Department of Agriculture

During the past week we have been engaged in preparing for orchard pruning, bee keeping and sheep dipping demonstrations. Fuller reports will be made of them next week.

Shipping Wool—Never before has so many applications for wool shipping supplies been filled by this office. Farmers who never shipped before are trying this method of disposing of their wool this year. It pays to ship it as if kept till next year there is a large shrinkage in weight.

Sheep Dipping Applications—Many applications for Sheep Dipping work have been received. The most gratifying part is the fact that farmers at the centres where we dipped last year have applied this year. Moreover, invariably a larger number have been assured so that this season will be larger than last by many sheep. In a few days arrangements will be completed for this work when sheep breeders will be sent due notice

LEAGUE GAMES THIS WEEK :—
Vandeleur at Dundalk—Thursday
Rocklyn at Flesherton—Friday

Flesherton played their second game of the League season on the Eugenia field on Friday afternoon last and came out victorious with a one run lead. Alcox for Flesherton and Albert Williams for Eugenia started the game, the latter being relieved by Large in the third inning. For a youngster Large showed up pretty well, striking out six men. The locals were leading by five rus in the the 7th and an eighth inning rally by Eugenia netted them four runs. In the ninth the Eugenia squad chased in three men over the plate and with three men on bases and one man out failed to connect for a hit. Eugenia made the only double play of the game when Boyd hit a high fly to centre field and catching Wilton off first base. C. Graham and E. Muir were umpires.

Score by innings :
Flesherton—1 1 0 2 2 0 1 2 1—10
Eugenia —0 0 1 1 0 0 0 4 3— 9

Flesherton—Dow, McLeod, Legard, Wilton, Boyd, McTavish, Thurston, Sparks, Alcox.

Eugenia—Genoe, Howard, Fawcett, Large, F Betts, Williams, H Betts, Crich, Parks.

Thurston, of the locals, was the star man of the game on this occasion gettting four runs, Jack Dow coming second with two Fawcett and Large also got two runs each for Eugenia.

Umpires are requested to send in their reports to the Secretary immediately after each game, together with necessary remarks.

From observation at a couple of the games already played we believe more general stisfaction could be obtained for everyone by having neutral umpires.

Ceylon's home game with Rocklyn on Saturday last was postponed on account of rain and will be played in the near future.

Vandeleur opened their season Monday when they won from Glenelg by the score of 14-1. Glenelg couldn't hit Buchanan, who is a port sider. Graham relieved Buchanan in the seventh.

Come to Flesherton on June 3rd.

The Late Clara Duncan

As was briefly noted in last week's issue Clara Estella, only daughter of Mr. and Mrs. Joseph Duncan, passed away on Tuesday, May 24th.

Clara had been head milliner for four seasons for the firm of Graham Bros., of Grand Valley, and as usual returned to her home for Christmas feeling unusually well. The middle of January she took pleuro pneumonia from which she never rallied, though one of Owen Sound's most skilfull medical men was called in consultation by the family physician.

The funeral service was held in the Methodist Church on Thursday and was conducted by her pastor, Rev. C. A. Belfry, who took as his text the words of the angel : "Why seek ye the living among the dead? He is not here, He is risen."

Floral tributes were from father and mother, Mr. H. Black, Miss McKinley, Graham Bros., Mr. and Mrs. R. Bentham, Mr. and Mrs. John Best, The Methodist Ladies' Aid, The Girls, Mr. Frank Duncan and family, the P. O. staff and mail carriers, Mrs. Scott and Mr. Fred Nicholson.

The following from a distsnce attended the funeral service :—Mr. F. Nicholson, Mrs. W. Buskin, Mrs. H. Holman and Mrs. A H. Scott, Toronto ; Mr. Herb Dyson, Hillsburg ; Graham Bros., Miss Graham, Mr. H. Black and Miss Sime, Grand Valley.

Much sympathy is expressed for Mr. and Mrs. Duncan in the early passing of their only child.

CAR PERFORMANCE
Makes Car Dividends

CHEVROLET

Think of an automobile as a productive institution—not merely an expense. You buy a car because it will render you certain valuable services. It pays dividends in contentment, recreation, quick transportation.

Car performance is more important than model or name. Car performance depends upon the the dealer who sells the car.
