Mr. E. Binnington of Maxwell points out to us that our report of the trial where two Osprey young men were charged with reckless driving was scarcely correct. He says "They pleaded guilty before James McMullen, J. P., and had to put up $18 in fines each and received instructions to get the cutter repaired as good as it was before and pay the doctor bill."

The Mission Band held a very interesting meeting in the Methodist Sunday school room on Monday afternoon. A program consisting of music, recitations and a dialogue, was well rendered. The Easter thankoffering was received and amounted to over fifteen dollars, which no doubt will be doubled. This Band, under the able management of Mrs. W Armstrong ranked first in the Owen Sound District and with Mrs. Murray at the helm we feel sure it will maintain the lead.

At the regular monthly meeting of the W. M. S. held in the Methodist church on Thursday of last week the following officers were elected :—Pres., Mrs. W. H. Thurston ; Vice Presidents, Mrs. H. The ladies of the Methodist church put on a play in the high school Friday evening of last week entitled "Afternoon Tea in Friendly Village, 1862" which was an immense success in every way. The hall was filled with a very sympathetic and appreciative audience. Some fifteen ladies took part in the little drama, and the stars shone very bright indeed, but our astronomical reporter has not yet supplied us with the names of those of first magnitude. In fact we told him not to do so, as we did not wish to get into any trouble with the influences which try to control the aforesaid luminaries. Aside from joking however, the talent exhibited by some of the ladies would have done credit to any stage in the land. In fact there was none of the stage struck consciousness so frequently found among amateurs. Mrs. (Rev.) A. P. Stanley of Markdale added very greatly to the pleasure of the evening by contributing a charmingly rendered recitation. A young man named Bernard Morton played the piano very acceptably. The proceeds of the evening amounted to $122.00.

The Chinese are shipping millions of eggs into this country to compete with the Canadian hen, and we are asked to send millions of our money to China to keep the Chinese from starving. An inquisitive correspondent wants to know why the Chinese don't feed their own eggs to their own starving ? We cannot answer, but probably the Chinese would rather starve than eat the eggs shipped to us. It seems like an incongruity, but perhaps not.

The F. P. M. Debating Society held a debate at Priceville on Wednesday evening of last week when Flesherton and Priceville were the contesting parties. The subject of debate was :—"Resolved that the Oriental People should not be admitted into Canada as immigrants." The affirmative was taken by Mrs. (Rev) Fowler and Mr. James Harrison of Flesherton, and the negative by Miss Harrow and Mr. McConkey of Priceville. Both parties brought out strong and convincing arguments in support of their side but when it came to the judges to make a decision they could not agree and the matter was left over for the decision of the Executive of the League. The next debate will be held in Markdale on March 21st, when Flesherton will take the affirmative in support of "Resolved that a tax should be placed on all bachelors." Markdale will take the negative.

Death Of Mrs. Geo. Ludlow

A gloom was cast oner the community when it was learned that Mrs. George Ludlow had passed away on Saturday night, March 5, at her home at Victoria Corners. On retiring to bed on Friday night she complained of a headache and at 3 00 o'clock in the morning she called her husband, when it was learned that she was seriously ill. Dr. Martin from Dundalk was summoned but in spite of all that kind and willing hands could do she passed peacefully away. The deceased, whose maiden name was Miss Florence Richardson, was well known here, having taught school for some time in No. 4. She was a women of many sterling qualities, a good neighbor, a kind and loving mother and a friend of everybody. She leaves to mourn her loss, besides her husband, two children, Susanna, aged 17, and Robert, aged 9, who have the deepest sympathy of all. Mrs. Ludlow was a regular attendant of the Anglican Church. The funeral took place to Flesherton cemetery on Tuesday, followed by a large concourse of sorrowing friends. Rev. Blackwell conducted service at the house. The flowers were many and beautiful—a wreath from her husband and children, a cross from the sisters, a crescent from Mr. George Ludlow, sr., and his daughters, a star from Mr. and Mrs. W. Ludlow, a broken circle from the Women's Auxiliary, a star from the neighbors and a beautiful wreath from Flesherton High School. Those from a distance who attended the funeral were : Mrs. Richardson and Mrs. Hicks, Clinton ; Mr. and Mrs. Joe McClure, Toronto ; and Mr. and Mrs Will Ludlow, Woodstock. The following former pupils acted as pallbearers : Wm. Ludlow, Chas. Moore, Geo. Best, Elmo Stevens, Milton Bannon and R. Moore.
