VICINIY CHIP S

Flesherton celebrates on June 3rd.

Mr. James of the Hydro was in town on Thursday last and the troubles of our local system were put up to him in no uncertain terms. After an investigation he promised an adjustment of certain conditions.

Mr. W. G. Thomas, of Flesherton, was in town on Wednesday of last week and purchased the dwelling house belonging to Andy Griffith, on Islay street. Mr. Thomas moved their household effects to town on Tuesday and they are now getting settled. Mr. and Mrs. Thomas are welcomed back to town as residents.—Standard.

On Thursday of last week Mr. and Mrs. W. Caswell and daughter, Mildred, and Mr. and Mrs. Nat Caswell and Master Barre motored to Kitchener to attend the nurses' graduation at the Kitchener-Waterloo hospital, where the former's daughter, Miss Myrtle Caswell, was one of the graduates. Miss Myrtle who passed with high honors, received a special prize of a club bag and white ivory set valued at $150. Mrs. Caswell and two daughters are now spending a couple of weeks with Mrs. C's daughters at St. Thomas and Dresden.

The Toronto Star a few days ago said: "An official of the Ontario Hydro a few days ago, caught near Eugenia Falls, in the tail race of the hydro, two speckled trout, one over 21 inches long and the other a little over 23 inches in length. The two weighed over 11 pounds, the larger exceeding 6 lbs. in weight." Now isn't it nice to be a Hydro official and have such a splendid trout reserve provided at the public expense? Ordinary people who try to do any fishing around the Hydro sanctuary at Eugenia are soon told where they get off at.—Shelburne Economist.

Flesherton is to have a new industry, which, if things go satisfactorily, may mean a valuable acquisition to the village. Messrs. T. A. Blakely and W. Henry have joined forces in the manufacture of auto truck bodies and have already completed a sample. A truck firm in Toronto has agreed to take quite an extensive output of these bodies if the sample is satisfactory. Provided these bodies can be profitably turned out here there is no reason why a considerable industry could not be built up. At all events we live in hope that Messrs. Blakely and Henry will be successful in establishing what will be a profitable industry for themselves, and incidentally for the town as well.

From present indications football will be the chief sport in Markdale this season. Lacrosse was talked of, but it has been definitely decided that a team will not be put in the field. An effort was made to get into the Centre Grey Baseball League, but opposition from outside prevented this and it now looks as though the kickers will have full swing during the summer. Messrs. J.
