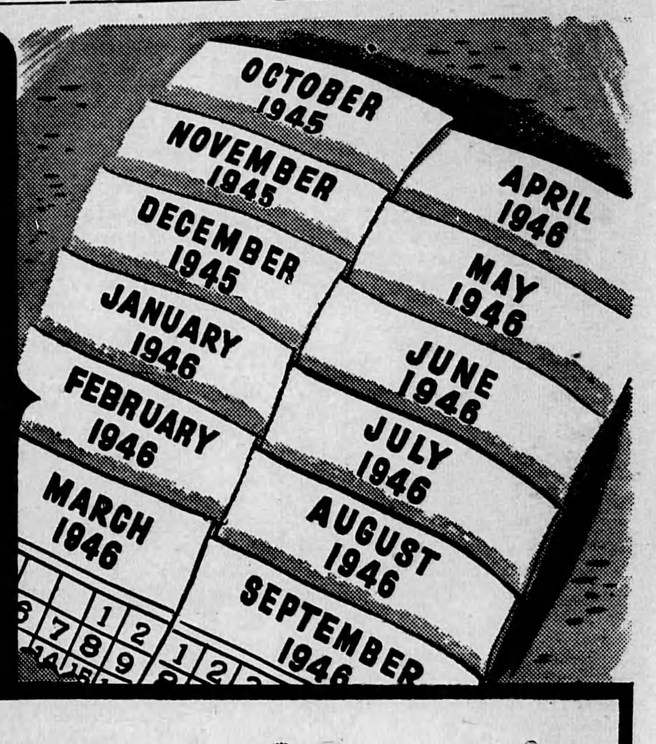
This is the Farmers' Organization; it's success depends on your active support

You Have TWICE AS LONG TO PAY

So many times you hear people say "I wish I could buy more Victory Bonds."

Well, it has been announced that there will be only one Victory Loan in the next 12 months.

People who buy Bonds now will have a whole year to pay for them.



You Can BUY TWICE AS MANY BONDS

Bear this in mind when the Victory Loan salesman calls on you.

The same rate of savings as in previous loans will pay for twice as many bonds over the 12-month period.

So, buy double this time.

Sign Your Name FOR VICTORY

Farmers can buy Victory Bonds through any bank . . . on convenient deferred payments.

Victory Loan salesmen have copies of the letter at the right. (Banks also have copies.)

When you sign this letter . . . and pay 5% of the cost of the bonds . . . the bank buys the bonds for you. You have 12 months to pay for the bonds and the interest the bond earns pays the interest on the bank loan. 9-55
