Died—On Wednesday, June 8, Julia, beloved daughter of Mr and Mrs John Winters, of Hatherton, aged 18 years. The sincere sympathy of the community is extended to the bereaved family.

Miss Rosie McGirr has gone to Flesherton to try her 2nd form exams.

We understand that our teachers, Miss Jolley and Mr Morris, have been engaged by our school board for another year. The coming year will be the fifth year for Miss Jolley to wield the birch in our school, a good evidence of her ability as teacher.

A bad smashup of a car was averted in this village on Wednesday evening. Dougie Hockley, of Gibralter, ran into town and left his Chevrolet facing down the hill at the butcher shop leaving the engine running while he went into Robinson's store. The car started down the grade and before it could be stopped struck the timbers of the temporary bridge with great force damaging the front of the car considerably. Had it run to the other side of the bridge it would have plunged over the rock 30 feet down. They say a miss is as good as a mile, but see to your breaks, ye car drivers.

A Close Call

One strange freak of the electric fluid during Sunday's storm, was played at the farm of Wm. C. Chambers, just outside the town. It entered the extensive stables by the litter carrier. All the horses and cattle in the stalls are secured to stanchions by some patent device and the lightning let loose every animal and never so much as scorched a hair on any of them. When the attendants entered the building the beasts were all jumbled together, and it took some time to restore order out of comparative chaos.—Harriston Review

The deceased lady had been in feeble health for some time. She leaves two sons, Archie D at the old home and John L McKinnon B.A., of Saskatoon. The family's pastor, Rev C S Jones, (Presbyterian) conducted the services on Saturday afternoon. The sons intend in the near future to remove the remains of their father from the cemetery at Smellies Corner, Glenelg, to be placed beside their mother in the beautiful plot they selected last week in the new cemetery here.

The Welton Case

Little Billie Welton is not recovering from his late terrible experience as rapidly as was hoped for. Two dental doctors were in consultation on his case Friday and decided that it was necessary to return him to the Toronto hospital, which was done on Saturday, for retreatment of the broken jaw. Billie has been able to explain that one of his boy companions struck him with a stone and knocked him senseless. Besides the broken jaw bone his body was also black and blue. Billie was taken to the place and showed where it happened.

It is a long time since the village was so stirred with indignation as it has been during this case. It looks as though the child who did the deed actually tried to kill Billie and left him as he thought dead, for the sake of securing the pup. If this youngster is not taken in hand by someone capable of training him he will probably some day be brought up at the end of a rope like Norman Garfield. Two more hours of exposure would have finished Billie Welton, according to the physicians, and with the best of care it is not known whether there will be a deformity resulting.

In connection with this case The Advance has received the following note from Dr. Henry:

"I just received The Advance and on reading the account of Billie Welton I notice it states that Dr. Guy and I could not arrive at the extent of Billies injuries which is rather misleading. We made a correct diagnosis of the broken jaw, but we knew that special wire was needed to wire the teeth and this we did not have, nor Dr. Murray, so we decided to take him to an expert dentist in the Sick Children's Hospital. Even under expert hands and with the best of supervision of nurses the wire broke on the 3rd day and Billie had to be given another anaesthetic, his teeth rewired and a plaster cast applied to avoid any disturbance or movement of the broken jaw."

Road Closing

Notice is hereby given that the Municipal Council of the Township of Artemesia, will, after one month from the first publication hereof in the Flesherton Advance newspaper (the date of which is the 9th day of June, 1921) proceed to pass a by-law to close up and finally dispose of the undermentioned original allowance for roads.

1st—All that part of what is known as the base line from lots 101 to 110 inclusive, in rear of the Third Range, North East of the Toronto and Sydenham Road.

2nd—All that part of sideroad lying between lots 10 and 11, in the 14th Concession of the said Township.

By order of the Council.
—W. J. BELLAMY, Clerk

The Women's Institute held their district meeting here in the church on Wednesday afternoon, and was well represented from the different Institutes. A most profitable and enjoyable time was spent. Mrs D D McLachlan very kindly lent her dining room for the occasion, where the ladies served tea from well loaded tables.

Word was received here last week that Mr Abraham Gold had passed away at Kansas City May 10th. About 50 years ago Mr. Gold ran a pot and pearl ashery here at this village. The Baker Co. World has the following to say: A long, useful life was ended when A. Gold passed to his reward May 10. Mr Gold was 89 years old that day. His long life was full of the busy cares of the world. He travelled much, lived and learned. His knowledge is left for relatives and friends. For many months his body suffered ravages of disease, but his mind was clear to the end. His remains were brought from Kansas City to his son Harry's home in Baker, accompanied by his only daughter, Mrs J Yates, of Tonganoqie and T Lawrie of Kansas City. The funeral service was held Friday afternoon from Christian church, Baker, Rev Wilson, of Willis, conducting the service. Singing was furnished by the McCrerey Bros. quartette. The church was beautifully decorated by loving hands and the casket was covered with a profusion of flowers from relatives and friends. The Knights Templar had charge of the burial which was very impressive, the body being lain to rest in the family plot Hiawatha. He leaves to mourn his loss one daughter, Mrs Joe Yates, of Tonganoxie, and three sons, Ollie, of Horton, Harry, of Baker, and Frank, barrister at Williams, Arizona. A few years ago he visited friends here.

PORT LAW

The services at Mount Zion church on Sunday last was conducted by Inistioge choir. Four young men acquitted themselves very creditably in dealing with the subject of the "Prodical Son" which they divided into four parts. Several appropriate selections were given by the visitors and altogether the service was interesting and helpful.

Born—On Wed., June 8, to Mr and Mrs W H Blakey, a daughter—Mabel Lillian.

Miss Nesbitt has returned from her home in Caledon to her school duties here.

Wilfred McNally and Miss Iva McNally spent a few days visiting friends in Toronto.
