunds to towns and villages in the county, including government grant, are as follows :—Meaford $2,000, Durham $1,500, Hanover $3,500, Thornbury $1,000, Markdale $916, Dundalk $666, Neustadt $650, Shallow Lake $470 and Flesherton $450. The village of Chatsworth does not share in the distribution as all its connecting roads form part of the Provincial highways which have been taken over by the Province.

By a recent Act County Councils are empowered to pass bylaws to take possession of the dog tax collected throughout the county and form a county fund to pay off claims for sheep killed. At the present time any balance of these funds left in the treasury at the end of the year goes into the general fund and make the taxes so much lighter for the following year. In the case of towns and villages, where sheep are not raised to any extent that you would notice, the whole of this dog tax goes into the general fund. Would these municipalities be satisfied to hand over to the county this fund free gratis for nothing ? As the boy says, "Not on your tintype !" The county council will discover a snag of big dimensions if it attempts to take away this little emolument now enjoyed by the towns and villages. Our dog tax helps to lighten the general rate of taxation and is really only a part of our general rate, even though called dog tax.

In Memoriam

In sad but loving memory of my little grandson, Ambrose Findley, who departed this life, February 28, 1919.

My child, thou art gone to the home of thy rest
Where suffering no longer can harm thee.
Where the songs of the good, where the hymns of the blest,
Through an endless existence shall charm thee.

—Grandma.
