THE LATE MRS. WM. G. TALBOT

(By Victoria Corners Reporter)

A shadow of gloom was cast over our midst on Wednesday, August 22, 1945, about eleven a.m., when death claimed the life of Mrs. William G. Talbot, at her late home, Highway No. 10, near Dundalk.

Mrs. Talbot had been ill for the past four years, undergoing several operations. Throughout this time she had been a patient sufferer, at all times cheerful. Not until the past week had she been forced to remain a bed patient, and only the last two days endured severe pain. Death came so suddenly that a great shock was felt by the family and a host of sympathizing friends.

The late Mrs. Talbot was formerly Mary Ann (Mamie) Moore, youngest daughter of the late George and Margaret (Henderson) Moore. She was born August 25, 1881 on the Moore homestead, No. 10 Highway, one mile north of Victoria Corners, now operated by her nephew, George Moore. In young maidenhood Mrs. Talbot learned the dressmaking trade in Dundalk. On August 18, 1909, she was united in marriage to William George Talbot and has since resided on the Talbot homestead.

Left to mourn the loss of a loving wife and mother are her husband, four sons and four daughters, namely: Clifford, Transport Division of R.C.A.S.C., Overseas; Dave, Hamilton; John Clarksburg; Earl at home; Winnifred (Mrs. Ray Bradley), Dundalk; Beth (Mrs. Clem Livingstone), Corbetton; Muriel, Toronto; Laurene at home and seven grandchildren. Also surviving are three brothers and two sisters, Will Moore, Proton Station; Robert Moore, London; Chas. Moore, Toronto; Emma (Mrs. Robert Acheson), Proton Station; and Frances (Mrs.) Claude Aikens, Springhill.

The funeral, which was very largely attended, took place on Friday afternoon, August 24, 1945. A private service was held at the late home at 2 p.m., thence to Inistioge United Church, of which the deceased had been a lifelong member. Rev. A. S. Muir of Corbetton United Church conducted the last rites and brought a message of comfort to the bereaved. Miss Ruth Sherson presided at the organ. The hymns used were "What a Friend We Have In Jesus", "Abide With Me" and "Jesus Keep Me Near the Cross". Mrs. Russell chose her solo "Sunrise".

Following this service the funeral proceeded to Dundalk Cemetery. The casket was borne to its final resting place by six nephews, George Talbot, Ted Moore, Harry Aikins, Elvin Moore, Gordon and Russell Acheson.

The floral tributes were carried by neighbors and fellow members of the W. A. Society of which Mrs. Talbot had been an active member since its organization several years ago. The flower bearers were, Mesdames Ben Bauman, John Gott, Art Jackson, Walter Nicholls, John Duncan, Wm. Duncan, Merritt Nicholls, Oscar Patterson, Russell Patterson, Joe Copeland, Walter Acheson, Alf Hardy, Elwyn Ferris, E. A. Stinson, Albert Stinson, Milton Bannon and Miss Viotta Richardson.

Among the twenty-five floral tributes were those from the neighbors, Inistioge United Church, Inistioge W. A. Society, Dundalk Telephone Staff, Dominion Pattern Co., Toronto, family, relatives and friends.

Friends from a distance included Mr. and Mrs. Wm. Marshall, Ravenna; Mr. and Mrs. Albert Little, Doris and Morris, Mrs. R. J. THE CANADIAN BANK OF COMMERCE

R. B. HEARD, MANAGER

Your Support IS VITAL TO RATIONING Mr. and Mrs. Farmer

With other groups, you play a part so that everyone gets a fair share

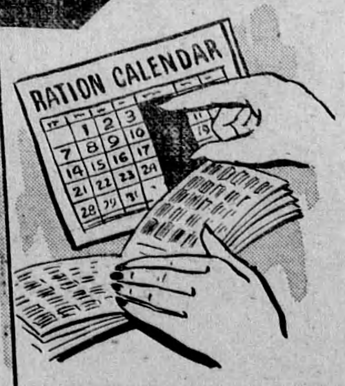
The FARMER

Under the rationing regulations, you are asked to collect and turn in the coupons you acquire against the use and sale of butter and, when meat rationing is introduced again, of meat; and the coupons you get from the sale of honey and rationed maple products. So that you may buy other meats from your butcher, no more than one-half of the valid coupons in your ration book and in those of your household need be surrendered. To make it easy to send in coupons, you are provided with RB-61 envelopes which should be forwarded once a month to your Local Ration Board. No postage is required.

The RETAILER

The retailer also plays a part. He must obtain coupons or other valid ration documents against every sale he makes of rationed foods—butter, sugar, preserves and, when meat rationing becomes effective again, meat. Otherwise, he cannot replenish his stocks. He must paste all coupons on gummed sheets and endorse each sheet with his name and address. If his monthly food sales total $2,500 or more, he is required to operate a ration coupon bank account. He must also give valid ration documents or a ration cheque to his supplier for every purchase he makes of a rationed food.

The HOUSEWIFE



The housewife, too, has rationing work to do. She must know the validity and expiry dates of butter, sugar, preserves and, later, meat coupons so that she can make supplies of these foods last. She must know the coupon values of all rationed preserves and meats. She has to understand the sugar alternative of the preserves coupon in order to do as much home canning as possible and still have coupons for honey, syrups and other preserves. She must guard family ration books carefully and give up coupons for every purchase she makes of a rationed food.

RATIONING is your assurance of a fair share. It is a protection against waste . . . shortage . . . inflation.

That is why farmers are asked to *continue to collect and turn in coupons* to their Local Ration Boards - once a month - in the RB-61 envelope.
