## Heavy Penalties For Two Criminals

The perpetrators of one of the most revolting crimes in the history of Grey County, were dealt with by Judge Sutherland this morning in a manner that should discourage any repetition of such an offence in this district.

John McBeth, 56 years of age, and Walter Cox, 19 years of age, were charged with having carnal knowledge of a girl of 13 years of age, the daughter of their employer, who resided near Priceville. The girl is expected to become a mother in a few months. The older of the two prisoners was sentenced to five years in Kingston Penitentiary and will receive 20 lashes, 10 to be administered at the end of the first month, and the other 10, two months later. The other prisoner gets 2 years and 3 months in the same prison and gets 10 lashes.

In giving sentence Judge Sutherland spoke of the heinousness of the offence, particularly of the older man who should have been a protector of the girl. There were no palliatory circumstances, and sentence given was imposed as a punishment to the offender and as a warning to others that crime of this sort, and all crime, would not be allowed to go on in this district. To the young man he hoped it would be a lesson to him and that he might make amends in the future.

Crown Attorney Dyre conducted the prosecution and at the trial he pointed out the seriousness of the offence and urged for a heavy sentence. No punishment could equal the crime, he said.

Justice in this case was speedy. It is less than three weeks ago since the Children's Society officer first received a report on the case, and in that time the evidence was found, the perpetators caught, and the sentences given. The girl was made a ward of the Children's Aid Society.—O. S. Sun Times

## DUNDALK

Just as The Herald goes to press we learn with deep regret of the death this morning of Mrs. J. T. Park of Winnipeg, a former esteemed resident of Dundalk.

Dr. McWilliam, the pioneer physician of this district, being about 45 years in business here, has sold his medical practice to Dr. Carter, of Bolton, who will take possession in a week or two. Dr. McWilliam will still retain the drug business known as Medical Hall.—Herald.

## Death of Wm. B. Long

The funeral of the late Wm. B. Long, which took place on Sunday from his late home, 12 Strathcona avenue, to Mount Hope cemetery, was very largely attended by neighbors and friends and members of the I.O.O.F. lodges of the city. Mr. Long has been a resident of Brantford for the last ten years and was well known at the time of his death being caretaker of the King Edward school. He was born in Maxwell, Grey county, 52 years ago, where he spent his early days. He met with an accident 21 years ago, from which developed complications which caused constant suffering and only a determination to live lengthened his days. He is survived by his wife and two daughters, also his mother, one sister and six brothers. Those from a distance who attended the funeral were, Mrs. Thos. Beatty and James Long of Feversham, Mr. George Long of Toronto, Mr. Fred Long of Niagara Falls, Mr. Will Bramhall of Oshawa, Mr. Frank Dennis of Guelph and Mr. and Mrs. Pannebecker of Hamilton. The Oddfellows of which body Mr. Long was a member, took charge of the funeral, assisted by Adj. Condie of the Salvation Army.

Floral tributes were sent from many, including Brant encampment, I.O.O.F., O.O.H. and P. P. Adonis, No. 38, Mohawk Lodge, Centenntennial Rebekah Lodge, School and Home Association of King Edward school, teachers of King Edward school.—Brantford Expositor.

Mr and Mrs Graham were married at Priceville on March 7th, 1871, by the Rev Chas Cameron, and still enjoy a fair measure of health and strength, after fifty years of wedded life. Mr and Mrs Graham were both born in Great Britain, the former in Scotland and the latter in England and both came to Canada with their parents in 1854. Both can relate many interesting accounts of early pioneer life in this section and can also remember many things which happened during their childhood days on the other side of the water. Mrs Graham has still in her possession a doll which she purchased in London over 70 years ago. Mr Graham relates a story which is quite interesting in view of the present day power farming and kindred operations. It is to the effect that the first 5 acres which were cleared on the Graham homestead, he and two other members of the family sowed it with wheat by hand and hoed the grain in with hoes. Mrs. Graham was formerly Miss Jane Knight and previous to her marriage followed the teaching profession. To Mr and Mrs Graham 7 children were born, 5 of whom survive. They also have 23 grandchildren and one great-grandchild. Their many friends extend heartiest congratulations and pray for their continued health and strength.

## Death of Mrs. Phoebe Hoath

After a short illness there passed away on Sunday, February 27th, Mrs. Phoebe Hoath, at her home, North Derby. The deceased was born in the year 1863 and was a daughter of the late Samuel and Mrs. Pedlar, formerly of Eugenia, where her girlhood days were spent. In 1889 she married the late J. W. Hoath, who predeceased her four years ago. Three children survive to mourn the loss of a kind and loving mother. Mrs. H. Clark, Owen Sound; Mrs. B. McIlveen, Port Elgin, and Alymer at home. She also leaves an aged mother, seven brothers and two sisters who keenly feel their loss. Her bright and cheery presence will be much missed by all with whom she came in contact.

The funeral, which was largely attended, took place on Wednesday, March 2, from her late home to Tara cemetery. The services were conducted by Rev. G. I. Stephenson, pastor of North Derby Church of which the deceased was a faithful member. Relatives from a distance who were present at the funeral were, three brothers, John of Flesherton, Edward of Feversham, and Fred of Eugenia, also one sister, Miss Sarah Pedlar of Toronto. Other friends were Mrs. Walham of Tottenham, J Fenwick and S. Haney, Chesley. The sympathy of the community is extended to the bereaved ones in their time of sorrow.

Dr McFarlane was hastily summoned and reduced the fracture. The little sufferer is quite patient and doing as well as can be expected.

Mr. Wm. Bellamy's prolific cow is attracting the attention of some distant Herald readers. One in the States writes to know if there is not some mistake as ten calves in four years looks incredible to him. The statement made in these columns a few weeks ago is correct. In 1918 Mr. Bellamy's cow gave him three calves; in 1919 there were two; in 1920 three again, and in 1921 there were two. This makes ten. Of these offspring six were raised including the three born last year. Mr. Bellamy believes that for fecundity he has a cow that pretty nearly holds the world's record. In veterinary books there are cases recorded of cattle bearing twins year after year, but twins and triplets alternately is something out of the ordinary.—Alliston Herald
