Gives Grand Relief
FROM SNIFFLY, STUFFY DISTRESS OF
Acute Catarrh!

Instantly relief from catarrhal misery starts to come when you put a few drops of Vicks Va-tro-nol in each nostril. Va-tro-nol is so effective...results are so good...because it (1) reduces swollen membranes, (2) soothes irritation, (3) helps clear away congestion...and thus makes breathing easier. Many catarrh sufferers say it's the best relief they've found. You, too, will like the way it works! Try it!

Have You Heard?

Man (addressing women) — "I don't know why God makes women so beautiful and yet so . . ."
Women (countering)— "He makes us beautiful so you love us, and makes us dumb so we love you."

Husband: "You must think automobiles grow on trees."
Wife: "Silly! Everybody knows they come from plants."

"I was a fool when I married you," said Mrs. Brownleigh, angrily.
"Yes, darling, but I was in love and didn't notice it," replied her husband.

A mandate, wrote a schoolgirl recently, is an appointment a girl makes with a fellow.

If a bee sat on a nettle,
Now here's what puzzles me—
Would that bee sting the nettle,
Or the nettle sting the bee?

Orange Powder

A company has been formed to manufacture orange powder from Florida oranges, says Marketing. A daily output of 6,000 pounds of dehydrated juice is expected from the new plant which will be in production next spring. The addition of water to the powder makes the product substantially indistinguishable from fresh orange juice in appearance and vitamin content, it is claimed.

Sir Loin

Henry VIII, a large eater, was once so pleased with a particular cut of beef that he asked what its name was, relates the New York Time Magazine. "Loin, Sire," he was told. "In future it shall have a more honorable title," Henry retorted and, drawing his sword, he conferred knighthood on it, declaring: "Arise, Sir Loin." Thus "sirloin" of beef got its name.
