At the Orangeville Presbytery on March 2nd, 1921, it was moved by Rev. J. Burkholder and seconded by Rev. John H. Ross —"That the Presbytery of Orangeville expresses its sympathy with the coming Referendum on April 18th and urges all its congregations to do their utmost to secure its passing." This resolution was carried unanimously. It was also agreed to forward a copy of the above to papers within the bounds of the Presbytery.—J. A. Matheson, Clerk, Orangeville, Ont.

The Rink Co. held a hockey tournament here on Monday night to wind up the season, when teams representing Markdale, Dundalk, Eugenia and Flesherton took part. In the first game Dundalk trimmed Flesherton by the score of 6-0. Eugenia next took on Markdale and were defeated by the northern town by the score of 5-1. The third game was between Markdale and Dundalk which resulted in a win for Markdale by a score of 4-2. The ice was rather heavy which made good hockey impossible. H. Mercer, of Markdale, and R, Wilson, of Dundalk, gave general satisfaction as referees. Only a fair crowd was present.

An unsavory case was tried here before Magistrate Creasor on Friday evening last behind closed doors. Two men named McBeth and Cox were charged with a serious offense by a 14 year old girl named Konold. The parties live in Glenelg, between Durham and Priceville, Both men were committed for trial and taken to Owen Sound on the night train by County Constable McCaffrey to await their trial.

A peculiar accident occured one morning last week when Mrs. D. McTavish, while dressing, stepped on a needle which penetrated her foot and broke off. She went to Owen Sound hospital and had the X Ray applied. Three incisions had to be made before the piece of needle could be extracted. It was a small thing to give so much trouble, expense and pain. The moral is—never drop a needle on the floor.

Flesherton junior hockey team took part in a tournament in Markdale on Tuesday evening of last week. There were four teams in the tournament, as follows :—Rocklyn, Markdale, Dundalk and Flesherton. The first game was played between Markdale and Dundalk, resulting in a win for the latter by a score of 7 to 5. Flesherton and Rocklyn were next and the boys from here came out on top of a 7 to 3 score. The third game was between Dundalk and Flesherton, and considering the fact that the Flesherton team had only ten minutes rest and were the only strictly junior team present, we feel that they did real well to hold Dundalk to a 7 to 4 score. The score at the end of the 2nd period was 4 to 2 in favor of Flesherton, but Dundalk. who had a rest of about an hour and a half after their first game, came back strong in the last period and scored five goals.

The Chicago Daily Tribune of Feb. 28 has the following to say about an old Flesherton boy :—"Capt. John H. As a member of patrol No. 4, Forth-third street and Racine avenue, the central spot of the Union stockyards, Capt. Campaigne has fought fires in the yards for twenty nine years. On Dec. 22nd, 1910. he was the first commanding officer to reach the fire in one of the Morris plants in which Chief James Horan and twenty one firemen lost their lives when a wall collapsed. Capt. Campaigne narrowly escaped death at the same time. J. Ogden Armour and Lester Armour are among the officials of Packingtown who attended a dinner tendered Capt. Campaigne in the fire patrol quarters, when a beautiful Masonic ring was presented to the retiring chief.

Rev. Dr. Speer addressed a meeting in the Presbyterian church on Wednesday evening last in the interest of the Dammion Alliance, and in the afternoon attended an executive meeting in the same church, when arrangements were made with a view to advancing the temperance interests for the coming vote in April. The Village and Township will work together under one committee, of which Mr. T. R. McKenzie is the chairman, Mr. H. Down, Secretary, and Mr. R, Holland, treasurer. Dr. Speer pointed out that the last temperance vote had done all that it was in the power of the Provincial Government to do. Since then the Dominion Government has passed Bill 26 which requires a vote of the people to bring it into operation. If the next vote carries this bill will prohibit the importation of liquor into the Province of Ontario, and with the Sandy Bill of the Provincial Government make the Province of Ontario dry. The Dr. quoted from a recent speech of Mr. Lloyd George in which he said that if the United States continued its present temperance law, Great Britain would, for business reasons, be forced to go dry in ten years, because a wet nation could not compete in the markets of the world with a dry nacion.
