The Advance is informed by Mr. Stinson that the statement in last week's issue regarding his horse case is scarcely correct. He says the jury awarded him $100. Later the judge, who did not sign the verdict, took the matter up with Mr. Piper's lawyer and the verdict of the jury was annulled. Mr. Stinson says he has now appealed against the judge's decision.

A white robin is a rare sight. Such a bird has its home near this village, on the farm belonging to Dr. J. Ottewell, where it has made its home for the past three years. While the little bird is not pure white, there is an entire absence of red. The breast and under-wings are greyish white with primaries black. Its song is pure "robin" in tone.

An item elsewhere in this issue regarding hydro at Grand Valley will prove of interest to Flesherton readers. We note that somebody is going to make an effort to discover if the system is run economically. Whoever undertakes that investigation has a big contract on hand, but The Advance might help them out a little. Eighteen thousand dollar salaries and some other things we could mention do not tend to reduce the cost of operation to any appreciable degree. We cannot help but think the Farmers' Sun is working along the right line in advocating the appointment of a Minister of Power, thus bringing the system into a position where the public will have some control over it, and not hand over the whole big plant to one man's control. The public should have some say in what salaries they can pay, and what expenditures they are able to make.

Flesherton celebrates on June 3rd.

Mrs. Dave Dow was the victim of a distressing accident which occurred in her home on Friday last, when a pail of boiling water upset, scalding her foot badly. She was laid up for a few days but is progressing favorably now.

Mr. James Genoe, a resident of Artemesia township for many years, passed away on Saturday last after an extended illness at the age of 70 years. He leaves a wife, two sons and an adopted daughter. The sons are Ellwood, of Toronto, and Harry at home. The funeral took place to Flesherton cemetery on Tuesday afternoon.

The Centre Grey Baseball Association held a meeting at the Munshaw House on Saturday evening. Several playing certificates were refused on the residence rule. N. H Wilton was appointed as Secretary in place of T. O. Goldsmith, who resigned.

Prince Arthur Lodge A. F. & A. M., attended the Methodist Church in a body on Sunday evening, when the pastor, Rev. C. A. Belfry, preached an appropriate sermon from Ecclesiastes, first seven verses. He was assisted by Rev. Jones of Priceville. A large number of visiting brethren from Dundalk and Markdale joined in the worship.

The W. I. met in the high school on May 4th and elected officers as follows:—Pres., Mrs. O. Phillips; 1st Vice, Mrs. R. Best; 2nd Vice, Mrs. A. Stewart; Sec.-Treas., Mrs. A. Hawken; District Director, Mrs. R. Best; Rep. to District Meeting Mrs. Moore; Auditors, Mrs. Hickling, Mrs. Thurston; Pro. Com., Mrs. Phillips, Mrs. Mitchell, Mrs. Henry, Mrs. Hawken. Receipts for the year $1035.75, expenditure $360 81, balance on hand $674.94.

An accident occurred to the little two year old daughter of Mr. George White, Toronto Line South, that might have proved fatal to the little one. While playing in the barn she fell through a trap door to the basement, a distance of eight feet, striking her head on the cement floor. She was unconscious when picked up but soon revived. Fortunately there was some straw on the floor and the fall was arrested somewhat. It was a close call.

The Advance would like to learn the opinion of the County Good Roads Committee after their jaunt through the county last week. Some of the work done two years ago is said to have gone to pieces badly and is already in need of renewal. Many are of the opinion that the heavy cost of construction done then is altogether out of proportion to the value received, and that continuous attention with a drag on our roads would be all that is required after ordinary gravelling, and would be much more economical.

Mr. J. A. Legard at ended the first annual dinner of the new Grey Regiment officers in Owen Sound on Friday last. The regiment is now recruiting for their annual trip to Niagara Camp, and prospects are bright for one of the best regiments that ever left Grey County. Besides the usual drill special arrangements are under way to make this unit the athletic marvel of the militia and boxers, football players, lacrosse players, baseball players, and track and field athletes are asked to come along. Any ex-C. E. F. men and all others are asked to sign on for the 1921 camp at once and help to make this unit the best in camp. Music will be plentiful, supplied by brass, bugle and pipe bands. Uniforms have been received and will be issued at once. See J. A Legard or W. E. Cargoe and get particulars.
